Commissioner Parrish – Chair Vilelle advised on behalf of Commissioner Parrish that at Bankus Fountain Park he is getting plants and volunteers together to plant the other corner, date and time to be announced. He expressed desire to have Easy Manor Park transformation put on the City website. Advised that the KBSC TV show on Brookings Parks is still in the works. The Stout Mountain Railway will run on July 3rd a mini fireworks show. He thought the windows at the Capella were very dirty and wondered if there is a bid process set up to clean them and if not a process be set up to do them ala carte, i.e. each window/inside/outside/skylights/ledge area all separate.

Commissioner Brown – Thanked John Cowan for his work and presentation to the City Council on the tennis backboard. The Garden Club annual picnic scheduled at Stout Park on July 20th, a work party is scheduled for July 17th to shape it up.

Commissioner Hartmann – Shirley Hyatt, coordinator of the Azalea Park Foundation advised her

that a work party is scheduled for June 27th, and was wondering if a citywide work clean-up of Azalea Park was going to be scheduled this year. Last year park was quarantined because of SOD. John Cowan advised that as long as in the clean up is in the developed areas would not be a problem, but the SOD area is still under quarantine. No citywide clean-up planned at this time.

Chair Vilelle – Concerning bike complaints at the Skate Park, wondered what happened to bicyclist who violated the “no bike” rule, read police report that indicated that bicyclist were told not to return that day. Commissioners do not believe this stops the bicyclist from using the Skate Park and enforcement is needed.
