This bulletin was sent to the following groups of people:

Subscribers of Import list for TRAACS (1565 recipients)

You hold an air quality permit with Oregon DEQ. You are invited to participate in stakeholder meetings to discuss potential air quality rule revisions. DEQ is holding stakeholder meetings in Portland, Pendleton, Eugene, and Medford during the month of August to discuss potential air quality rule revisions prior to releasing the proposed rules for public comment. Potential revisions include:

- Changes to particulate matter and opacity standards
- Changes to the New Source Review program
- Changes to make air quality rules clearer
- Changes to the definition of categorically insignificant activities

For more information on the stakeholder meetings, see [DEQ's website](#). DEQ plans to release the proposed rules for public comment in October 2013.
