INDEPENDENT AUDITOR'S REPORT

City of The Dalles City Council and Columbia Gorge Regional Airport Board Columbia Gorge Regional Airport The Dalles, Oregon

Report on the Financial Statements

We have audited the accompanying financial statements of the Columbia Gorge Regional Airport, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise Columbia Gorge Regional Airport's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Columbia Gorge Regional Airport's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Columbia Gorge Regional Airport, as of June 30, 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the required supplementary information, such as management's discussion and analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the management's discussion and analysis, in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Columbia Gorge Regional Airport's basic financial statements. The officials of the airport and supplementary information are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information, as listed in the table of contents, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The officials of the airport has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Reports on Other Legal and Regulatory Requirements

Other Reporting Required by Oregon Minimum Standards

In accordance with Minimum Standards for Audits of Oregon Municipal Corporations, we have also issued our report dated December 29, 2017, on our consideration of Columbia Gorge Regional Airport's compliance with certain provisions of laws and regulations, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules. The purpose of that report is to describe the scope of our testing of compliance and the results of that testing and not to provide an opinion on compliance.

For Merina & Company, LLP

West Linn, Oregon December 29, 2017

MANAGEMENT'S DISCUSSION AND ANALYSIS

MANAGEMENT'S DISCUSSION AND ANALYSIS

This discussion is intended to be an easily readable analysis of the Columbia Gorge Regional Airport (the Airport) financial activities based on currently known facts, decisions and conditions. It focuses on current year activities and should be read in conjunction with the financial statements that follow.

REPORT CONTENTS

The report consists of enterprise fund financial statements, notes to the financial statements and individual fund schedules. The enterprise fund financial statements include the Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position and the Statement of Cash Flows.

STATEMENT OF NET POSITION

The Statement of Net Position focuses on the unrestricted net position of the Airport's proprietary activities. The Statement reflects all assets and liabilities for the Agency.

STATEMENT OF ACTIVITIES

The Statement of Revenues, Expenses and Changes in Net Position focuses on the revenues and program costs of providing airport services to the region.

STATEMENT OF CASH FLOW

The Statement of Cash Flows presents information on the transactions resulting in cash being provided or used. The statement presents this information for Operating Activities and Capital and Related Financing Activities.

ENTERPRISE FUND FINANCIAL STATEMENTS

Summary Statements of Net Position at June 30, 2017 and 2016 are as follows:

	2017	2016
Assets		
Current and other assets	\$ 2,011,343	\$ 1,775,090
Capital assets, net of depreciation	13,814,518	12,070,002
Total assets	15,825,861	13,845,092
Liabilities		
Long-term liabilities	2,485,816	2,615,912
Other liabilities	719,627	168,787
Total liabilities	3,205,443	2,784,699
Net position		
Net investment in Capital Assets	11,202,818	9,315,771
Restricted	32,764	88,868
Unrestricted (deficit)	1,384,836	1,655,754
Total net position	\$ 12,620,418	\$ 11,060,393

The net position of the Airport is primarily invested in capital assets, net of related debt. New construction is primarily related to Taxiway improvements.

A summarized version of the Statement of Revenues, Expenses and Changes in Net Position for the years ended June 30, 2017 and 2016 are as follows:

	2017	2016	
Revenues			
Operating revenues	\$ 2,052,273	\$	517,531
Capital grants and contributions	16,646		14,089
Other	14,584		15,073
Total revenues	2,083,503		546,693
Expenses			
Operating expenses	439,170		478,146
Other	84,308		99,584
Interest on long-term debt			
Total expenses	523,478		577,730
Increase in net position	1,560,025		(31,037)
Net position - beginning	11,060,393		11,091,430
Net position - ending	\$ 12,620,418	\$	11,060,393

Net position increased during the year by \$1,560,025 primarily due to the FFA Grant that we received for the Taxi Way Project.

BUDGETARY HIGHLIGHTS

The original legal appropriations for the Airport General Fund totaled \$4,621,288 with a contingency of \$384,242. During the year an additional \$60,000 from the City and \$166,786 from Klickitat County, giving a total of \$226,786 in additional revenue was given for additional funds for the Flex Building project. Expenditures were \$2,437,602 under budget.

The original legal appropriations for the Airport Debt Service Fund totaled \$238,657. No changes to the original budget were made to this fund. Expenditures were \$27,509 under budget.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of June 30, 2017, the Airport had investment in capital assets, net of accumulated depreciation, \$13,814,518, consisting primarily of land improvements, such as runways and hangers. Construction in Progress in the amount of \$4,711,585 includes, Taxiway Rehab Project, Flex Hanger Project, and other Airport improvements.

Debt Outstanding

As of June 30, 2017, the Airport has long-term debt outstanding totaling of \$2,611,700. Details of the bond and loans that comprise this debt load can be found the Notes, Section III, items D and E.

