April 18, 2019

Honorable Mayor Bruce Jones,
Councilor Joan Herman, Councilor Tom Brownson,
Councilor Jessamyn Grace West, Councilor Roger Rocka,
Budget Committee and Citizens:

The City of Astoria provides a broad range of services for its residents. Among the core services are public safety inclusive of fire, police, road infrastructure, safe and quality water distribution, wastewater and stormwater management, permitting, planning and other business and economic development services, a parks and recreation system which includes over 60 facilities, an aquatic center and a perpetual care cemetery and a public library. Services locations range from Oceanview Cemetery in Warrenton to a 3700 acre watershed and reservoirs located east of Astoria. The budget has been prepared to address department requirements as well as accomplishing Council goals in providing resources for daily activities while keeping an eye open for opportunities and enough capacity to be flexible for unforeseen events.

As an organization, the City enters this fiscal year with a full time workforce of 105 employees, part-time labor ranges between 100 to 120 individuals, a variety of volunteers and a total budget of \$ 44,180,951.

Revenue will cover the FY 2019-20 expenditures in the general fund and beginning fund balance will be utilized to budget for professional services to enable many long standing projects to reach completion in the coming year. Utilizing available beginning funds is attainable as the City has experienced some longer term vacancies in the current fiscal year and is projecting a contingency balance of \$ 3,785,400 which will provide sufficient cash flow to cover 4.5 months of straight-line budgeted expenditures in the General Fund. The General Fund requirements anticipate maintaining a transfer to Parks Operation Fund of \$ 971,110 and transferring the anticipated 2% transient room tax collections which were implemented January 1, 2018 and are subject to a 70% distribution to tourism. The appropriations for the General Fund have increased by \$ 535,537 with \$ 440,660 attributable to personnel services, \$ 180,655 overall in material and services and reduction in transfers in the amount of \$ 85,778. The International Association of Fire Fighters (IAFF) agreement ended June 30, 2018 and negotiations are in process. Negotiations have begun with Astoria Public Safety Association (police and dispatch) and Parks and General Teamsters contracts which will both end June 30, 2019. Evaluation of all service levels have been budgeted with a mindset toward long-term sustainability which is a constant and continual consideration for the overall budget. Increases in personnel services include current authorized positions and do not anticipate further additions at this time.

Personnel services represent a significant investment and is the largest expense a City can make to ensure assets, infrastructure and talent are maintained while constantly preparing for future trends, opportunities and challenges. To that end the City strives to never lose sight of attracting and retaining top talent. This is achieved by offering training, providing competitive benefits and celebrating the hard work and achievements achieved on behalf of the City every day. Residents should feel confident of the service and care provided at a fair and reasonable rate. This budget includes funds to address internal pay equity issues in compliance with recently enacted Oregon law and annual minimum wage increases. We look forward to negotiations and renewal of

contracts with the International Association of Fire Fighters (IAFF), Astoria Public Safety Association and Parks and General Union. The cost of materials and services vary every year as needs arise but are proposed at levels similar to FY 18-19. Notable exceptions include training costs increases which include confined space rescue training and additional offerings for newly hired staff. Additionally with the work on the Waterfront Bridges Project a Single Audit will be required in FY 18-19 and the additional cost is included in the Finance Department. Limited resources are available for the City Capital requirements. As City infrastructure and assets age and require updates it is important to note the City is not current with replacement schedules for all capital items and replacement has been deferred as available resources have been prioritized. Staff maintains a sharp eye on budgets, programs, projects and funding sources while balancing the requirements and resources on a routine basis.

The fiscal indicators for the City and the State show a continued period of recovery. Resources through state and federal grants are waning, regulatory limitations continue to be placed on avenues previously available to generate revenues, interest rates continue to slowly rise and investment oversight is complicated and limiting. These areas of fiscal concern call for strong leadership, flexibility to effectively leverage limited resources and the tenacity to manage the daily operations of the City while anticipating and preparing for challenges and opportunities in the future.

With the aforementioned in mind, the following presents some of the highlights for the 2019-2020 fiscal year budget, for the City of Astoria:

GENERAL FUND

Beginning Fund Balance / Contingency

The beginning fund balance at July 1, 2019 is projected to be in the range of \$ 3,835,400 or 38 % of total budgeted requirements. The proposed budget for FY 2019-20 anticipates a decrease in the ending fund balance of the year of \$ 50,000. The ending fund balance covers approximately four months of straight-line General Fund expenses. The available ending fund balance is critical to meet cash requirements until property tax collections begin in November.

General Fund Resources / Expenditures

The proposed budget is based on projected total resources of \$ 13,860,922. The prior year resources were \$ 12,084,375. This is an increase of \$ 1,776,547. This difference is attributable to the increases in property tax, addition of marijuana tax revenues, as well as 30% of Transient Room Tax increase, beginning fund balance increase and regular Transient Room Tax collection increases which began January 1, 2018.

The primary expenditures of General Fund departmental budgets are "Personnel Services", "Materials and Services" and "Transfers to Other Funds". Personnel Services, comprised of salary and benefit expenses, are projected to be \$ 6,592,330. The prior year personnel expenses were budgeted at \$ 6,151,670. This represents an increase of \$ 440,660 or 7.2 %. The increase relates to contractual and projected wage adjustments, including step increases, stability pay, retirement contribution increases and adjustments to address pay equity issues to comply with State requirements. "Materials and Services" are projected to be \$ 1,880,770. The prior year Materials & Services were \$ 1,700,115. This represents an increase of \$ 180,655 or approximately 10.6 %.

Each year, General Fund resources are transferred to support activities in other Funds. The transfers, budgeted under the category of “Transfers to Other Funds”, are proposed as follows:

- \$ 1,111,110 to the Parks and Recreation Fund (158).
- \$ 443,912 to the Emergency Communication (911) Fund (132).
- \$ 30,000 to the Public Works Fund to offset landfill monitoring expenses (301).
- \$ 10,000 to the Public Works Fund for the Utility Assistance Program (301)
- \$ 6,000 to the Unemployment Fund for unemployment payments (104).
- \$ 1,400 to the Special Police Projects Fund (136)

The total General Fund transfers are \$ 1,602,422. This is a reduction of \$ 85,778 from the FY 18-19.

CAPITAL IMPROVEMENT FUND

The intent of the Capital Improvement Fund is to dedicate state-shared revenue and one-time proceeds, such as the sale of timber and other property related transactions, for purchase of long-lived capital items. The beginning fund balance is projected to be \$ 1,520,000. The healthy beginning fund balance is due in part to the reserve of \$ 750,000 for the Astor Library remodel. Expected revenues from timber sales and state shared revenues combine to provide for additional resources of \$ 481,000. A transfer of \$ 76,500 is budgeted to be received from the 17th Street Dock Fund and interest estimates have increased to \$ 17,700 for FY 19-20.

There are planned capital expenditures of \$ 582,720 and debt service payments for capital leases and loans amounting to \$ 148,080 for the year. It should be noted the Safeway property loan was paid off as of July, 2018. This budget provides a contingency of \$ 200,000, retaining \$ 750,000 for future support of the Library Project and providing an ending fund balance of \$ 114,050. The capital expenditure items in the 19-20 budget are as follows:

- \$ 46,500 City Hall capital expenditures
- \$ 208,000 Parks & Recreation capital expenditures.
- \$ 82,500 Library capital expenditures
- \$ 117,950 Public Safety capital expenditures.
- \$ 106,270 Technology capital expenditures.
- \$ 148,080 Lease payments for public safety vehicles, adding a lease for two new police vehicles and recognizing prior lease commitments.

PUBLIC WORKS FUND / PUBLIC WORKS IMPROVEMENT FUND / CSO PROJECT FUNDS

The Public Works Fund supports the day-to-day operations and maintenance of the City’s Public Works infrastructure. The Public Works Improvement Fund is reserved for major capital repair and replacement of that infrastructure, including debt service on long term improvements. These two Funds receive their resources primarily from water and sewer rates. The CSO Project Funds budget resources for the combined sewer overflow (CSO) program. The projects are organized in phases and have been paid for through grants and loans from the Department of Environmental Quality (DEQ) and the Oregon Infrastructure Financing Authority (IFA).

Water and Sewer Rates

The fiscal year 2019-20 Public Works budget contains a 1 % increase in sewer and water rates, respectively with no increase to the CSO surcharge of 97 %. The proposed rate increase would

increase the average monthly residential bill approximately \$ 1.44 each month, based on utilization of 7,500 gallons of water.

Public Works Budget

The Public Works budget for fiscal year 19-20 projects estimated resources of \$ 7,669,585 with expenditures of \$ 7,516,580 and a contingency of \$ 153,005.

Public Works Improvement Fund

The Public Works Improvement Fund budget for FY19-20 proposes estimated resources of \$ 2,218,720 with expenditures of \$ 2,059,350, leaving a contingency and ending fund balance of \$ 159,370.

