Dear Mr. McLerran:

As the Governor's designee for the Clean Air Act State Implementation Plan, the Oregon Department of Environmental Quality requests withdrawal of the following SIP submissions:

- April 13, 1994 submittal of Lane Regional Air Protection Agency's (LRAPA) Title 38, Major New Source review (OR-42-1-6522)
- June 26, 2000 submittal of LRAPA's Title 47, Open Burning Rules (OR-87-7302)
- January 10, 2003 submittal of LRAPA's Title 36, Excess Emissions (OR-03-002)
- February 20, 2003 submittal of LRAPA's Titles 12 – General Provisions and Definitions, 32 – Emission Standards, 50 – Ambient Air Standards and PSD Increments

Prior to EPA's action on these requests, LRAPA further revised these and other Titles and ODEQ is in the process of submitting these to EPA for review in approval. The impending 2013/14 request will supersede all of the submissions listed above.

If you need additional information or have questions, please contact Andrea Curtis at 503-229-5946 or curtis.andrea@deq.state.or.us.

We look forward to EPA's action on the 2013/14 submissions.

Sincerely,

Andrew Ginsburg
