---

**February 14, 1995 - 7:00 P.M.**

**I. PLEDGE OF ALLEGIANCE, ROLL CALL, AGENDA UPDATE**

Mayor Thalsofer called the meeting to order at 7:00 p.m. and called on Councilor Smith to lead the Pledge of Allegiance.

City Recorder Martinez called the roll.

**PRESENT:** Thalsofer, Smith, Ripma, Thompson, Kight, Lloyd (7:05)

**STAFF:** Berrest, Christian, Faith, Galloway, Gazewood, Martinez,

**GUESTS:** Ali Peret, Don Curtis, Rob Klever, Don McGinnis, Sam Cox, Greg & Paula Lyslo, Mike Smith, Greg Handy, Keith Neely, Tom Driscoll, David Fuks, Matt Hester, Chris Roberts, Jared Hester, Brandon Roberts, Kehawlani Hester, Michael McCoy

**2. CONSENT AGENDA:**

2.1 Accept Minutes - Regular Sessions 11/22, & 12/6/94.

2.2 Business Licenses - Month of January, 1995

2.3 **RESOLUTION:** A Resolution Accepting A Public Utility Easement for Operation, Maintenance, and Repair of a Storm Drainage Ditch Located on Tax Lot 113, Section 26, T1N, R3E, WM, Parcel 2 of Partition Plat No. 1992-134, Tax Lot 98, Section 26, T1N, R3E, WM.

Mayor Thalsofer called this item.

**MOTION:** Councilor Thompson moved to approve the consent agenda. Councilor

**Kight seconded the motion.**

**YEAS: 6  
NAYS: 0  
ABSTAINED: 0**

3. **COMMENDATIONS, AWARDS, AND PROCLAMATION:**  
3.1 Certificates of Appreciation  
Marvin Schreifels  
Sally Wakeman  
Michael Orcutt

Mayor Thalhofers called this item and stated he would like to recognize these people for serving on the city's committees.

No one was present to receive the certificate.

4. **RESOLUTION:** A Resolution Establishing the Downtown Task Force for the Purpose of Reviewing and Revising the 1984 Downtown Concept Plan and Rescinding Resolution 1133.

Mayor Thalhofers called this item and stated that resolution No. 1133 established the Downtown Task Force with a membership of 11 and there were 13 great applicants so it was decided to re-establish the Task Force with 13 members.

**MOTION:** Councilor Ripma moved to adopt the resolution. Councilor Thompson seconded the motion.

**YEAS: 6  
NAYS: 0  
ABSTAINED: 0**

5. **APPOINTMENTS:**  
Downtown Task Force  
Budget Committee  
Planning Commission  
Citizen Advisory Committee  
Parks Advisory Committee

Mayor Thalhofers called this item and stated with the consent of the council he would like to

appoint Don Curtis, Mark Jensen, Ali Peret, Tom Miller, Greg Handy, Marge Schmunk, Gena Williams, Sam Cox, Troy Jenkins, Michael Martin, Collen Fuentez and Jeff Arnold be appointed to the Downtown Task Force as recommended by the selection committee.

**MOTION:** Councilor Thompson moved to accept the appointments. Councilor Kight seconded the motion.

**YEAS: 6**  
**NAYS: 0**

Gorshe to the Citizens Advisory Committee as recommended by the selection committee.

**MOTION:** Councilor Ripma moved to accept the appointments. Councilor Thompson seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**6. PUBLIC COMMENT**

Mayor Thalhoffer called this item.

There was no public comment.

**7. ORDINANCE INTRODUCED 1/24/95: An Ordinance Changing the Name of S.W. Hewitt Avenue Which Runs in an East West Direction, S.W. 12th Street.**

Mayor Thalhoffer called this item, recessed the council meeting and opened the public hearing at 7:24 p.m.