The proposed budget anticipates purchase of a new street sweeper with a five year lease schedule which is included in debt service.

Proposed expenditures for FY 19-20 are as follows:

- \$ 423,350 Debt Service payments (other than Combined Sewer Overflow debt)
- \$ 250,000 Water main rehabilitation/replacement projects
- \$ 250,000 Sewer main rehabilitation/ replacement projects
- \$ 210,000 Stormwater rehabilitation/replacement projects
- \$ 300,000 Transfer to Capital Reserve Fund for future capital projects
- \$ 63,000 Street Pavement Markings and Street End projects
- \$ 55,000 CSO Modeling expense
- \$ 150,000 Water System Master Plan update
- \$ 5,000 Water Rights
- \$ 353,000 Capital Outlay

Other Major Projects within Public Works

In addition to the above Public Works Improvement Fund projects, Public Works will also be involved in the following projects during the coming fiscal year:

- Construction management of the waterfront bridges project
- Highway 202 sidewalk project
- Planning for next CSO project
- Planning for wastewater treatment plant upgrades project

Combined Sewer Overflow (CSO) Funds

In accordance with requirements of State and Federal law the City has taken action to carry out an approved CSO Facility Plan. The City Council took specific action during fiscal year 2002-2003 to approve an agreement with the Department of Environmental Quality (DEQ) to facilitate ability of the City obtaining compliance in accordance with specified timelines under the Stipulation and Final Order governing CSO control. CSO improvements are financed with loans provided through DEQ and the Oregon Infrastructure Financing Authority (IFA). The loans are programmed to be paid back through a CSO surcharge on sewer billings. The CSO projects have been planned in seven phases running through the year 2028 and is projected at a cost range of \$ 49,500,000 to \$ 50,000,000. The two remaining areas where major projects are targeted are

around Portway Street and 33rd Street. The next few years will be focused on collecting data, refining the hydraulic model and investigating disallowed discharges as well as scoping the next construction projects and researching funding options.

CSO Debt Service Fund

The total borrowing to date is approximately \$ 31,403,594. Outstanding debt as of June 30, 2018 was \$ 22,443,785. The CSO Debt Service Fund accounts for the sewer surcharge and also tracks the City's payments of principal and interest on the loans. The surcharge is the minimum needed to cover the required loan payments, fund reserves and ongoing CSO costs. The sewer surcharge was initiated in 2002 at 3.5%. It has increased in annual increments and currently stands at 97 %. City Public Works staff has worked with DEQ to extend the schedule for project completions from 2022 to 2028 and is continuing to review the future requirements and possible extensions as data is gathered and reviewed on completed sections. As a result of the initial extension, loans will be paid off before others come due and assists with smoothing both the debt and the related CSO surcharge required to meet debt obligations. Initial projections of 110% in year 2021 and 151% in 2025 should not be necessary given the current obligations and timelines. For FY 19-20 no change is proposed to the surcharge rate as sufficient funding is available to cover debt service and provide the required fund reserves.

The requirements of the surcharge include debt service of \$ 1,768,010 for FY 19-20 and \$ 44,300 is budgeted for DEQ administrative services related to monitoring.

PARKS OPERATION FUND

The Parks Operation Fund, #158 is organized into three departments: Aquatics; Recreation/Administration; and Maintenance.

For FY 19-20 the resources for these three functions are budgeted at \$ 3,320,810. Over past years, tremendous efforts have been made to analyze revenues and expenditures and to develop budgets which include necessary resources to provide robust and financially viable parks services. This budget puts forth a realistic expectation of expenditures and resources with understanding operations are still managing transition. Parks staff is closely managing actual expenditures to the current budget expectations. The current budget anticipates a beginning fund balance of \$ 510,000 which reflects the transitions of hiring staff and savings experienced due to the vacancy of the Director position. An additional \$ 50,000 was provided from the Promote Astoria Fund in FY 18-19 to ensure a realistic working budget during transition and this amount has been removed from the current resources. The anticipated resources from the 2% transient lodging tax increase comprised of \$ 320,200 from Promote Astoria and \$ 140,000 from the General Fund for a total transfer of \$ 460,200. While great strides have been made during FY 18-19, with the transition in the Parks and Recreation Director, staff continues to work on development of processes and evaluation of programs and priorities.

BUILDING INSPECTION FUND

The Building Inspection Fund was established in March, 2000. The resources of the Building Inspection program for Fiscal Year 19-20 are budgeted at \$ 418,500 which includes a beginning fund balance of \$ 214,200. The ending fund balance and contingency total \$ 128,940. Proposed expenditures for FY 19-20 include a full-time building inspector and administrative assistant. A transfer of \$ 20,800 to the General Fund is budgeted to defray the costs of General Fund services provided to the Building Inspection Program.

PROMOTE ASTORIA FUND

As specified by State law, a total of 46.1% of the City’s transient room tax collections are deposited into the Promote Astoria Fund for 9% of transient room tax collection. 70% of an additional 2% imposed effective January 1, 2018 are meant to cover costs associated with Parks facility costs and are estimated to be \$ 320,200 for FY 19-20 which will be transferred to the Parks Operation Fund. The beginning fund balance is projected to be \$ 1,252,000 with an ending contingency and fund balance of \$ 917,230.

Major expenditures for FY 19-20 are as follow:

- \$ 234,160 Astoria/Warrenton Chamber of Commerce / Lower Columbia Tourist Committee
- \$ 185,680 Care & Maintenance of City Owned Tourism Facilities
- \$ 320,200 Transfer to Parks Operations for Tourism Related Facilities
- \$ 161,930 Astoria/Warrenton Chamber of Commerce Visitor Services.
- \$ 573,000 Riverwalk Trestles
- \$ 40,000 Astoria Historic Downtown Development Assoc.
- \$ 63,550 Arts and Cultural Fund to Promote Tourism
- \$ 25,000 Tourism Promotion
- \$ 22,000 Downtown District Parking Enforcement
- \$ 10,000 Credit Card Fees

EMERGENCY COMMUNICATIONS FUND

The City’s contribution to the Emergency Communication Fund is budgeted at \$ 450,112. This represents an increase of 7.0% over the prior year. For the 19-20 budget year, the budget to defray the cost of General Fund services is \$ 25,000.

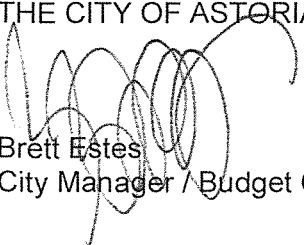

CONCLUSION

The proposed budget for FY 19-20 is adjusted to provide sustainability and cash reserves. It was designed to balance, prioritize and provide realistic service levels for our citizens while incorporating the goals adopted by the City Council for the coming year and is ready for review by the Budget Committee.

The Finance Department staff has assisted with the preparation of this budget.

Respectfully submitted,

THE CITY OF ASTORIA

Brett Estes
City Manager / Budget Officer

GENERAL FUND

FUND: GENERAL

The following pages contain summary information of resources and expenditures for the budgetary departments of the General Fund. Those departments are:

City Council
City Manager
Municipal Court
City Attorney
Finance
Community Development
City Hall
Non-Departmental
Fire
Police
Library

For FYE June 30, 2020, the General Fund expects to receive 46.4 % of resources are derived from property taxes. Other resources include: non ad valorem taxes, license and permit fees, intergovernmental revenue, charges for services, fines and forfeits, interest earnings, transfers from other funds, and miscellaneous revenues.

The departments of the General Fund provide a variety of services both to the residents of the City, and to other departments. These activities are covered more specifically in each department's portion of the following pages.

Beginning with FYE June 30, 1998, based upon Measure 50, the Oregon Department of Revenue established permanent tax rates for local governments. The City's permanent rate is \$ 8.1738 per \$ 1,000 of assessed property valuation. This means the City's property taxes will vary from year to year, depending on the change in assessed value.

All departments within the General Fund are overseen by a director who is responsible to the City Manager. The City Manager is responsible to the City Council.

FUND: GENERAL

Department: City Council #1000

Basic Objectives

This department provides for the activities of the Mayor and four Councilors who comprise the City Council. The City Council is the policy making body for the City of Astoria. Members of the City Council are paid a modest stipend set by the City's Charter. Members of the Council serve as Council representatives on many boards and commissions of the City and other local governments and agencies.

Staffing

The Mayor and Councilors are elected on a non-partisan basis for four-year terms. The terms of office are staggered at two-year intervals and have the following term expiration dates:

<u>Name</u>	<u>Position</u>	<u>Term Expires</u>
Bruce Jones	Mayor	12/31/2022
Roger Rocka	Councilor - Ward 1	12/31/2022
Tom Brownson	Councilor - Ward 2	12/31/2020
Joan Herman	Councilor - Ward 3	12/31/2022
Jessamyn Grace West	Councilor - Ward 4	12/31/2020

Department: Municipal Court #1400

Basic Objectives

The Municipal Court handles citations issued by the Astoria Police Department and Astoria Downtown Historic District Association (ADHDA) for traffic violations, misdemeanor law violations and city code violations, as well as citations for parking and animal control offenses.

