#### DISPLAYS AND EXHIBITS POLICY

#### **Purpose:**

The purpose of displays and exhibits in the library is to fulfill the library's mission of promoting the educational, informational, and cultural enrichment of the community, and to increase public awareness of the library's resources.

#### Use of display case:

The library's display case is for library, not public, use. Preparation of exhibits using the library's display case shall be the responsibility of the library staff and shall further one or more of these purposes:

- a. To promote a theme related to library services, collections, or programs.
- b. To bring together library materials which relate to a theme of current interest.
- c. To explain the activities of a civic, nonprofit, government, school, social or other group engaged in community events or activities, and not for the purpose of commercial gain.
- d. To display collections or hobbies of local residents as these relate to a.

#### **Exhibits in main library reading room:**

Groups requesting exhibit space in the main library reading room should make their request to the Library Director on a form provided by the library. Specifications regarding the name and contact information for the organization, nature of the exhibit, space requirements, and requested length of time for the exhibit should be provided.

The Library Director shall determine the length of time for display of the exhibit and the applicability of any other regulations for display of the exhibit. The Director shall have the discretion to refer any request for an exhibit to the Library Board for its approval.

Exhibit space is provided to the public on an equitable basis, regardless of the beliefs or affiliations of the individuals or groups requesting its use. Allowing a display to be exhibited does not constitute an endorsement of its contents or points of view by the library. Those who object or disagree with the content of any exhibit are entitled to submit a request to display their own exhibit, which will be judged according to the policies established by the library.

The library does not accept commercial exhibits unless they have a special educational, informational, or cultural value to the community. The library does not accept any materials being offered for sale to the public unless the proceeds are intended to directly benefit the library. No non-library affiliated organization shall be permitted to place any box or receptacle in the library which solicits donations.

#### **Review:**

The library has the right to review materials before any exhibit is set up. The library will not accept exhibits which are judged either illegal or inappropriate for a public library setting (i.e., one that is free and open to persons of all ages). The decision of the Library Director may be appealed to the Library Board.

The sponsoring group is responsible for creating the exhibit, and for setting up and removing it according to schedule. The name and contact information for the group or individual preparing the exhibit must be a part of the exhibit.

#### Responsibility for loss or damage:

Insurance covering the value of items displayed or exhibited will be the responsibility of the displayer. The library accepts no responsibility for the preservation or protection of items displayed or exhibited, or for damage or theft of any item displayed or exhibited. All items placed on display are done so at the owner's risk. The displayer will be responsible for any damage to library property.

#### **Bulletin board and pamphlet case:**

No poster, brochure, or other item shall be displayed or placed in the library for distribution without permission from the Library Director or staff designee. Staff monitors the bulletin board on a weekly basis and publications are routinely pulled when they are out of date, inappropriate to the mission of the library, or when there is not enough space for adequate display.

#### **Political information:**

Informational materials advocating a position on political issues such as support for a candidate for public office or advocating an affirmative or negative vote on any proposition may only be displayed in the pamphlet case due to space limitations.

#### **Cancellation of display or exhibit:**

The library reserves the right to cancel any display or exhibit should any condition or situation, such as a unique exhibit opportunity or unforeseen need, warrant such action.

### Wasco County Library Service District Board Meeting September 15, 2015

Location: Dufur School/Community Library

Board Members present: Rita Rathkey, Carolyn Wood, Carol Jones, Margaret

Brewer

Staff present: Valerie Stephenson, Jeff Wavrunek, Sarah Tierney

Meeting was called to order at 4:00 by Rita Rathkey

Carolyn Wood moved to approve the minutes of the previous meeting, Margaret Brewer seconded, and they were approved

Recognition of visitors: there were none

Additions to agenda – None

Shared concerns – It was reported that the City Manager, Nolan Young was terminated last night at the City Council meeting. Carolyn Wood reported on what happened during that meeting, and said that we need to keep an eye on what this means to the library.

