Subscribers of Clean Water State Revolving Fund, Clean Water State Revolving Fund Rulemaking, DEQ Public Notices, Nonpoint Source Water Quality, Onsite (Septic) Sewage Systems, Rulemaking, or Stormwater, (11076 recipients)

---

On November 3, 2017, the Environmental Quality Commission adopted proposed rule amendments concerning the Clean Water State Revolving Fund, OAR 340, Division 54.

The staff report explaining the amendments and the adopted rule amendments can be found on the Commission's web page here: [Environmental Quality Commission](#).

The official version of the permanent rules will be published within a few days on the Secretary of State's web site here: [OAR Division 054](#).

You can also obtain more information about this rulemaking by contacting:
