CITY OF BROOKINGS
PARKS & RECREATION COMMISSION
December 13, 1972

The meeting was called to order at 7:30 p.m. Vice-chairman H. Lee Hansen presided and other members present were Don Smith, John Lacy and Dellis Oliver. Mayor Les Williams, Superintendent of Public Works Elmer S. Lee, and Parks Commissioner Rush Long were also present.

Mr. Tim Sands, a representative from the Jaycees, was present to discuss the acquiring of playground equipment for Easy Manor and Richard Street parks. The Chairman described the areas to be used as playgrounds for small children, one located on Easy Manor, the other on Richard Street. The park areas are filled and drained and about ready for the equipment. The efforts of the Commission to obtain equipment and their decision to ask the Jaycees to contact organizations in the area for donations toward the purchase of playground equipment were reviewed.

The Commission is asking the Jaycees to try for \$2,500 in pledges so the total of pledges and the amount budgeted by the City may be used when applying for matching funds for the purchase of playground equipment. Mr. Sands will talk with the Jaycees and report to Mr. Hansen.

It was requested that card notices of meetings be mailed on the Monday preceding meeting date.

MOTION by Del Oliver, seconded by Don Smith, to ask outgoing members to serve for the next term. Outgoing members December 31, 1972, are H. Lee Hansen, Marshall Hoppin, and John Lacy. Motion carried.