Court procedures are administered by the Municipal Judge, who is an attorney licensed to practice in Oregon. The City Council appoints the Municipal Judge whose performance is reviewed annually by the Council.

Staffing

The Municipal Court is comprised of a part-time judge and a full time clerk. Kristopher Kaino, an area attorney, has been appointed by the City Council to serve as Municipal Judge on a contract basis.

Department: Finance #1600

Basic Objectives

The Finance Department offers a wide variety of services to the general public and to other departments of the City. The major activities include: utility billing, cashiering, accounts receivable, payroll, purchasing, accounts payable, data processing, financial planning, budget preparation, investing, cash management, and maintenance of official City records.

Services to other departments include financial control through the budget process, risk management, coordination of computer systems (except Public Safety Systems) with IT vendors and issuance of keys to most City owned buildings and facilities. Finance also provides accounting and other miscellaneous financial services for other departments, as needed. In 2016 the Finance Department resumed administrative support for Oceanview Cemetery. The Director of Finance and Administrative Services has been responsible for a variety of Human Resource activities since 2012 and all activities since 2016. In 2017 a part-time Human Resource Assistant was hired to assist with Human Resource activities and in 2018 a part-time clerical support was hired to assist with central files activities.

Staffing

There are 7 full-time equivalent employees in the Finance Department, including 3 accounting clerks, 2 staff accountants, a financial reporting manager, a part-time Human Resource assistant, a part-time clerical support and the Director of Finance and Administrative Services. The Finance Department is under the supervision of the Director of Finance and Administrative Services, who is responsible to the City Manager.

Department: City Attorney #1800

Basic Objectives

The City Attorney provides legal advice to departments concerning routine activities, prepares and reviews documents, provides legal representation in some Municipal Court cases and other legal advice, as needed. The City Attorney is appointed by the City Council on an annual basis.

Staffing

This department provides for no staff positions. Services are currently provided by agreement with Attorney Blair Henningsgaard.

Department: Community Development # 2001

Basic Objectives

The Community Development Department is responsible for economic development, land use planning, zoning administration, building inspection, and historic preservation.

Planning Commission/ Historic Landmarks Commission/Design Review Committee

The Department provides staff support to the Planning Commission, the Historic Landmarks Commission, and Design Review Committee. In that function, the Department serves as liaison between the Commissions and the public and prepares all reports and findings of fact necessary to support land use decisions. The Department administers both the City Comprehensive Plan and the Development Code. In 2002, the Planning Commission assumed the duties of the reorganized Traffic Safety Advisory Committee. The City continues to have Certified Local Government status with the State Historic Preservation Office (SHPO). In 1998, the City established a Design Review Committee to review development in the newly formed Gateway Master Plan Area which generally encompasses the area from 16th to 29th Streets and the River to Exchange Street.

Astoria Development Commission

The Community Development Department provides staff support to the Astoria Development Commission (ADC). The ADC's responsibility is to administer the City's two urban renewal districts. The Astor-East Urban Renewal District encompasses 56.95 acres of land located east of Astoria's Central Business District and includes the Liberty Theatre and Heritage Square property in the downtown area. The objectives of the AEURD Renewal Plan are to improve the physical conditions, functional relationships, and visual quality of the area, and to eliminate blight in order to create a climate more conducive for private development of property. Approximately four acres of riverfront property east of 20th Street were purchased in 2000 by the ADC and are being held for future development. In 2002 the City established a new 205.5 acre urban renewal district on the West End of Astoria in the Uniontown & Port of Astoria areas. The new Astor-West Urban Renewal District was formed to help with the redevelopment of the Uniontown and Port of Astoria area. In 2016 an amendment was adopted to add property and projects increasing the district by 12.05 acres for a total of 217.55 acres.

Waterfront Revitalization

A Master Plan for the redevelopment of Astoria's waterfront was adopted in 1990 and an update Riverfront Vision Plan was adopted in 2009. These Plans envisioned a pedestrian walkway along the river's edge, street end river viewing piers, improved lighting and pedestrian amenities such as benches and restrooms, interpretive signage, and museum quality exhibits. Since adoption of the 1990 Plan, the City has made steady progress in implementation. In 2014, staff initiated code amendments for implementation of the Riverfront Vision Plan. Through grant funding, Astoria's River Trail has been constructed in increments over the years and was completed in 2013 extending approximately six miles from Smith Point east to the Alderbrook neighborhood. The Astoria Riverfront Trolley Association, with City support, continues to operate a trolley car along a 3-mile section of the waterfront covering the area from Smith Point to 35th Street.

Building Inspection Services

The Community Development Department (CDD) administers the Building Inspection Program for the City. The activity of the Building Inspection Division of the CDD is accounted for in the Building Inspection Fund, to comply with ORS 455.210.

Staffing

Staff consists of five full-time positions: the director, a planner, building official / code enforcement officer, an administrative assistant and a building permit technician.

FUND: GENERAL

Department: City Hall #2200

Basic Objectives

This department provides for the operation and maintenance of the City Hall building.

Staffing

The public works director provides oversight for maintenance of City Hall. The public works administrative assistant monitors janitorial service performance. Routine maintenance services are provided by a City Shops employee.

FUND: GENERAL

Department: Non-Departmental - Unallocated # 2400

Basic Objectives:

This department accounts for appropriations that benefit all or several departments and appropriations that do not apply to any specific department. Transfers to other funds from the General Fund are budgeted in this department. A schedule of individual transfers may be found in the Detail & Statistical Section.

Community Organization Grants (Social Services – Basic Needs) are distributed from this department with the Budget sub-committee recommendations listed on the last page. A process has been established to set the distribution maximum which equals 0.5% of the previously adopted General Fund budget. The maximum distribution amount for FY 19-20 is \$ 60,420

Staffing

This department provides for no staff positions. Finance Department staff monitors expenditures.

FUND: GENERAL

Department: Fire # 2600

Basic Objectives

The fire department is responsible for fire suppression, hazards to life safety, and the treatment of persons with serious medical emergencies. Emergency medical transportation is provided by Medix Ambulance Company. The department houses a regional hazardous materials response team through a contract with the Oregon State Fire Marshals' Office. Six of the team's ten members are provided by the department. In addition to responding within the city limits, the department provides response for the Tongue Point Job Corps Center through a contract for services with the Department of Labor. The department supports the US Coast Guard by providing response to property at Tongue Point as well as the USCG Cutters Alert and Steadfast through memorandums of agreement. A volunteer firefighter program has been in place since 1993 with varying levels of participation/staffing. A student/intern firefighter program was created in 2001 which offers college tuition and sleeping accommodations for three individuals. During "off" time, interns reside at Station 2 in Uniontown. Each intern is assigned to one of the three normal department work shifts. Department personnel have participated in a variety of regional programs including fire cause investigations, the Clatsop County Juvenile Fire Setter Network, the Clatsop County Firefighters Association and is active in assisting with providing firefighter training county-wide. The department provides public fire safety education programs, concentrating on school children regarding proper actions to be taken during a fire emergency. The department also provides portable fire extinguisher training to local businesses upon request. The department participates in a county-wide Mutual Aid system for response to greater alarm fires, both structural and wildland, as well as mass casualty incidents through established mutual aid agreements with all county departments and fire districts. The department also participates as one of 12 lower Columbia River fire agencies in the Maritime Fire Safety Association (MFSA) and the Fire Protection Agency Advisory Council. Consequently, department personnel have been specially trained in shipboard firefighting, and can receive the same from all participants should a shipboard fire emergency occur in Astoria.

Staffing

Fire Department staff currently includes a fire chief position, a deputy chief/training officer, three lieutenants, three driver/engineers, three firefighters, a half-time administrative assistant, three student/intern firefighters and several volunteer firefighters. There is a minimum of two career firefighters on duty at all times. When fully staffed, including intern firefighters, there can be as many as four persons on duty with varying levels of training, expertise and experience.

The department continues to work towards recruiting, training and maintaining a volunteer firefighter contingent to support and supplement career staff. At the present time, the mutual aid agreements with neighboring county departments and districts as well as MFSA agencies are essential to providing adequate emergency services to our community.

FUND: GENERAL

Department: Police # 2800

Basic Objectives

The members of the Astoria Police Department (APD) provide law enforcement services for the City's residents and visitors, 24 hours every day. The department places particular emphasis on responding to calls for service, investigating crimes and providing for traffic enforcement. The department relies heavily on the community policing method to achieve their goals. The Police Department's motto, developed by Department members, is:

Dedicated to Duty – Committed to Community

Community Policing

The department has been committed to community policing since 1996. Community policing activities are embedded in the actions of the department and enhanced by the Citizen Police Academy, Coffee with a Cop, Social Media and other activities that bring residents into direct involvement with the police during routine conversations instead of during crisis. In 2013, CERT (Community Emergency Response Team) was transferred from the Fire Department to APD. The Team is currently led by a police officer. Funding for CERT activities moved to the Police Special Projects Fund # 136 in 2017.

Technology

The department has made technology a priority to help the agency manage response in the most cost effective manner possible. The department is one of the first agencies in the country to replace the vehicle-mounted mobile computer with an inexpensive tablet technology solution which is completely integrated with the records management, dispatch and criminal justice information systems. The department is the only one in the North Coast using electronic ticket writers and in 2015 invested in a body camera system that integrates completely with their existing vehicle cameras.

Staffing

This budget provides for a Chief of Police, deputy chief, three sergeants, two detectives, ten patrol officers, one administrative services manager and two records specialists.

When fully staffed, the three sergeants and nine patrol officers are assigned to patrol duties. This staffing provides a consistent two officers on duty 24 hours a day, seven days a week. The highest routine staffing level for patrol activities is three officers.

FUND: GENERAL

Department: Library # 3200

Basic Objectives: Explore Ideas, Engage Minds, Excite Imagination...at the Astoria Library

The Astoria Library is an active and responsive part of the community. Its service priorities are: to create young readers through early childhood literacy, to create comfortable virtual and physical space for its citizens, to provide resources that enable residents of all ages and backgrounds to explore topics of personal interest, to provide access to technology and tools to help residents find, evaluate and use information resources, to stimulate imagination through reading, viewing and listening for pleasure and to work with supporters to maintain adequate financial resources. The Library's activities are guided by the goals and objectives of the Astoria Public Library strategic plan.

With the cooperation of the Astor Library Friends Association and other volunteers, the library offers programs and activities for all ages.

The Library Advisory Board, appointed by the Mayor, assists with the development of library policies. The City Council approves these policies and the library staff implements them.

Staffing

The Library staff consists of a director, two full time senior library assistants, and a pool of temporary part-time library assistants. Volunteers are recruited to serve in capacities to enhance core services.

SPECIAL REVENUE FUNDS

FUND: CAPITAL IMPROVEMENT # 102

Basic Objectives

This fund was established by Resolution No. 87-32, adopted May 4, 1987, with the proceeds from several sales of City-owned assets including real estate, timber, buildings, improvements, machinery and equipment. The purpose of the fund is to account for monies reserved for capital equipment and projects.

For several years, because of the constraints of the property tax limitation measure, all of the General Fund Capital Outlay was budgeted in this fund.

Oregon Housing Authority – Community Incentive Fund Loan # 2028 is a 15 year loan with 3% interest. Payments began December 31, 2005 and are made annually. This loan was paid in full on July 6, 2018.

Outstanding housing rehabilitation receivables include nine (9) housing rehabilitation loans in the amount of \$ 77,103, as of June 30, 2018.

Staffing

This fund provides for no staff positions. The Finance Department provides oversight of the expenditures and fund balance.

FUND: REVOLVING LOAN # 122

Basic Objectives

This fund was created by Resolution No. 86-25, adopted by the City Council on June 2, 1986, to receive loan payments made by the Astoria Dairy Queen, which was the recipient of a Community Development Block Grant received by the City. The grant proceeds were loaned to finance a major expansion and remodeling project. The fund is intended for use as a revolving loan program for other business developments benefiting the community.

On June 1, 1998, by the adoption of Resolution No. 98-20, the City Council transferred the administration of the loan program and \$ 113,450 for use in financing business loans to Enterprise Cascadia, now Craft 3. The amount transferred to the bank is retained as a receivable from Craft 3 on the City financial statements and as a payable to the City of Astoria on Craft 3 financial statements.

Resolution No. 01-30, adopted by the City Council on November 5, 2001 replaced Resolution No. 98-20 and continues the relationship with Craft 3.

Resolution 15-24, adopted by the City Council on July 20, 2015, clarified the name change to Craft 3 and the use and management relationships previously adopted.

City Council approved a loan guarantee using Revolving Loan Funds for the renovation of the Astoria Armory on May 16, 2016. The loan guarantee is not a grant to the Armory and the guarantee amount will scale down over five years. Craft3 provided additional support for the Armory project with a \$ 45,000 capacity building grant.

Staffing

This fund provides for no staff positions. The Finance Department provides expenditure and fund balance oversight for the fund.

FUND: COMMUNITY DEVELOPMENT BLOCK GRANT FUND # 125

Basic Objectives

The Community Development Block Grant Fund was established by the adoption of City Council Resolution 18-08, on May 7, 2018. This fund was created to account for the proceeds of Community Development Block Grants (CDBG) the City has been awarded in the amount of \$ 400,000 to provide 0% interest, deferred payment loans to homeowners whose incomes are at or below 80% of median income. The funds are to be used for the repair or renovation of homes to meet health, safety and security standards with a concentrated effort on handicap accessibility modifications. CDBG funds will also be matched with Weatherization Funds received by Community Action Team who will be the certified sub grantee assisting the City with the block grants. The areas to be served will include Clatsop, Columbia and Tillamook counties. The City is required to account for these resources in a separate fund.

Staffing

The budget provides for no staff positions.

FUND: BUILDING INSPECTION # 128

Basic Objectives

This fund accounts for the activity of the City's building inspection program. This fund was established by City Council Resolution No. 00-11, adopted on March 20, 2000. The activity of the Building Inspection Division is overseen by the Community Development Department of the General Fund and is accounted for as the Building Inspection fund in compliance with ORS 455.210. Maintaining a separate fund provides measurement of the costs of the program as they relate to revenue from charges for services.

Staffing

The Community Development Director oversees the expenditures of this fund. Personal Services provide for a building inspector and a building permit coordinator. These positions are listed in the Community Development Department staffing numbers.

FUND: EMERGENCY COMMUNICATIONS # 132

Basic Objectives

This fund was established by Resolution No. 82-14, adopted on July 19, 1982. It supports a Regional Communications Center, which provides emergency and non-emergency call answering and dispatching services for 16 public safety agencies, including the Astoria Police and Fire Departments. Revenues, which are received through the 9-1-1 Emergency Communications System and the agency subscribers to the Center, are deposited into this fund because their use is restricted to development and maintenance of the 9-1-1 emergency telephone system. During FYE June 30, 2000, the 9-1-1 telephone system was upgraded to Enhanced 9-1-1, which adds to the capability of a dispatcher to send appropriate police, fire or medical emergency assistance to an accurate location. All emergency communications costs are reflected in this fund, allowing consistent management of expenditures and realistic fees for the subscribers.

Staffing

This budget provides for a Center manager, a supervisor, six full-time dispatchers, three regular part-time dispatchers and temporary part-time dispatchers as needed. The Communications Center functions within the organizational structure of the Police Department.

(This page intentionally left blank)

FUND: SPECIAL POLICE PROJECTS # 136

Basic Objectives

This fund was established by Resolution No. 94-21, adopted on April 18, 1994. Since the passage of the tax limitation law in 1990, the Astoria Police Department has sought grants and alternate funding sources.

Resolution No. 16-17, adopted on August 1, 2016 changed the fund name to Special Police Project Fund to more closely describe the function and purpose of the fund. The fund may receive contributions from private individuals, organizations and businesses as well as certain grant funds and moneys from court ordered assessments. The Police Department uses these monies to achieve the intended purpose of the resources.

Community Emergency Response Team (CERT) activities are administrated through this fund.

Staffing

This fund operates within the organizational structure of the Police Department. No staff positions are paid from this fund.

FUND: PARKS PROJECT FUND # 146

Basic Objectives

The Parks and Recreation Fund was established by Resolution No. 93-52, adopted on December 6, 1993. Resolution No. 12-07, adopted June 4, 2012 revised the name to Parks Project Fund to recognize expanded scope of park related projects. The major resource for this fund is grants and donations, specifically for parks related programs as gifts or in memory of a person. Private individuals, organizations and businesses may contribute by donation to fund park improvements or program enhancements. It is envisioned the fund will grow to a substantial size to help subsidize programs the community wishes to maintain. This fund is the focal point for the development of the Garden of Surging Waves, a park in tribute to the Chinese heritage in Astoria. The Garden of Surging Waves was dedicated on April 19, 2014. The Parks Project Fund will continue to receive gifts and other resources for park related projects, including the Garden of Surging Waves.

Staffing

The Finance Department provides accounting services to this fund.

