

The Planning Commission's Hearing on Gibbs Petition for
Temporary Use. March 4, 1954.

Meeting called to order by Chairman Luther Tisdale for the purpose of hearing opinions for and against such petition.

Present: Messrs. Aldrich, Arp and Yelton.

Doyle Harroun, representing his mother, being interested in adjoining property to that of the Gibbs Concrete Products Co., protested the granting of such a permit for the reason that if it were allowed, would continue to stay there. He also protested for the reason that a rock crusher would be dusty and dirty and depreciate the value of his mother's property.

There being no further protests, the Commission adjourned the hearing to re-convene in regular monthly meeting.

Gladys Kanick, Secy.
