MINUTES

Library Board Meeting

Sept. 1, 1981

Meeting began 7:30 P.M.

Present were Chairman Anne Turner, Boardmembers Del Anderson, Marion Rohde, and Agnes Schlichting, Librarian Dick Wagner and Asst. Librarian Sheila Dooley.

There were not any minutes from August as the Board did not meet that month.

Librarian Dick Wagner presented his monthly report on circulation, attendance and the budget balance, for information only.

Dick Wagner reported that there was only one bid for janitorial service and there was to be a resubmission of the call for bids as the bid had been much more than originally budgeted.

Dick Wagner reminded the Board that if they intended to take advantage of the recent change in ORS permitting the establishment of a separate district a decision would need to be made soon. Del Anderson suggested that perhaps we should try for a "city only" levy, dissolving the present countywide system, or a levy for School District #12, only, excluding the rest of the county. Wagner strongly suggested a countywide district or nothing. He said if the library was to be limited to the City of The Dalles it might as well remain a city department. Del Anderson asked Dick Wagner to bring information describing the size of the various tax districts in the county to the next meeting.