Library Director's Report: Jeff gave an update on the addition. The entry to the new area will not involve removing a row of shelving, as it turns out that is part of the support of the upper level. The Library Foundation wants to go before the City Council on October 12<sup>th</sup> and ask them to accept Griffin's bid. Good news on the drainage, what we have now will support the new addition. As far as the sewer line, Griffin came up with a work-around. The Foundation still needs to raise \$50,000; some money will come from the library budget.

Last week was the Friends of the Library annual meeting. Library staff did a presentation on programming at the library. Megan Hoak, the Tween/Teen Librarian had put together a power point presentation covering all the summer events. Jeff talked about the new Youth Services Librarian; as well as an update on the addition. Rita Squires talked about all the adult programming going on. It was a well-received presentation, although some issues with our website popped up and these are being worked on.

Jeff said he got permission from Barbara Murphy to use some of her landscape paintings of the Wasco County Gorge area on the website. The plan is to rotate through a selection of photos and paintings such as these periodically.

Jeff also reported on the new Youth Services Librarian, Dana Campbell, who will be starting on October 15<sup>th</sup>. She will be in charge of the birth through fifth grade services. Dana comes very highly recommended, and has about 20 years of experience.

Dufur: Sarah reported that school started on August 31<sup>st</sup>; and she has kindergarten through 9<sup>th</sup> grade in at least once a week. She is going before the Dufur City Council to ask them to change the library's summer hours for next year. Currently during the summer the library is open Tuesdays and Thursdays, 10-12, 1-3, and 6-8. She would like to have that changed to 10-2.

Maupin: Valerie reported that Rhys Thomas will be performing at the Maupin School on Thursday night for Family Night. Valerie will be helping Mary Beechler out that night. Fundraising is going well; they have raised about \$80,000 so far.

Old Business: Three policies have been reviewed – Public Meeting Room policy, Internet policy, and Proctoring policy. As there were no changes made to the **Proctoring** policy, Carolyn Wood moved to approve them, Carol Jones seconded. **Internet** policy – there was some minor wording changes, and the cost of printing went from 5 cents to 10 cents. Carolyn Wood moved to accept the new policy, seconded by Margaret Brewer. **Meeting Room** policy – changed wording, requiring the library to give two weeks' notice if they are going to cancel a group's scheduled room use. There was also some wording updated regarding equipment available for use in the room. Motion to approve was made by Margaret Brewer, seconded by Carolyn Wood.

New Business: Up for review is the **Materials Retention** policy. The policy currently says that 1/3 of the collection will be reviewed per year; Jeff would like to change that to say that the full collection will be reviewed on a yearly basis. The assistant director, Amy Schoppert, is in the process of reviewing the entire collection now. Once this is done, future review will not be as time consuming. A yearly review, done by the person responsible for that collection will be possible. Carolyn asked what happens to the books to be discarded. Jeff explained what happens to them, how they are given to the Friends for possible sale (checking Library Consignment to see if there is any value, if so, shipping them to LC, or

holding them for the book sales); donated to NorCor for their classroom use; or donated to other organizations for their use.

Also up for review is the **Behavior** policy. This was tabled until the next meeting, after everyone has had a chance to read. Jeff said that #11, regarding Food and Drink, has been eliminated, and he wants to simplify the wording of #15.

Financial Review: Not everyone saw the financial report, as it was in the first email, not the second. 17% of the year is now gone. A portion of the The Dalles-Wasco budget is going to be used for furniture in the new addition. The actual amount is not yet known, Jeff is waiting until Dana is here to get her input. There was also a discussion regarding programming, we don't want to duplicate what others in the community are already doing. Carolyn Wood moved to accept the Financial Review, Margaret Brewer seconded.

Updates: Carolyn Wood asked Valerie if she had any information on the fundraising bricks. She doesn't yet, but will soon have a flyer with more information. The bricks cost \$100, and Valerie has already sold the first one.

The community read, One Community, One Book, is happening now. The adult book discussion will take place Thursday evening at the library (there may be a repeat before the end of the month, if there is a demand). Saturday, October 3<sup>rd</sup> will be the Family Fun Day, with all sorts of exciting things happening in the upper parking lot including a bounce house and climbing wall.

The next meeting was scheduled for Tuesday, October 20 at 4 p.m. in Maupin.

Meeting was adjourned at 5:17
