### **DEQ proposes revisions to air quality permitting, Heat Smart, and gasoline dispensing facility rules**

You're receiving this notification because you hold an air quality permit with Oregon DEQ or Lane Regional Air Protection Agency or DEQ identified you as an interested party in the proposed rulemaking. DEQ is proposing revisions to its air quality permitting, Heat Smart, and gasoline dispensing facility rules. You are invited to provide comment on the proposed rules during the public comment period. The deadline to submit comments is **5 p.m., Jul. 31, 2014**. DEQ requests public comment on the ability of owners and operators of equipment to meet the proposed particulate standards, specifically the grain loading and opacity standards. DEQ also requests public comment on whether LRAPA rules are as stringent as DEQ's proposed rules.

DEQ will hold public hearings **July 16, 2014**. [Click here](#) to view the rulemaking documents and details about the public comment period, including the time and location of hearings and how to submit comments.

DEQ plans to take the final proposal including any modifications made in response to public comments to the Environmental Quality Commission for decision at the commission's January 2015 meeting. If adopted, DEQ will submit the rules to the U.S. Environmental Protection Agency as a revision to the State Implementation Plan as required by the Clean Air Act.
