

RESOLUTION # 10 - 1971

BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THAT:

The City of Troutdale is contemplating a local improvement program consisting of the construction of a sanitary sewer line along N.E. Halsey Street from Sandy Blvd. to a point approximately 1000 feet east of N.E. 244th.

The improvement is to be financed by connection charges, Federal Grant and individual assessments against benefited properties.

All benefited property within 125 feet of the sanitary sewer or the public right-of-way containing the sanitary sewer will be included in the boundaries of the district to be assessed.

The approved engineers report is on file with the City Recorder and may be examined by the public during normal business hours.

The council will hear and consider objections or remonstrances to the proposed improvement by any parties aggrieved thereby at the ~~regular~~ meeting of the council at 7:30 P.M., February 2, 1971 at the City Hall.

The City Recorder is directed to make public this improvement by posting notice of it at the City Hall and at two places within the benefited area and by mailing copies of such notice to the owners to be assessed for the costs of such improvement. Notice shall be mailed and posted at least 10 days prior to the public hearing on the proposed improvement.

Passed by the Common Council of the City of Troutdale, this 12th Day of January, 1971.
