

MINUTES
CITY OF BROOKINGS
PARKS & RECREATION COMMISSION
SEPTEMBER 6, 1973

Members present: Allan Ettinger, Chairman, John Lacy, Del Oliver, "Bob" Fix, Don Smith, L. Hansen. Also Elmer Lee, Superintendent of Public Works, and Don Nida, City Councilman and Parks & Recreation Commissioner.

Minutes of previous meeting read and approved.

Letter formulated to City Council to ask for return of the tabled 1972-73 funds. It was approved as per copy attached.

The group agreed to attend the next council meeting, Tuesday, September 11, to discuss the return of the money for immediate use. Unanimous.

Councilman Nida reported that Azalea Park has been offered to the City of Brookings by the Oregon Parks Commission to be used as a city park.

The possibility of this Commission investigating obtaining the access property to the north jetty to be used as a city park was discussed. This would be a boon to the city. The Commission felt that at the present time, due to Mr. Bankus' poor health, this project is not feasible, and it may not meet with his approval and that of the officials of his trust. It was felt this would be a valuable asset to the city.

Meeting adjourned at 9:10 p.m.
