Hi,

The Division 12 notice documents are on the on the [Rules Registry](#). Please double check to make sure everything is in order. Randy added information to the fee analysis section and I edited it.

I've Noticed with SOS and collected all noticing proofs into a Portable Document Format (pdf) named [NOTICE.WITH.PROOFS](#) on Rule_Development|Notice. I'll add the email Exempt Notice to DAS later this week after I get proof they have read it. Jenny, please look at the first two documents, especially the dates and times for hearing and the deadline for public comment.

You may view the organization of the .pdf by clicking on Bookmarks in Adobe. Here is what it looks like now.

Make sure to point recipients of the notice list, including emails to key legislators, to [Rules Registry](#) but don't provide a link to Outlook Comment-Div12. The Rules Registry has links to documents and to the online public comment form. Unfortunately, the online public comment form doesn't have a date stamp but it does initiate an email with a date stamp to help determine if DEQ received the comments by the deadline.