FUND: MARITIME MEMORIAL # 148

Basic Objectives

This fund was established by City Council Resolution No. 88-07, adopted on February 16, 1988, in recognition of a strong community desire to construct and maintain a maritime memorial. The resources from this fund come from donations of private citizens, businesses, and organizations to memorialize those lost at sea or to commemorate those with strong ties to the maritime industry.

General

Sited beside the Columbia River, phase one of the Maritime Memorial construction was completed with a dedication ceremony held in October, 1993. During FYE June 30, 1998, donations in the name of one individual were sufficient to construct the second phase of the memorial. There has been steady interest in the memorial with engravings completed in October and May each year. A memorial service, sponsored by the Uniontown Neighborhood Association, is held annually on Memorial Day. The memorial has received nation-wide recognition with donations received from various parts of the country commemorating individuals with Pacific Northwest maritime connections. The memorial continues to receive contributions and requests for new plaques and an expansion began in March, 2019.

Staffing

The Parks and Recreation Director coordinates donations to and expenditures from this fund. The Finance Department provides accounting services for the fund.

FUND: PARKS OPERATION # 158

Basic Objectives

This fund was established by City Council Resolution 12-07 adopted on June 4, 2012 to consolidate parks functions into one fund.

The following pages contain summary information of resources and expenditures for the departments of the Parks Operation Fund. Those departments are:

Aquatics	# 4100
Parks Recreation and Administration	# 4200
Parks Maintenance	# 4300

The Parks Operation Fund is a governmental fund. It operates from program fees and a transfer from the City's General Fund. This fund accounts for the activities involved in providing recreational services to the residents of the City including operation of Astoria Aquatic Center; maintenance of City parks and operation of Oceanview Cemetery.

Staffing

All of the employees of this fund are under the supervision of the Parks and Recreation Director. Full time staffing includes: Parks and Recreation Director; one manager; three recreation coordinators; one maintenance supervisor; one pool supervisor; two full time maintenance workers; one administrative assistant; and, part-time employees, as needed.

FUND: PARKS OPERATION

Department: Aquatics # 4100

Basic Objectives

The indoor Astoria Aquatic Center became operational on June 13, 1998. It offers a 6-lane lap pool, a warm water recreation pool with therapy swim apparatus, a river current channel, a splash fountain, a large slide, a wading pool and a spa. Dry land components include a large fitness room and a concession stand. The center attracts users from a large area around Astoria. Resources of the fund are from charges for services provided by the facility.

Staffing

Staffing consists of two full-time employee. Temporary employees fill the function of life guards and support staff.

FUND: PARKS OPERATION

Department: Recreation / Administration # 4200

Basic Objectives

This department oversees parks and recreation activities for the City. The department coordinates recreational sporting activities throughout the year, including softball, track meets, volleyball, basketball, football, and tennis. The department also coordinates a full program of classes and a variety of special events. Daycare services are provided through this department as well.

Staffing

The full-time staff for this department consists of a director, a manager, two recreation coordinators and an administrative assistant. Temporary employees are hired at various times throughout the year as recreation support staff.

FUND: PARKS OPERATION

Department: Maintenance # 4300

Basic Objectives

The Parks Maintenance Department oversees parks and cemetery maintenance. The City maintains over sixty park sites, trails, community halls and Oceanview Cemetery. In addition, the department also provides maintenance for the aquatic facility, three tennis courts, eight playgrounds, ten ball fields, four basketball courts and one boat launch ramp/fishing dock. Employees of this department prepare graves as required and provide cemetery maintenance.

Staffing

The full-time staff for this department consists of a park maintenance supervisor and two park maintainers. Temporary employees are hired at various times throughout the year, to help maintain the parks and recreation facilities.

This fund (#158) is set up to account for all parks related functions: Aquatics; Recreation/Administration; Maintenance; and, Cemetery operations. The Aquatic function is designated as Department 4100; the Recreation/Administration as Department 4200; Maintenance and Cemetery operations are combined as Department 4300. Prior year history, budget and actual, is retained in the respective budget presentations for these departments.

FUND: ASTORIA ROAD DISTRICT # 170

Basic Objectives

This fund accounts for the local gas tax and prior year property tax collections of the Astoria Road District.

Significant Budget Information

In past years, the road maintenance and improvements were paid by a tax levy. The most recent tax levy was approved on November 5, 2002. Ordinance No 07-02 was adopted on August 20, 2007 by the City Council approving a fuel tax of \$.03 per gallon. The collections for this tax are administered by the Oregon Department of Transportation. Ordinance No 16-06, re-adopted provisions of Ordinance 07-02 on October 3, 2016 extending the gas tax indefinitely unless amended or repealed. Projected revenues for FY 2019-2020 are estimated at \$ 205,000. Street projects were appropriated at \$ 700,000 in FY 2018-19. Paving projects occur every other year with repairs and maintenance projects accomplished during the alternate year.

Staffing

This fund provides for no staff positions. The Public Works Director oversees the projects appropriated in this fund. The Finance Department provides expenditure and fund balance oversight.

FUND: STATE TAX STREET # 172

Basic Objectives

This fund accounts for monies received from a 99% portion of the City's state fuel tax allocation. The Oregon Constitution (Article IX, Section 3a) dedicates revenues to construction, improvement, maintenance, operation and use of public highways, roads, streets and roadside rest areas. Resources are transferred to the Street Department of the Public Works Fund for expenditures incurred by the Street Department.

Staffing

This budget provides for no staff positions. The Public Works Director oversees work done which will be paid for by this fund. The Finance Department provides expenditure and fund balance oversight.

FUND: TRAILS RESERVE # 174

Basic Objectives

The purpose of this fund is to account for the receipt of a 1% portion of the City's state gasoline tax allocation, Per ORS 366-514. Funds are restricted for the construction and maintenance of walkways and bikeways, including curb cuts or ramps as part of the project which is within the highway, road or street right-of-way. A 1980 Constitutional Amendment (Article IX, section 3a) prohibits expenditure of highway funds in parks and recreation areas. A subsequent Oregon Supreme Court opinion supports continued use for construction and maintenance of walkways and bikeways but only within the highway right-of-way

Staffing

This budget provides for no staff positions. The Public Works Director oversees work completed utilizing Trails Reserve funds. The Finance Department provides expenditure and fund balance oversight.

FUND: PUBLIC WORKS IMPROVEMENT #176

Basic Objectives

This fund was established by Resolution No. 83-17, adopted by the City Council on June 6, 1983. This fund is designated to provide funding to plan, budget for, and accomplish major public works construction and improvement projects. Resolution No. 83-17 directs a portion of the water and sewer rates be designated, annually, for capital repairs and improvements for the public works system.

Long-Term Debt

IFA Loan # L04001 is for the Skyline Water Tank and is a 20 year loan with an interest rate of 4.62%. Payments began December, 2007 and are made annually, with the final payment due December, 2026.

IFA Loan # S08003 is for the Reservoir Covers and is a 20 year loan with an interest rate of 1.00%. Payments began December 1, 2009 and are made annually, with the final payment due December 1, 2029.

IFA Loan # Y10002 is for the Bear Creek Dam - Waterline Replacement, is a 20 year loan with a 4.04% interest rate. Payments began December 1, 2011 and are made annually, with the final payment due December 1, 2031.

IFA Loan # Y12006 is for Wastewater Treatment Plant - Upgrade, is a 25 year loan with a 2.03% interest rate. Payments began December 1, 2014 and are made annually with the final payment due December 1, 2038.

A five year lease has been budgeted in anticipation of authorization to secure bids in FY 19-20. The lease estimate is based on a purchase price of \$ 280,000, interest rate of 3.790% with one payment at loan closing and four additional payments. Interest rates and the final purchase price are subject to fluctuations in the market.

Staffing

This budget provides for no staff positions. The Public Works Director directs the planning, improvements and programs funded by this budget. The City Engineer and Engineering staff provides engineering, design and contract administration services. Construction of improvement projects are accomplished primarily through contract work and, in part, by the Public Works Shops staff. The Finance Department provides expenditure and fund balance oversight.

FUND: PUBLIC WORKS CAPITAL RESERVE FUND # 178

Basic Objectives

This fund was established by the adoption of City Council Resolution No. 13-04 on January 22, 2013. The purpose of this fund is to provide a reserve for transfers from the Public Works Improvement Fund that will address long term capital financial acquisitions and replacements for Public Works functions. Large capital purchases require that funds be set aside to accumulate a balance sufficient for the purchase. This fund will be used only for the set aside of funds from the annual Public Works Improvement Fund budget for future capital purchases/projects. Expenditures from this fund will be reviewed as part of the budget process and appropriated in the year that the capital acquisition is made.

An amount of \$ 300,000 is transferred to this fund from the Public Works Improvement Fund for Capital Project reserves with the most recent project being the Slow Sand Filter Project which began in FY 17-18.

Staffing

The Public Works Director provides the oversight for the activities of this fund. The Finance Department provides accounting services to this fund.

