Jenny/Les,

Jim Harris review should be sufficient in this case – hope you didn't hold this up on my account.

Subject: FW: Updated Fiscal for Divisions 11 and 12!

Hi Jim:

Jim Harris has reviewed our fiscal for the OCE rulemaking. Do we need final approval from you as well? This rulemaking package is scheduled to go out for public comment next Thursday, August 15th, but I'll be out of the office next week. So if I need your approval and can get it soon (by Friday), that would be great!

Thanks,

Jenny Root

Draft you sent this week is good to go with no changes.

Subject: Updated Fiscal for Divisions 11 and 12!

HI Jim:

I believe Jim Roys assigned you to review our fiscal impact statement for our rulemaking. I've made a few revisions as we were asked to include the onsite fee in our Division 11 rulemaking. So this is the revised final document for your review.

Can I get an estimate from you when you might be done reviewing? This package is scheduled to go out on public notice August 15th, but I will be out next week, so really need to have it done by this Friday. I sent the original one to Bill McMillen for a preliminary review back on July 19th, but never received comments back.

Thanks,

Jenny Root
