Special Library Board Meeting

April 25, 1994

- I. Discussion Of Library Budget
- II. Adjournment

that having reduced hours or moving would be better than having no library at all. Tom asked if the room at the college had been used as a library in the past. Sheila said that it had housed a smaller collection with low shelving due to the weight of the books. Bill Taylor asked who would bear the cost of remodeling the building. Joanne asked if the automation project would be affected by a reduced budget. Sheila said that she was concerned with the staff time involved to do the conversion of the collection if the staff was reduced.

Ross asked Sheila to let the Board members know when the library budget would be on the agenda for the City budget hearing. Sheila said that she would ask Bill Elliott to keep her informed of any developments. Ross asked where cuts had been made in other departments to balance the budget and whether some of these departments would be asking to have their funding restored. Sheila said that she would ask about it.

At 12:37 p.m. the meeting was adjourned by Chairman Ross Cain.