FUND: COMBINED SEWER OVERFLOW (CSO) PROJECTS FUND # 184

Basic Objectives

Fund # 184 resources and appropriations are for the purpose of completing the 16th Street CSO separation project. This project started in June 2014. The project was completed in the fall of 2016. The project was funded by a grant of \$525,000 and loan of \$ 6,510,476 from the State of Oregon Infrastructure Finance Authority (IFA) at an interest rate of 2.09%, for 25 years. This fund was closed in FY 16-17 and the budget is presented for historical reference.

Staffing

This budget provides for no staff positions. The Public Works Director oversees the planning of improvements and programs funded by this budget. The City Engineer and the Engineering staff provide engineering, design and contract administration services. Construction is accomplished by contract work and, in part, by the Public Works shops staff. The Finance Department provides expenditure and fund balance oversight.

FUND: WATERFRONT BRIDGES REPLACEMENT PROJECT FUND # 190

Basic Objectives

This fund was established by the adoption of City Council Resolution No. 18-04 on February 26, 2018. Where the City numbered streets between 6th and 11th Streets meet the Columbia River, a short bridge connects the solid-ground road to the over-water pier structure. These waterfront bridge structures are of utmost importance to the City as they provide access to critical portions of our waterfront. In September 2014, the City entered into an Intergovernmental Agreement with the Oregon Department of Transportation (ODOT) for the design phase of the Waterfront Bridges Replacement Project to replace these six structures. In February 2017, Council authorized City staff to apply for loan funding from Business Oregon Infrastructure Finance Authority (IFA) for the City match and expenses not covered by the project during construction. The projected loan amount of \$1,655,561 will be paid back using the City's future Surface Transportation Program (STP) funds. Construction of the odd numbered street structures (7th St, 9th St and 11th St) began in October, 2018 and the even numbered street structures (6th St, 8th St and 10th St) are set to begin after September, 2019.

Staffing

The Public Works Director provides the oversight for the activities of this fund. The Finance Department provides accounting services for this fund.

FUND: LOCAL IMPROVEMENT DEBT SERVICE # 250

Basic Objectives

This fund was established to account for debt service requirements of a bond issue made for the financing of several local improvement projects. The fund, as such, has closed the local improvement loans and retains a small balance from those transactions. The fund is the repository of the refund the City received for the Wauna Mill tax dispute with Clatsop County tax authorities. This amount has been held to offset the amount of the City's share of Clatsop County issued bonds, as a result of the settlement with the Wauna Mill. Annually funds are transferred to the General Fund to make up for the property tax withheld by the County for Astoria's share of the bond repayment. The bonds continue through 2022.

Beginning funds reserved as a Due to Other Fund liability in the amount of \$ 250,800 will be reduce PERS increases in the General Fund for \$ 79,490 and in Public Works Fund for \$ 48,960. The remaining Due to Other Fund liability will be \$ 122,350.

Staffing

This budget provides for no staff positions. The Finance Department monitors the collection of assessments, expenditures and fund balance.

FUND: EAST ASTORIA WATERLINE DEBT SERVICE # 265

Basic Objectives

This fund was established by the adoption of Resolution No. 98-42 which was adopted on December 7, 1998. This fund accounts for the debt service requirements of a State of Oregon Economic Development Department loan used to finance waterline improvements serving the Tongue Point industrial area and the Blue Ridge and Emerald Heights housing areas located on the eastern edge of the City. Fund resources are derived from installment payments made by benefited property owners as assessed by Ordinance No. 98-12, adopted by the City Council on August 3, 1998 and interest earnings.

The final payment on IFA Loan # G97005 was made December 1, 2017 with the close out of the fund in FY 2018-19. The budget is presented for historical reference.

Staffing

This budget provides for no staff positions. The Finance Department monitors the collection of assessments, expenditures and fund balance.

FUND: 7th STREET DOCK LOCAL IMPROVEMENT DEBT SERVICE # 267

Basic Objectives

This fund was established by the adoption of Resolution No. 99-21 which was adopted by the City Council on July 6, 1999. The fund accounts for debt service requirements of a State of Oregon Economic Development Department loan utilized to finance the reconstruction of the 7th Street Dock, the main access to two businesses on the waterfront. Fund resources are derived from installment payments made by benefited property owners as assessed by Ordinance No. 99-10, adopted by the City Council on May 17, 1999 and interest earnings.

IFA Loan # L98005 was retired December 1, 2017 with the close out of the fund in FY 2018-19. The budget is presented for historical reference.

Staffing

This budget provides for no staff positions. The Finance Department monitors the collection of assessments, expenditures and fund balance.

FUND: COMBINED SEWER OVERFLOW DEBT SERVICE FUND # 270

Basic Objectives

This fund was established by Resolution No. 03-05 which was adopted by the City Council on March 17, 2003. This fund accounts for the debt service on loans used to finance the combined sewer overflow projects. This multi-million dollar project is mandated by the Oregon Department of Environmental Quality to reduce the amount of contaminated water being discharged into the Columbia River. The resources of this fund are derived from a surcharge on the sewer portion of City of Astoria utility bills beginning in July of 2002.

ENTERPRISE FUNDS

FUND: PUBLIC WORKS

The Public Works Fund was established by City Council Resolution No. 77-07, adopted on March 7, 1977, to account for the costs associated with operating and maintaining the City's streets, water, and sewer systems.

The following pages contain summary information of resources and expenditures for the departments of the Public Works Fund. Those departments are:

Engineering
Shop and Yard
Streets
Sanitation
Stormwater
Sewer
Water

The Public Works Fund is an enterprise fund. It operates as a business and no property taxes are received as revenue by the fund. Resources are generated from ratepayer fees for water and sewer services and transfers in from other funds such as the gas tax funded State Tax Street Fund.

This fund accounts for the activities involved in providing water and sewer services to the residents of the City, and for maintaining City streets, streetlights and miscellaneous street-related property.

Staffing

The Public Works staff is under the oversight of the Public Works Director. Management staff includes the Public Works Superintendent, the Assistant Public Works Superintendent, the City Engineer and the Mechanic Supervisor. Other staff positions include: five engineering staff; nineteen utility workers; and, three clerical support staff. Temporary workers are hired, as needed.

Actual employee time is charged to each department based on type of work done and amount of time spent on it. On any given day, an employee may show time worked for one or for several departments.

FUND: PUBLIC WORKS

Department: Engineering #3700

Basic Objectives

The Engineering Department oversees design and construction associated with City infrastructure that supports the City and its citizens. The department designs and inspects projects to repair and improve City facilities such as street, sewer, storm and water lines. The department maintains map records of city infrastructure. This department serves as the City's administrator of city-owned real property by managing easements, vacations, licenses, and sales of City property. Engineering provides services to other City Departments such as management of design and construction of community development projects, including docks and walkways. The department also handles traffic, tree, sidewalk, junk, and hazard complaints lodged by citizens.

FUND: PUBLIC WORKS

Department: Shop and Yard # 3800

Basic Objectives

The Shop and Yard Department is responsible for providing support functions for all the Public Works Fund departments. It provides vehicle and equipment maintenance for all City departments. This department maintains and repairs a total of 285 pieces of automotive and mechanized equipment. It also provides for the procurement, warehousing, inventory and issue processes needed to support Public Works services.

FUND: PUBLIC WORKS

Department: Water # 8100

Basic Objectives

The Water Department provides safe, ample and quality supply of water to the citizens of Astoria and five outlying water Districts and Associations. This department oversees and protects the City's 3,700 acre Watershed. The Watershed is located about thirteen miles east of Astoria. Water is treated via a slow sand filter, piped to Astoria and held in short term storage at various points before entering the distribution system. This department operates, maintains, repairs and improves the City's water treatment and distribution system. It also administers the provision of water service; including starts, metering, servicing and testing.

FUND: CEMETERY # 325

Basic Objectives

The Cemetery related functions were consolidated in the Parks Operation Fund (# 158) as of FYE June 30, 2012, pursuant to City Council Resolution 12-07, adopted on June 4, 2012.

The remaining balance of the Cemetery Fund represents the corpus balance from the sale of the caretaker house, less capital improvement expenditures. The remainder is appropriated to provide for capital improvements at the cemetery.

Staffing

This budget provides for no staff positions. The Parks and Recreation Director provides oversight for the capital improvements funded by this budget. The Finance Department provides expenditure and fund balance oversight.

NOTE: Generally Accepted Accounting Principles (GAAP) require a business-type fund to maintain its budgetary fund balance on a full accrual basis. The fund balance for the June 30, 2017 and 2018 actual data includes cash, inventory, accounts receivable and fixed assets. Cash for the Cemetery Fund at June 30, 2017 and 2018 was \$ 38,826 and \$ 38,826.