Barker stated at the last meeting in January you held a public hearing on this issue, at that time you asked that staff write to the effected parties, we have done that. Because the street has a North South direction and then makes a direct turn in an East West direction we are running into a address grid problems, duplicate numbers in the same grid which make it very difficult to dispatch emergency vehicles. Staff recommendation is to change all of Hewitt Ave. from the intersection to Hensly Rd and make it 12th Street. Four existing homes would be required to change their address.

Chief Driscoll, Gresham Fire Dept., Stated that it is strictly a safety issue with the Fire Dept. and for the people. It is confusing the way it is now. We recommend it be changed, option 1, change the whole street.

Chief Berrest stated that the Police shared the opinion of the Fire Dept., it is dangerous for the public and the officers.

Greg Lyslo, 1238 SW Hewitt, read a letter opposing the change, from all of the effected homeowners. If something has to be done then they would favor option 2, changing the name of the street in the middle of the block.

Councilor Ripma stated that last week the Fire Dept. said they had contacted the homeowners, and they were not opposed then.

Lyslo stated that after thinking about it we have changed our minds.

Councilor Ripma asked do you understand that the police and fire depts. recommend these changes for safety reasons?

Lyslo stated that he did understand, if this street was hard to access or if it had a number of entrances I could see where it may be confusing to someone from outside of Troutdale, but as it stands now there is only one access to this street, with the new subdivision there will be two, but it is a very small street, maybe one or two blocks, I don't see where the confusion would be. We would support the second option, change the name of the street in the middle of the block.

Councilor Kight asked if the opposition is because of the cost?

Lyslo stated it is the cost and the inconvenience and we do not feel there is a safety issue.

Councilor Kight stated that many times there are other emergency vehicles in Troutdale that are not familiar with the area.

Lyslo stated he understood that, but there is only one way into the neighborhood and it is easy to find. We have established our address, I receive numerous communications through the mail because I am a technician and they come from all over, it would be a significant inconvenience to me.

Councilor Kight stated that change would be like moving to a new home.

Lyslo stated that is true but it would be of our own choice.

Councilor Thompson asked is it worth it to go to the inconvenience to get the extra safety factor, and how many emergency calls have you had on your street?

Lyslo stated there has been no fire emergencies but their may have been a few calls to the police, their have been no medical emergencies in the twelve years.

Councilor Thompson stated that if it were my home I would do what ever would increase the safety factor.

Lyslo stated if it were a significant safety issue then I would want that too.

Councilor Thompson stated that what ever is done it will out last all of us here tonight and we need to do what is right.

The council discussed concerns regarding streets changing names in the middle of the street, and starting somewhere else in the city, and the confusion it causes.

Steve Federson 1230 S.W. Hewitt, stated I did original agree to this until I looked into it. I am in the navel reserves and I have contacts coming in from all over the United States, so it would be extremely hard and expensive for me to make this change.

The council discussed this issue and the safety factor involved.

Mayor Thalhofer closed the public hearing and reconvened the council meeting at 8:10 p.m.

Councilor Ripma stated, we should listen to the homeowners on this.

**MOTION: Councilor Ripma moved to adopt the ordinance using option #2.**

**MOTION DIED FOR LACK OF SECOND**

**MOTION: Councilor Thompson moved to adopt the ordinance using option #1.  
Councilor Lloyd seconded the motion.**

Councilor Thompson stated, I sympathize with the homeowners and it is impressing that they are all opposed to the change, yet at the same time we hear from the two safety officers in this jurisdiction that say it should be changed and we have to look to the future.

Councilor Lloyd stated this is a tough decision but you have to look at the long term view of the decision that is being made. The people in that own those homes will change, these people say they are willing to take the safety risk, but what about the next owner, or the people moving into the new development, or our own police and fire personnel.

Councilor Ripma stated if we start in now changing the street names and numbers over the opposition of all of the homeowners effected than we had better be ready to have a room full of angry people, there are only four this time but what about next. We should listen to them. I realize the safety issues but I am more impressed with the opposition of the homeowners.

Councilor Lloyd stated that this is the opportune time to fix a problem, like undergrounding utilities, we are not going out and doing the whole town but we will address them as they come up.

