

MINUTES  
CITY OF BROOKINGS  
PARKS & RECREATION COMMISSION  
May 3, 1973

Meeting called to order at 7:40 p.m. by Chairman Allan Ettinger.

Members present: Ettinger, Lacy, and Hansen. Also attending were Councilman Don Nida and Superintendent of Public Works Elmer S. Lee.

Clarence Fix was contacted by Mr. Nida and has agreed to accept a position on the Commission. He will replace Marshall Hoppin who recently passed away.

Mr. Lee said he would contact San Jose Fence Co. to ask (1) for price of materials only, (2) price of materials installed as a complete 6' fence with ball tops on posts and two turnstiles instead of a gate. One service gate to be kept locked will be installed for truck service.

This was made into a MOTION by Hansen and seconded by Lacy. Carried.

A member of the Jaycees had promised to attend this meeting to explain where their fund program for park equipment stands at present. This man failed to show up.

Hansen explained that he had tried to get expressions from Jaycee members during the time since last meeting, and also locate catalogs, order blanks, and info that were originally given the Jaycees at the time they accepted to fund-raising project. All he was able to obtain was a set of Xerox copies of the original playground equipment order.

Meeting adjourned at 8:30 p.m.

Allan Ettinger  
CHAIRMAN