FUND: 17TH STREET DOCK # 330

Basic Objectives

The Maritime Park Fund was renamed 17th Street Dock Fund with the adoption of Resolution No. 96-31, May 6, 1996. The 17th Street Dock Fund was established to receive payments for moorage at and provide maintenance for the 17th Street dock and other sources as appropriate for dock activities. This fund accounts for payments made by the U. S. Coast Guard to lease dock space for two local Coast Guard vessels. These lease payments are the major resource of the fund and amount to approximately \$210,000 per year. The fund also receives moorage fees from several tour boats mooring regularly at the 17th Street Dock Facilities. The City has rebuilt the facility using a Connect Oregon III grant and a loan from the State of Oregon Infrastructure Finance Authority (IFA). The project was completed in the summer of 2013. The loan with IFA will be repaid from the Coast Guard dock lease which is executed for a one year lease with nineteen (19), one (1) year renewal terms beginning October 1, 2013 and ending September 30, 2033.

Long Term Debt

IFA Loan # B11002 for Dock Construction and is a 25 year loan with an interest rate of 4.00%. Payments, beginning December, 2014, are made annually with the final payment due December, 2039. As funds have been available additional principal payments are made on the loan to align the payoff with the anticipated ending date of the Coast Guard dock lease.

Staffing

This budget provides for no staff positions. Staff assistance provided by the Public Works Department is charged to this fund. The Finance Department monitors expenditures and fund balance.

FIDUCIARY FUNDS

FUND: AQUATIC FACILITY TRUST # 401

Basic Objectives

The Aquatic Facility Trust Fund was established by City Council Resolution No. 00-12, adopted on March 20, 2000. This is an expendable trust. The resources are used for the purpose intended by the donor such as aquatic center improvements or equipment purchases and free swim programs. The ending fund balance represents prior year donations made to assist with installing an energy efficient cover for the pool.

During 2010 collections were gathered by Friends of the Aquatic Center to purchase a cover for the pool. Donations were submitted to the City and added to by a donation made in memory of Freda Englund. The total funds restricted for purchase of pool covers is \$ 6,390.

Staffing

The Parks & Community Services Director administers this fund. The Finance Department provides accounting services to this fund.

FUND: ASTORIA PUBLIC LIBRARY ENDOWMENT TRUST # 403

Basic Objectives

This fund was established by the adoption of City Council Resolution No. 00-13 on April 17, 2000. The fund accounts for the gift given to the City by Mr. Don A. Goodall who wished to establish an endowment fund in memory of his parents, Harris Allen and Mabel Mae Goodall. The intent was to establish a resource which would grow and provide an additional source of revenue for library needs.

On March 7, 2005, the City Council adopted Resolution No. 05-05 to transfer the assets from the Astor Library Far East, the Library Memorial and the Dorothy Whitney Trust Funds to the Astoria Public Library Endowment Trust Fund. The assets of these fund accounts are utilized in accordance with the original guidelines established by donors.

Staffing

The Library Director administers this fund for the Library. The Finance Department provides accounting services to this fund.

FUND: CEMETERY IRREDUCIBLE # 408

Basic Objectives

The Cemetery Irreducible Fund was created to receive a portion of each grave sale and is a nonexpendable trust fund. It is governed by City Code section 1.340. The resources of this fund accumulate to provide for perpetual care at the Oceanview Cemetery once all graves have been sold. Interest earned by this fund is used for the operations budgeted in the Maintenance Department of the Parks Operation Fund (#158).

Staffing

This budget provides for no staff positions. The Finance Department monitors fund activity.

FUND: PROMOTE ASTORIA # 410

Basic Objectives

The Promote Astoria Fund was established by the adoption of City Council Resolution No. 81-36, on September 8, 1981. This fund was originally created to receive a portion of the transient room tax as required to be paid on the rental of short-term lodging within the City. City Code restricts use of the funds for activities which promote Astoria as a tourist destination. In 1993-94, the City Council approved changing the concept of this fund to promoting the region as a tourist destination.

In accordance with ORS 320.300 and as recognized by Council on June 7, 2004, 46.1% of collected motel taxes are being deposited into the Promote Astoria Fund to promote tourism and tourism facilities as defined by Oregon Laws 2003, Chapter 818.

City Council approved a 2% increase to the Transient Lodging Tax rate from 9% to 11%, beginning January, 2018 with adoption of Ordinance 17-11. HB 2267 placed restrictions on new or increased local lodging taxes so that 70% of new or increased taxes must be used for tourism promotion or tourism related facilities and 30% is unrestricted in use. Ordinance 18-03 provided for distribution of 70% of the 2% increase to Promote Astoria for the purpose of supporting Tourist related facilities maintained and operated by City Parks Departments.

Staffing

This fund provides for no staff positions. The Finance Department monitors expenditures and fund balance.

FUND: LOGAN MEMORIAL LIBRARY TRUST # 412

Basic Objectives

The Logan Memorial Library Trust was established by City Council Resolution No. 98-18, adopted on June 1, 1998 to account for the proceeds from the Lorens F. Logan Estate and any other contributions. The City of Astoria was a longstanding beneficiary of the Lorens F. Logan estate. Mr. Logan was the grandson of former Astoria Mayor Dr. W. C. Logan. During FYE June 30, 1999, the last living beneficiary of the trust died and the assets distributed to beneficiaries. The City received a bequest of stock and investments valued at approximately \$620,000. Under Oregon State Law, municipalities cannot hold stock or be shareholders in private companies, so the assets were liquidated. The bequest was specifically designated for future library construction.

During FYE June 30, 2010, legal action was taken through the “cy pres” process to modify the trust for use of extensive remodeling of the current Astoria library building. The remodeling of the library shall be accompanied by a renaming of the library to “Logan Memorial Library”.

Staffing

The Library Director administers this fund. The Finance Department provides accounting services to this fund.

FUND: LIBRARY RENOVATION FUND # 414

Basic Objectives

The Library Renovation Fund was established by City Council Resolution No. 15-02, adopted on January 5, 2015 as an expendable trust fund for gifts designated for renovation of the Astoria Public Library. \$ 7,400 was received from the Estate of Ruth Jensen who was a dedicated friend of the public library and a school librarian devoted to the success of children everywhere to read well and succeed in school and in life. The Jensen bequest was specifically designated for furnishing the children's area in the renovated library.

Staffing

The Library Director administers this fund. The Finance Department provides accounting services to this fund.

Schedule of Tax Levies Imposed

<u>Levy Description</u>	Actual 2017-18	Actual 2018-19	Estimated 2019-20
General Fund	\$ 6,193,985	\$ 6,441,585	\$ 6,633,985
Total	<u>\$ 6,193,985</u>	<u>\$ 6,441,585</u>	<u>\$ 6,633,985</u>

In the property tax system, the Oregon Department of Revenue calculated a permanent tax rate of \$8.1738 for the City of Astoria. The tax to be imposed on tax payers in Astoria is calculated by multiplying the assessed property values by the permanent tax rate. In order to project a property tax revenue for 2019-20, a projected assessed value of \$ 819,456,119 was used. The assessed value for 2018-19 was \$ 786,104,584. The 2019-20 value represents a 3 % increase to the posted County valuation for FY 2018-19.

The budget committee authorized a levy of the full permanent rate of \$8.1738.

APPENDIX

THE BUDGET PROCESS

The budget for the City of Astoria is implemented on July 1 of each year. The process begins in December, when the Finance Department distributes preliminary budget estimate forms to each department. Each department head prepares and submits estimated budget figures for the coming year, and submits them to the City Manager.

After budget estimates are prepared, the Finance Department enters the figures on Detail Budget sheets. Each department head meets with the City Manager and Finance Director to review and answer questions about specific line items. Budgeted amounts are refined during these meetings.

In the next step, the finalized expense figures are transferred to the Proposed Budget Document pages in a spreadsheet format. They are combined with projected revenue and resource information to obtain the Proposed Budget, which is presented to the Budget Committee.

By state law, the Budget Committee is comprised of the five members of the City Council (the governing body) and an equal number of citizens at large. Members of the Budget Committee are provided with background and supplemental information to assist them during the process.

