Reviewers:

Please review the Final Rulemaking package for the following:

- **Judy Johndohl** *Content is clear, technically sound, and accurate. Punctuation is correct.*
- **Pat Vernon** (for Mitch): *interests of program or region are adequately addressed.*
- **Larry Knudsen:** *legal issues are adequately resolved; proposed rulemaking is legally sufficient (within authority, consistent with statute, enforceable); rules conform to rule writing standards*
- **Dave Belyea** (for Keith): *Please review for clarity and understanding. If you didn't know the SRF program, would these documents and rule revisions make sense?*
- **Lead Administrator:** *issues are adequately addressed; internal and external stakeholders have been adequately involved; package meets quality standards.*

Please return your completed concurrence review to the contact designated above (in hard copy or via e-mail.

Lead Administrator should review all concurrence reviews before approving submittal of the final rulemaking package to the Director.
