

MINUTES
CITY OF BROOKINGS
PARKS & RECREATION COMMISSION
APRIL 5, 1973

Members present: Chairman Ettinger, Del Oliver, Lee Hansen, also Councilman Nida and Public Works Superintendent Elmer Lee.

Meeting called to order at 7:40 p.m.

Minutes of the previous meeting were read & approved.

Mr. Lee reported that about 250 cubic yards of new fill material has been added to the Easy Manor playground. He estimates that another 400 cubic yards will be needed. He said he also had found it necessary to install more drainage pipe in the Richard Street playground to take care of the added water that comes thru during the wet season.

Mr. Lee recommends topping off both park areas with good beach sand. He said he will check with a State Highway Engineer to learn if the Commission can submit to the State an official application to obtain the amount of sand needed from a local beach area.

Lee Hansen was appointed to visit Jaycee President Len Choffel and Richard Olsen to see where the Jaycees stand on the financing of the City parks. Also where the official catalogs and completed equipment order forms can be found.

Replacement for Marshall Hoppin discussed. Several names brought in. Mr. Nida and Mr. Oliver offered to talk to two people (one each, whose names were approved) to see if either would be interested. They will report at the next meeting.

Meeting adjourned at 8:55 p.m.