ECONOMIC FACTORS

The Columbia Gorge Regional Airport will continue to be an important partner in economic development within the City of The Dalles and Klickitat County, providing a necessary gateway to air transportation for the Columbia Gorge Region. As the Airport expands their facilities, and develops of their business park, the economic viability of the region will increase. In addition, the airport houses Life Flight services, providing emergency medical services to the region.

FINANCIAL CONTACT

Beginning in fiscal year 2017, the City of The Dalles determined the Columbia Gorge Regional Airport should be treated as a joint venture, creating a separate financial statement for the Airport, separate from the City's.

The Airport's financial statements are designed to present citizens, taxpayers, investors, and creditors with a general overview of the Airport's finances and to demonstrate the Airport's accountability. If you have questions about the report or need additional financial information, please contact the Airport's Finance Director at 313 Court Street, The Dalles, Oregon 97058.

COLUMBIA GORGE REGIONAL AIRPORT NOTES TO THE BASIC FINANCIAL STATEMENTS

For Fiscal Year Ended June 30, 2017

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Fund Structure

In June 1999, the City of The Dalles and Klickitat County entered into an Intergovernmental agreement establishing a Regional Management Authority for the Columbia Gorge Regional Airport (the Airport), which had previously been owned and operated by the City of The Dalles. The Airport Board consists of seven members; three positions appointed by the City, three positions appointed by the County, and one position appointed by the collective board members. In 2002, the City of The Dalles and Klickitat County entered into a joint operating agreement, establishing that the City and the County would each have a one-half undivided interest in the Columbia Gorge Regional Airport and that future costs and benefits would be split accordingly. The City of The Dalles remains fiscally responsible for the outstanding debt of the Columbia Gorge Regional Airport and the Columbia Gorge Regional Airport remains fiscally dependent on the grant revenues flowing through the City of The Dalles.

The accompanying financial statements present all funds for which the Airport is considered to be financially accountable. The criteria used in making this determination includes appointment of a voting majority, imposition of will, financial benefit or burden on the primary government, and fiscal dependency on the primary government. Based upon the evaluation of these criteria, the Airport is a primary government with no includable component units.

B. Measurement Focus, Basis of Accounting and Basis of Presentation

The Airport is accounted for as a business-type activity for financial reporting purposes and its basic financial statements are prepared on the accrual basis of accounting. Under this method, revenues were recorded when earned and expenses are recorded at the time liabilities are incurred.

The Airport distinguishes operating revenues and expenses from non-operation items. Operating revenues generally result from providing services relating to ongoing operations. Operating expenses include the cost of services relating to ongoing operations and administrative expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenue and expense.

When both restricted and unrestricted resources are available, it is the Airport's policy to use restricted resources first, then, unrestricted resources, as they are needed.

For financial reporting purposes, management considers the activities relating to the operation of the Airport as those of a unitary nature and those activities are reported as such. For operating and budgetary purposes, the accounts of the Airport are organized on the basis of funds, each of which is considered a separate accounting entity.

The funds of the Airport are as follows:

Fund Type - Enterprise	Principal Revenue Source	Primary Expenditure Purpose
General	Grants and Service Fees	General operating expenses
Debt Service	Interest and Property Rental Fees	Loan Payments

C. Cash and Cash Equivalents

The Airport's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

D. Customer Accounts Receivables

Customer accounts receivable are stated at the amount management expects to collect on balances outstanding at year-end. Management has determined that an allowance for doubtful accounts of \$2,500 is needed as of June 30, 2017 which represents the portion of receivables not expected to be collected.

E. Capital Assets

Capital assets are defined by the Airport as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Maintenance and repairs are expensed as incurred. Replacements that improve or extend the lives of property are capitalized. Depreciation is computed on the straight-line method over the estimated useful lives of the related assets. Upon disposal of such assets, the accounts are relieved of the related costs and accumulated depreciation, and resulting gains or losses are reflected in income. The estimated useful lives of capital assets are as follows:

Land Improvements50 yearsBuildings50 yearsEquipment5-20 years

It is the Airport's policy to record no depreciation on capital assets in the year of acquisition and a full year of depreciation in the year of disposition.

F. Long-Term Obligations

Long-term debt obligations are reported as liabilities in the applicable business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the lives of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

G. Net Position

Net position comprises the various net earnings from operating and non-operating revenues, expenses, and contributions of capital. Net position is classified in the following three components: net investment in capital assets; restricted net position; and unrestricted net position.

Net investment in capital assets consists of all capital assets, net of accumulated depreciation, and reduced by outstanding debt that is attributable to the acquisition, construction and improvement of those assets. Restricted net position consists of net earnings for which constraints are placed thereon by external parties, such as lenders, grantors, contributors, laws, regulations, or enabling legislation, including self-imposed mandates. Unrestricted net position consists of all other net earnings not included in the above categories.

H. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgetary Information

Annual budgets are adopted as part of the City of The Dalles on a basis consistent with accounting principles generally accepted in the United States of America (GAAP) for all funds, except for the proprietary funds. The annual budget for proprietary funds is adopted on the modified accrual basis of accounting, which is not consistent with GAAP, in order to comply with Oregon Local Budget Law.

B. Deficit Fund Balances

At June 30, 2017, no funds had a deficit fund balance.

III.DETAILED NOTES

A. Deposits and Investments

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the Airport's deposits may not be returned. The Airport does not have a deposit policy for custodial credit risk. The Federal Depository Insurance Corporation (FDIC) provides insurance for the Airport's deposits up to \$250,000 for the combined total of all deposit accounts at each financial institution. The remaining deposits are covered by the Public Funds Collateralization program (PFCP) of the State of Oregon in accordance with ORS 295. Depositories qualified under this program are required to pledge collateral against any public funds deposits in excess of deposit insurance amounts. This provides additional protection for public funds in the event of a bank failure or loss. ORS 295 sets the specific value of the collateral, as well as the types of collateral that are acceptable. ORS 295 creates a shared liability structure for participating depositories, better protecting public funds though still not guaranteeing that all funds are 100% protected. As of June 30, 2017, the book value of the Airport's deposits was \$668,885 and the bank balance was \$654,611. \$607,111 of the Airport's bank balances were exposed to custodial credit risk as they were collateralized under PFCP.

B. Receivables

Receivables represent amounts due to the Airport at June 30, 2017 from service charges.

C. Capital Assets

Capital assets activity for the year ended June 30, 2017 was as follows:

	Beginning Balance	Additions	Deletions	Transfers	Ending Balance
Capital Assets, non-depreciable:					
Land	\$ 1,498,200	\$ -	\$ -	\$ -	\$ 1,498,200
Construction in progress	2,754,726	1,956,859			4,711,585
Total capital assets, non-depreciable	4,252,926	1,956,859			6,209,785
Capital assets, depreciable:					
Land improvements	10,389,187	-	-	-	10,389,187
Buildings	1,634,429	-	-	-	1,634,429
Equipment	92,098				92,098
Total capital assets, depreciable	12,115,714	-			12,115,714
Less accumulated depreciation for:					
Land improvements	(4,023,076)	(174,168)	-	-	(4,197,244)
Buildings	(231,253)	(32,782)	-	-	(264,035)
Equipment	(44,309)	(5,393)			(49,702)
Total accumulated depreciation	(4,298,638)	(212,343)			(4,510,981)
Net depreciable capital assets	7,817,076	(212,343)			7,604,733
Net capital assets	\$ 12,070,002	\$ 1,744,516	\$ -	\$ -	\$ 13,814,518

D. Long-Term Obligations

1. Full Faith and Credit Obligation Bond

The City issued full faith and credit obligation bonds for the Airport in February 2015 in the amount of \$2,017,682, with interest ranging from 2.0% to 4.55%. The funds were to be used for the purchase of Hanger D, the construction of Hanger F, and the design and construction of a new Flex Hanger. Payments will be repaid from Airport rental income. Principal payments will be made annually, while interest payments will be made semiannually, with the final payments due June 1, 2035. The bonds are direct obligations and pledge the full faith and credit of the City of The Dalles.

2015 Full Faith and Credit Taxable Airport Bonds

]	Principal	I	nterest
2018	\$	75,000	\$	76,925
2019		75,000		75,425
2020		80,000		73,550
2021		80,000		71,550
2022		85,000		69,150
2023-2027		475,000		292,500
2028-2032		585,000		176,400
2033-2037		420,000		38,250
Total	\$	1,875,000	\$	873,750

2. Loans Payable

The Airport, through the City of The Dalles, has a loan from the Port of The Dalles for rehabilitation of a well at the Columbia Gorge Regional Airport. The loan proceeds were received in two separate disbursements. The first portion, received during the 2008 fiscal year, is payable annually with installments of at least \$15,150, including interest at 4%. The final payment was made during fiscal year ending June 30, 2017. The second portion, received during the fiscal year ended June 30, 2009, is payable first from connection fees for each customer connecting to the well water system and 10% of the applicable lease payment of each lease payment made by each third-party tenant of property at the airport that is benefitted by the project. Repayment on the second portion of the loan does not begin until the first customer connects to the well water system at the airport and begins making payments under their lease agreement. If the second portion of the loan is not repaid by July 1, 2017, the balance of the unpaid principal shall convert to an interest-bearing loan, with interest to accrue at the rate of 4% per annum. The Airport will be obligated to pay a minimum annual payment of not less than \$15,150 on July 1 each year thereafter, until the loan is paid in full. The loan is unsecured.