Councilor Kight stated this is a safety issue, we have to look at the long term and bring

it into compliance with the grid system.

Mayor Thalhofer addressed the safety issue and the possibility of other agencies responding that are not familiar with the area.

YEAS: 5  
NAYS: 1 (Ripma)  
ABSTAINED: 0

Mayor Thalhofer called a for a ten minute break at 8:34 p.m. and reconvened the meeting at 8:44 p.m.

8. PUBLIC HEARING/ORDINANCE INTRODUCTION: An Ordinance Vacating a Portion of a Plat Designated for Future Right of Way Within Raspberry Lane Subdivision Located Within Section 35, T1N, R3E, WM.

Mayor Thalhofer called this item, recessed the council meeting and opened the public hearing at 8:45 p.m.

Barker stated this is a request by the city to vacate a tract of land that was held in public trust by the city since the mid 70's. It is a 40 x 1000 ft. strip that was part of the subdivision dedicated for future extension of NE Glisan St. Since that time the High School has been built, Cherry Park Road has been reconfigured and there will be no extension to Glisan. In the past 15 yrs. the city has maintained the land in conjunction with the adjoining homeowners. Some of the homeowners have requested to use the land for gardens, lawns and to fence. Last year Mrs. Fornoff came to you and asked that you initiate this process. We have taken this to the Planning Commission which held a public hearing and they recommend to you that you vacate the land to the adjoining homeowners. Each lot will increase by about 3,200. sq. ft., there are 15 lots. The property owners were notified by mail and it was noticed in the paper and we posted the property, there are letters from some of the homeowners in your packet, basically everybody is in favor of vacating the property, there was one request to grade and seed the property before we give the property to them.

Councilor Kight asked for clarification on the grading and seeding request?

Barker stated that there is a pile of dirt on the property that was placed there by a previous tenant. It is nothing that the city is involved in.

Councilor Kight asked are they getting this property for free?

Barker stated that is correct.

Councilor Ripma stated as I recall some of the people that were here last fall wanted only half of the property, 20 feet, what became of that?

Barker stated Mrs. Fornoff does have her property fenced at the property line, original she wanted to fence the next 20 feet, she thought that 40 was more than she needed, but if it is 40 or nothing then she will take the 40. The state law is very specific in this matter we have to give the land back to where it came from, if the homeowners want to give the school 20 ft they will need to do that. If we only give them 20 ft. then we will still have a 20 ft. strip to maintain.

Mayor Thalhoffer closed the public hearing and reconvened the council meeting at 8:53 p.m.

Christian stated that this is the introduction of the ordinance and it will be brought back to the next meeting for action.

9. PUBLIC HEARING/RESOLUTION: A Resolution Authorizing the City to Apply for Community Development Block Grant Funds.

Mayor Thalhoffer called this item, recessed the council meeting, and opened the public hearing at 8:56 p.m.

Galloway stated this resolution is to authorize the city to apply for CDBG Funds. We go through Multnomah County for these grants. We are involved in the neighborhood revitalization program, which is intended to take care of facilities and utilities in low and moderate income housing areas. Troutdale now has only one area that qualifies and that is the area North of I-84 so our continued involvement is diminishing somewhat. There is a presumed benefit for low and moderate income folks for projects that provide for accessibility and mobility for handicapped persons and it is under that particular provision that we are applying for a grant this year. The project would go back and retrofit sidewalks that do not have the wheel chair access ramps at the intersections on the sidewalks. We have identified 47 locations in the city where we need to do that. We estimate the cost of that project to be \$46,000. and we are recommending that we apply for 75% of that to come from CDBG monies and the rest to come from the city's street fund.

Councilor Ripma asked about the letter in the packet from the Edgefield Childrens Center?

Galloway stated they are also applying for a grant and they would like to make a presentation tonight to meet the requirements of a public hearing. Their project does not compete with ours and he would like you to be aware of what is going on at the center.

