Librarian's Report

The Dalles-Wasco County Library

June 22, 1973

I will be leaving for ALA in Las Vegas this weekend, and will be back to work July 2, 1973.

So far I have had no further word from the County about our budget. Phil Gordon said that their request for funds had been turned down, but I have had no communication to that effect. Phil will not be at the Dufur School this fall, but will be working with the Board out there on Library matters. They apparently haven't hired anyone to replace him yet.

Pat Sherrrell has resigned effective July 31, 1973, so that she can spend more time with her family. We can put Alene Bothwell in her place on a probationary period to see how she does. So far her work has been very good. Mrs. Zimbelman can go on full-time then in the other position.

Our reading club keeps growing - to date 97 children have joined. I have also volunteered to have a story hour out at Maupin during the summer on the days we take books to the county.

I will call you July 2nd to see whether or not you still want to meet on July 3rd.

Sincerely yours,

(Miss) Dorothy M. Shaver

P.S. According to Mr. Boothe we had insurance on 65,000 volumes when we only have about 28,000 volumes; so our insurance should be reduced by quite a bit.
