Librarian's Report

It's time for another Board Meeting at 8 p.m., on Nov. 6 (Tues.).

Our first story hour on October 19 was very successful. There were about 17 children here. On the 26th for the Halloween Story Hour there were about 35.

Our film collection is still circulating well. We have also ordered some cassettes. They should come soon.

I talked to Craig's about having them provide the copier~~rent~~ and materials for the money it makes. They didn't commit themselves, but felt certain that they could do it. We'll know by Tues. They did say, however, that they thought we were suppose to be using the money we earned from the machine to pay its expenses. Del Cesar told me to look up the contract as he thought we have an agreement to pay rent for a certain length of time then we would own it. I located the bills for the month the copier was put in, but could find no contract. Craig's will locate that also.

The OLA Interlibrary Loan Code Committe meeting was interesting. The purpose of the committee is to arrange for teaching workshops on interlibrary loan use throughout Oregon.

The "Freedom to Read" Workshop on the 12th and 13th was informative. According to a Portland attorney libraries can be sued if the censorship bill passes next November. Censorship will be the theme of the Tri-County Meeting which will be held in Wasco County in February. We should discuss other psossible ways to inform the public, also.

See you Tuesday evening.

Sincerely,

(Ms) Dorothy M. Shaver
Library Director
