Subject: Concurrence Review

Hi Everyone,

Here is the link to SharePoint where all of my documents are for the February EQC meeting. I am still trying to track down some costs for asphalt plants for the Fiscal and Economic Impact statement.

Please remember to turn on track changes when you add your comments. I will be out on vacation next week but hope to be able to get on email so please let me know if you have any questions. I need comments back from you by 9:00 on Monday, August 30. Thanks very much for your review!

Jill
