

Proposed Rules Cover Page

DEQ's proposed rules are provided in the following sections:

A. Oregon Administrative Rules

Note: DEQ's proposed changes are indicated in redline strikeout

B. Continuous Monitoring Manual

B1. Continuous Monitoring Manual (1992 Edition)

B2. Continuous Monitoring Manual (2014 Edition)

Note: DEQ proposes extensive changes to the Continuous Monitoring Manual as described in the Notice. The manual does not contain redline strikeout because the extensive changes would be difficult to understand. The proposed rules include the 1992 Edition and the proposed 2014 Edition of the manual. The 1992 Edition would be deleted and replaced by the 2014 Edition.

C. Source Sampling Manual Volume I

C1. Source Sampling Manual Volume I (1992 Edition)

C2. Source Sampling Manual Volume I (2014 Edition)

Note: DEQ proposes extensive changes to the Source Sampling Manual Volume I as described in the Notice. The manual does not contain redline strikeout because the extensive changes would be difficult to understand. The proposed rules include the 1992 Edition and the proposed 2014 Edition of the manual. The 1992 Edition would be deleted and replaced by the 2014 Edition.

D. Source Sampling Manual Volume II