Mayor Thalhofler stated that it would be better if that presentation was separate from our action on this agenda item.

Mayor Thalhofler closed the public hearing and reconvened the council meeting at 9:03 p.m.

**MOTION:** Councilor Ripma moved to adopt the resolution. Councilor Kight seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

David Fuks, Director of the Edgefield Childrens Center, updated the council on the changes taking place at the center.

10. PUBLIC HEARING/RESOLUTIONS:
- 10.1 RESOLUTION: A Resolution Adjusting the Water System Development Charge, Revising the Water Capital Improvement Plan, Amending Resolution No. 940, and Rescinding Resolution No. 1087
  - 10.2 RESOLUTION: A Resolution Adjusting the Sanitary Sewer System Development Charge, Revising the Sanitary Sewer Capital Improvement Plan, Amending Resolution No. 941, and Rescinding Resolution No. 1086.
  - 10.3 RESOLUTION: A Resolution Adjusting the Transportation System Development Charge, Revising the Transportation Capital Improvement Plan and Amending Resolution No. 1141.
  - 10.4 RESOLUTION: A Resolution Adjusting the Storm Water System Development Charge, Revising the Storm Water Capital Improvement Plan, Amending Resolution No. 943, and Rescinding Resolution No. 1084.

Mayor Thalhofler called this item, recessed the council meeting and opened the public hearing at 9:30 p.m.

Galloway stated this is one public hearing to cover the four resolutions. The public works dept. is responsible for administering four of the SDC's that we have in the city, water, sanitary sewer, storm water and transportation. As outlined in the TMC we are making adjustments because of the increase Construction Cost Index, an inflation factor, and a Requirement of a Capital Improvement Plan which includes a project description, estimated costs, estimated time of execution, this will be used as a basis for which the expenditure from the SDC's occur. We have taken a broad look at three of those four charges. Staff and consultants have looked at the SDC's and possible uses and those recommendations are before you. The net of increases and decreases would raise the cost of a single family home

\$90.

Councilor Kight asked for clarification on the local transportation SDC, is it because you amortize the cost over a 20 year period is that how you are able to reduce it from \$581.00 down to \$351.00?

Galloway stated that and the reduction of the cost of the Hensly project.

Councilor Lloyd voiced concerns regarding reducing some of the fees, will we be missing out on collecting some of the money?

Galloway explained that there is only so much development of the systems that we can do with this money, we are trying to spread it out so that all of the development pays for it.

Councilor Ripma voiced concerns regarding the reduction in the city's Transportation SDC's, because Gresham is already proposing changes in the regional fee that would allow certain areas of the city to get reduced SDC's. Could we wait on the Transportation SDC or do we have to make this change.

Galloway stated that as far as he knew we could, the only action that should take place at some point is that if you decide that you would like to execute the city's portion of the Sturgess Dr. improvements at the same time the developer does his portion of the improvements we will need to show that a legitimate project on the capital improvement plan, but that could be done separately.

Councilor Lloyd stated our SDC's are very comparable the way they are and we should be careful backing off on these.

Councilor Kight agreed.

Mayor Thalhoffer stated he would like to have these charges in the form of SDC's rather than charge the rate payers.

Council discussed the resolutions.

Mayor Thalhoffer closed the public hearing and reconvened the council meeting at 10:08 p.m.

**MOTION:** Councilor Ripma moved to adopt resolution 10.1. Councilor Lloyd seconded the motion.

**YEAS: 6**

**NAYS: 0**

**ABSTAINED: 0**

**MOTION:** Councilor Ripma moved to send resolution 10.2 back to staff to rewrite it to reflect that the proposed capital improvements are all funded with SDC's. Councilor Kight seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**MOTION:** Councilor Ripma moved to table resolution 10.3 until the first meeting in May 1995. Councilor Lloyd seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**MOTION:** Councilor Lloyd moved to adopt resolution 10.4. Councilor Thompson seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**11. RESOLUTION: A Resolution Providing for budget Transfers and Making Appropriation Changes for Fiscal Year 94-95.**

Mayor Thalsofer called this item.

