

Oregon Department of Environmental Quality
Incorporate Lane Regional Air Protection Agency Rules for
open burning into State Implementation Plan

Housing cost

To comply with [ORS 183.534](#), DEQ determined the proposed rule would have no effect on the development cost of a 6,000-square-foot parcel and construction of a 1,200-square-foot detached, single-family dwelling on that parcel. Adoption of DEQ's rules would provide for DEQ to submit LRAPA's rules to EPA for incorporation into the State Implementation Plan. Any affects of LRAPA's rules on residential open burning occurred when LRAPA adopted the rules, and the rules applied in Lane County upon LRAPA's adoption.
