

MINUTES
CITY OF BROOKINGS
PARKS & RECREATION COMMISSION
AUGUST 2, 1973

Meeting was called to order at 7:40 p.m. at City Hall by Chairman Al Ettinger.

Other members present: Del Oliver, John Lacy, Clarence Fix, and Lee Hansen. Elmer Lee, Superintendent of Public Works, was also on the job.

A discussion of the \$2,000 appropriation to be used for playground fencing for two community parks that have been planned for two years was held. The Commission cannot understand why the City Council has reversed its stand on these funds. Apparently our work has all been for nothing and this is a bitter pill to swallow. If there is a possibility that a supplemental budget will be made we are hoping it will be reconsidered by the City Dads.

MOVED by Commissioner Lacy, seconded by Commissioner Oliver and carried that all of this Commission attend next Tuesday's City Council meeting to talk about this problem and ask for reconsideration.

Meeting adjourned at 8:20 p.m.
