Librarian's Report
November 28, 1973

Time for another Board Meeting on December 4th at 8 p.m.

We began the series of sixth grade reference classes on Monday. These will continue for another week or two.

Our Story Hour is doing very well. Dick Licardi from KACI is coming over on Friday to broadcast a few minutes of it.

Mr. Licardi has also been giving us publicity on our new cassettes. We have a starting collection of about 63 cassettes. About fifteen of these are children's stories. The others are mostly classical music with a few popular titles and some language cassettes.

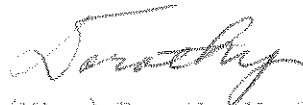

We have returned most of the super 8 films for regular 8's as not many people have super 8 projectors.

A memo from Del Cesar and the Council minutes are enclosed concerning the Copying Machine. No decision has been made yet on the storage shed.

Suzy Gray can drive a truck; so I will teach her the route out in the county next month, and let her handle it after that.

See you Tuesday.

Sincerely yours,

(Miss) Dorothy M. Shaver
Library Director

P.S. Mr. Cesar did not have time get the memo on the copier ready, but he will have it for us on Tuesday.