Gazewood stated this resolution is to make budget transfers, which are outlined in the packet, all of the projects have previously approved by the council.

**MOTION:** Councilor Lloyd moved to adopt the resolution. Councilor Thompson seconded the motion.

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**12. RESOLUTION: A Resolution Supporting the Amtrak and State Inter-City Rail Program.**

Mayor Thalhoffer called this item and stated the Cascadia group has asked me to support them to oppose the reduction in Amtrak funding. I have always been a big supporter of Amtrak, more and more people are riding the train and we need to keep them strong. Cascadia also is heading a project to have a high speed rail from Canada to Eugene. That is why this resolution is before you tonight.

Mayor Thalhoffer read the resolution.

**MOTION:** Councilor Thompson moved to adopt the resolution. Councilor Kight seconded the motion.

Councilor Ripma asked who is Cascadia, it seems like a Washington State thing?

Councilor Lloyd stated it is more like a task force, it is organized by Oregon, Washington and our Federal Legislators, its main purpose it promote high speed rail from Vancouver B.C. to Eugene, Oregon, they envision all kinds of economic development that comes from this. This resolution seems to be slanted towards Washington and is very broad but our own people have been very involved in it.

Councilor Ripma voiced concerns over portions of the resolution that we have no facts to support.

Council discussed the resolution.

**MOTION:** Councilor Ripma moved to amend the motion so that the second to last Whereas is deleted. Councilor Kight seconded the motion.

**YEAS: 4**  
**NAYS: 2 (Lloyd, Thalhoffer)**  
**ABSTAINED: 0**

**MOTION AS AMENDED:**

**YEAS: 6**  
**NAYS: 0**  
**ABSTAINED: 0**

**13 DISCUSSION: Concessionaire Contract for Columbia Park.**

Mayor Thalhoffer called this item and asked that it be held over until the first meeting in March.

14. DEPARTMENT REPORTS:

Mayor Thalhoffer called this item.

Gazewood drew attention to page 2, item 3 of his report relating to Hotel/Motel Tax.

Berrest stated he had nothing to add.

Faith pointed out to the council the Parks and Recreation Survey that is an addendum to his report.

Galloway stated he had nothing to add.

Councilor Ripma stated that the letter to the county, regarding Stark St. was excellent.

Councilor Kight commended the public works dept. on keeping the streets clear during the snow storm.

Christian stated she had nothing to add.

15. COUNCIL CONCERNS AND INITIATIVES:

Mayor Thalhoffer called this item.

Councilor Lloyd stated he had nothing.

Councilor Kight stated he had nothing.

Mayor Thalhoffer agreed that the city did a great job on keeping the streets clear, the county did not do a very good job this time.

Councilor Thompson asked that as suggested by the city attorney public input relating to the City Administrators job be on the next agenda.

Mayor Thalhoffer stated it would be.

Councilor Ripma reminded everyone of the dedication of a Blue Star Memorial Highway Marker at the depot on the 18th at 2:00 p.m.

Councilor Smith stated she had nothing.

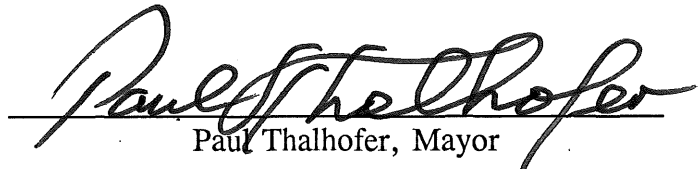

16. ADJOURNMENT

Mayor Thalhofer called this item.

**MOTION:** Councilor Thompson moved to adjourn. Councilor Ripma seconded the motion.

YEAS: 6  
NAYS: 0  
ABSTAINED: 0

Mayor Thalhofer adjourned the meeting at 10:35 P.M.

  
Paul Thalhofer, Mayor
