

MINUTES
CITY OF BROOKINGS
PARKS & RECREATION COMMISSION
JUNE 7, 1973

Meeting called to order at 7:50 p.m. at City Hall.

Members present: Al Ettinger, Chairman, Del Oliver, Lee Hansen. Also Don Nida and Elmer Lee.

Elmer reported that he had written to U. S. Steel and San Jose Steel for estimate costs on fence needed for the Easy Manor park. The latter company, via phone later, said they could bring the materials in on their truck and combine the load with that of another Brookings job they hoped to get, thus saving about \$320 on each job. The Commission agreed to keep this in mind when they looked over the estimates of both companies.

Clarence Fix has been approved as new member to replace our late friend, Marshall Hoppin. Don volunteered to contact him and have him ^{hand} an "Acceptance of Appointment" sheet.

Elmer suggest that we look around for donations of 200 yds. of fine beach sand and trucks to haul it. Sand will be used for both parks (Easy Manor and Richard Street) to spread in playground areas. Good sand is a scarce item!

Next meeting will be held on Friday, June 22, as a special meeting.

Meeting adjourned at 8:30 p.m.