The Airport, through the City of The Dalles, received a \$250,000 loan from Klickitat County, Washington in November 2012, for construction of new maintenance hangar at the Airport. The loan term is for ten years, with annual principal payments of \$25,000 to be paid by August 13 of each year. Klickitat County will calculate interest to be paid and notify the Airport at least 14 days prior to the due date each year. The interest will be calculated on the average rate of the Local Government Investment Pool (LGIP) over the period since the last payment, plus .05% as an administration fee.

The Airport, through the City of The Dalles, agreed to make payments for the CERB Loan received by Klickitat County in the amount of \$500,000 to make improvements to the Airport Industrial Park. While Klickitat County received the funds and administered the project, the Airport booked the loan proceeds, assumed the debt and capitalized the portion of the project funded by the loan. Payments will be funded by Airport rent revenues. The final payment will be due in 2023.

Future maturities of the loans payable are as follows:

	Aiı	port Port Lo	oan		Airport Klickitat Loan					Airpo	rt/ŀ	Alickitat C	ERI	3 Lo	an

E. Change in Long-Term Obligation

Long-term obligation activity for the year ended June 30, 2017, is as follows:

	June 30, 2016					Jui	ne 30, 2017	Du	e Within		
	Balance		Additions		Reductions			Balance	One Year		
Full Faith and Credit Bonds	\$	1,950,000	\$	-	\$	75,000	\$	1,875,000	\$	75,000	
Premium on Debt		16,798		-		886		15,912		884	
Loans		787,434				66,646		720,788		50,000	
	\$	2,754,232	\$		\$	142,532	\$	2,611,700	\$	125,884	

F. Related Party Transactions

The City of The Dalles, Oregon and Klickitat County are considered related parties of The Columbia Gorge Regional Airport. Each party pays the airport \$65,000 per year per the intergovernmental agreement.

G. Risk Management

The Airport is exposed to various risks of loss related to torts; theft or damage to and destruction of assets; and errors and omissions for which the City of The Dalles carries commercial insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage for the past four years.

H. Construction in Progress

There are various projects in progress at the Airport. A well project, with costs to date of \$254,782, is currently on hold, waiting for completion of an agreement with the Dallesport Water District. The Airport Taxiway Project, started in FY 13/14 is 98% complete, with costs incurred to date of \$3,986,900. The City of The Dalles is also still in the early design stages of a flex hangar at the airport, with costs incurred to date of \$461,000, and total estimated costs of \$1.25 million. The City of The Dalles is also in the early design stages of a new Hangar F at the airport, with costs incurred to date of \$8,902, and total estimated costs of \$1,250,000.

I. Subsequent Events

Management has evaluated subsequent events through December 29, 2017, the date on which the financial statements were available to be issued and determined nothing should be recognized.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH OREGON STATE REGULATION

City of The Dalles City Council and Columbia Gorge Regional Airport Board Columbia Gorge Regional Airport The Dalles, Oregon

We have audited the basic financial statements of Columbia Gorge Regional Airport, as of and for the year ended June 30, 2017 and have issued our report thereon dated December 29, 2017. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Minimum Standards of Audits of Oregon Municipal Corporations*, prescribed by the Secretary of State.

Compliance

As part of obtaining reasonable assurance about whether Columbia Gorge Regional Airport's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statutes as specified in the Oregon Administrative Rules 162 of the *Minimum Standards for Audits of Oregon Municipal Corporations*, noncompliance with which could have a direct and material effect on the determination of financial statement amounts:

- Deposits of public funds with financial institutions (ORS Chapter 295).
- Indebtedness limitations, restrictions, and repayments.
- Budgets legally required (ORS Chapter 294).
- Insurance and fidelity bonds in force or required by law.
- Programs funded from outside sources.
- Highway revenues used for public highways, roads, and streets. The Airport does not receive highway
 funds.
- Authorized investment of surplus funds. (ORS Chapter 294).
- Public contracts and purchasing (ORS Chapters 279A, 279B, and 279C).
- Accountability for collecting or receiving money by elected officials. The Airport does not have any
 elected officials collecting or receiving money.

However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. In connection with our testing, nothing came to our attention that caused us to believe Columbia Gorge Regional Airport was not in substantial compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statutes as specified in the Oregon Administrative Rules 162-10-000 through 162-10-330 of the *Minimum Standards for Audits of Oregon Municipal Corporations*.

OAR 162-10-0230 Internal Control

In planning and performing our audit, we considered Columbia Gorge Regional Airport's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Columbia Gorge Regional Airport's internal control. Accordingly, we do not express an opinion on the effectiveness of Columbia Gorge Regional Airport's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Minimum Standards of Audits of Oregon Municipal Corporations*, prescribed by the Secretary of State, in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
