Subject: Oregon EQC protects the North Fork Smith River
Date: Monday, July 17, 2017 10:42:06

Portland, OR—The five-member panel of the Oregon Environmental Quality Commission voted unanimously Thursday to designate the North Fork Smith River in southern Oregon as the first Outstanding Resource Water in the State of Oregon. The designation stems from a citizen petition to the commission in 2016. View the full news release at: <http://www.oregon.gov/newsroom/Pages/NewsDetail.aspx?newsid=2164>.