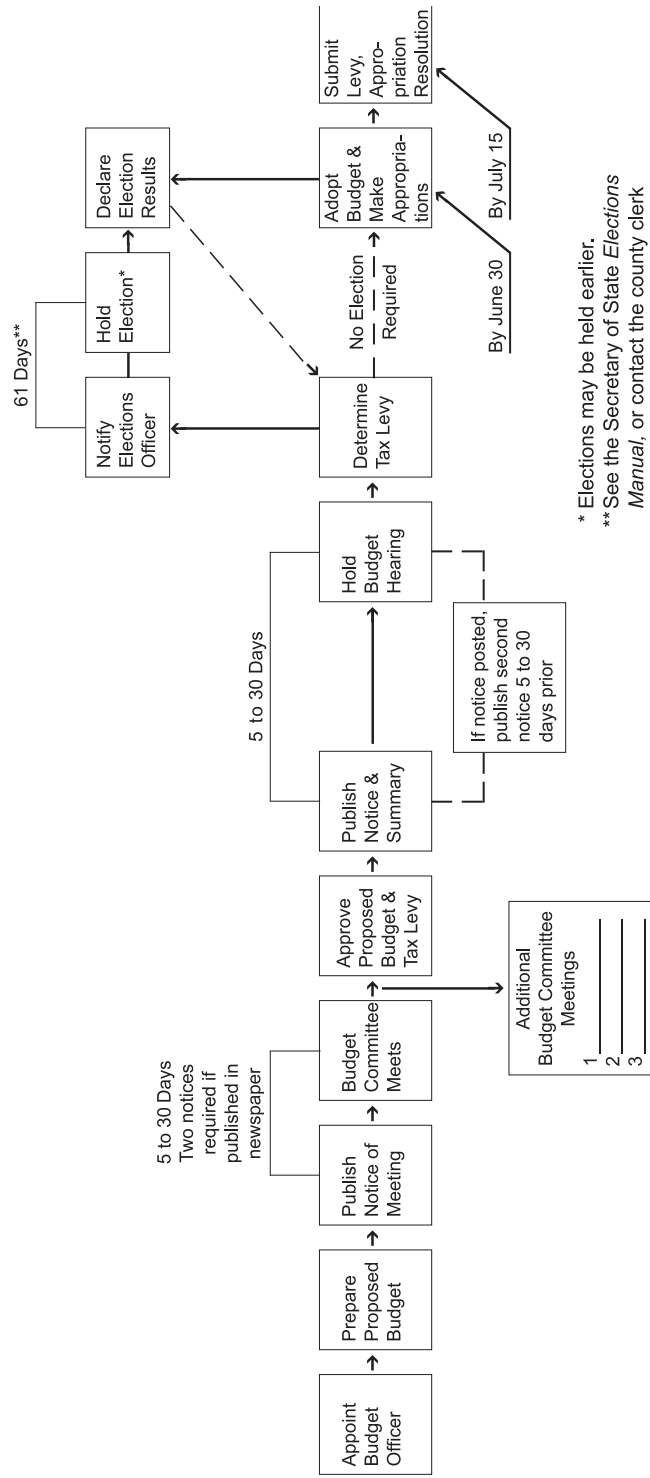

The first formal meeting of the Budget Committee includes a public hearing. Anyone wishing to present ideas or programs for which City funding is sought may make a presentation to the Budget Committee. The Committee sets several work sessions to review and/or revise the figures as presented in the Proposed Budget.

After the Budget Committee approves the Proposed Budget, a summary of the Approved Budget is published in the newspaper. Copies of the complete Approved Budget document are made available to the public at City Hall. Published legal notices also notify the public of the date on which the Approved Budget is submitted to the City Council for consideration at a public hearing. After the hearing, the City Council considers a resolution which adopts the budget, makes appropriations and levies taxes or sets a tax rate to cover the cost of the budgeted items. After this resolution is adopted by the City Council, the budget is filed with the County Clerk, and the County Tax Assessor.

During the year, the City Council may authorize transfers of appropriations within a fund by resolution. This allows for contingency or other unexpended funds to be used for unexpected expenses. With a few strictly-controlled exceptions, if extra revenue is received or needed, a supplemental budget must be adopted. This requires that the normal budget process be followed, with publication notices and a hearing before the City Council. A supplemental budget must be filed in the same manner as the regular budget.

The following graphic illustrates the flow of the budget process. Following the graphic is the City's budget calendar for the 2018-19 budget preparation process that shows the dates used to meet each step of the process graphic:

The Budget Process

* Elections may be held earlier.
 ** See the Secretary of State *Elections Manual*, or contact the county clerk for actual dates of filing.

Glossary of the Division of Accounts

The following definitions are found in alphabetical order under four separate headings for: Personal Services; Materials & Services; Capital Outlay; and Other.

PERSONAL SERVICES:

Personal Services includes expenditures for salaries, wages and related employee benefits provided for all persons employed by the City:

Extra Help

Includes expenditures for wages provided to all persons employed by the City on a part-time or temporary basis.

FICA Taxes

Includes employer's share of social security taxes paid on the total compensation earned by each person employed by the City. The current rate is 7.65%.

FLSA Overtime

The Federal Fair Labor Standards Act (FLSA) requires the payment of overtime when an employee works more than 40 hours per week. Astoria firefighters work a 24-hour shift schedule which requires the payment of FLSA overtime.

Holiday Pay

Includes expenditures for overtime, provided for all public safety personnel, in lieu of time off on a holiday.

Holiday Pay Overtime

Includes expenditures for overtime, provided for some personnel required to work overtime on a holiday in lieu of time off.

Insurance

Includes employer contributions for medical, dental, life and long-term disability insurance provided for all persons employed full-time.

Interfund Wages

Includes expenditures in all funds except Public Works, for all personal services, provided by persons employed by Public Works, for other funds of the City.

Overtime

Includes all compensation paid for work in excess of 8 hours in a day or 40 hours in a week, or for call back time, to all persons employed by the City.

Regular Salaries

Includes expenditures for salaries and wages of all regular full and part-time employees of the City.

Retirement Contributions

Includes employer contributions and employee mandatory contributions for all regular full- and part-time employees after 6 months and 600 hours of employment. Temporary employees may be covered if they meet PERS membership criteria for hours worked in a period of time.

Workers' Compensation

Includes employer contributions for workers' compensation insurance on all persons employed by the City.

MATERIALS & SERVICES

The Materials & Services section of the budget contains amounts to be spent for goods and services used in day-to-day operations and activities.

Advertising

Expenses for the cost of advertising in newspapers, etc.

Conferences, Meetings & Travel

Expenses incurred by employees who attend conferences and meetings related to their work duties. Also includes motor pool charges, freight and express charges, and messenger service charges.

Communication

Telephone and postage expenses.

Fee & Charge Programs

Expenses incurred for Parks & Recreation recreational and cultural special events, such as trips to plays outside of the Astoria area. The cost of each trip is generally borne by the participants who pay a fee that includes the event ticket and transportation. Also includes special programs at the Astoria Aquatic Center.

Insurance

All insurance other than that related to Personal Services. This includes liability and property insurance.

Memberships & Dues

Membership fees and dues for professional and associate groups.

Miscellaneous

Court costs and investigations, judgments and damages, information and credit services, taxes, laundry and other contractual services not otherwise classified above.

Office Supplies

Office stationery, forms, maps and other common office supplies.

Operating Supplies

Agricultural supplies, chemicals, drugs, medicines, laboratory supplies, cleaning and sanitation supplies, feed for animals, food for human consumption, fuel, oil, and lubricants, household and industrial supplies, clothing, books and computer software.

Printing & Binding

The cost of printing and binding items required to maintain operations. This may include forms, brochures, manuals and other documents such as the budget and annual report.

Professional Services

Accounting and auditing, management consulting, engineering and architectural services, special legal services, medical, dental and hospital and other professional services.

Projects Funded by Grants

Funds are budgeted here for projects that will be accomplished if anticipated grant monies are received.

Public Utility Services

Natural gas, electric and refuse service.

Rentals

Rental of land, buildings, or machinery and equipment.

Repair & Maintenance Services

Repair and maintenance of buildings, structures, improvements and equipment which is not done by City employees.

Repair & Maintenance Supplies

Building materials and supplies, paints and painting supplies, structural steel, iron and related metals, plumbing supplies, electrical supplies, motor vehicle repair materials and supplies, and other repair and maintenance supplies.

Small Tools & Minor Equipment

Items of small tools and equipment which would not be consumed or materially altered when used, but which cost less than \$100, excluding electronic equipment which must be included in Capital Outlay.

Training

Schools and workshops that enhance or maintain skills or knowledge which employees need to remain current in the technology of their position requirements.

CAPITAL OUTLAY:

Capital Outlay includes outlays that result in the acquisition of or addition to fixed assets. They are classified as follows:

- Buildings
- Improvements other than buildings
- Land
- Machinery and equipment costing more than \$100

OTHER CLASSIFICATIONS:

Some funds may have one or more of the following account categories:

Beginning Fund Balance – Prior Year Actual Basis

A fund balance that may include the net available of cash, fixed assets, value of inventory, accounts receivable and liabilities of the fund as stated in the financial statements according to Generally Accepted Accounting Principles.

Beginning Fund Balance – Budgetary Basis

All funds are proposed with the estimated cash balance in the fund at the beginning of a fiscal year. This cash balance may differ significantly from the prior year actual ending fund balance.

Contingent Expenditures

An undesignated appropriation to accommodate unanticipated expenditures that become known after the budget is adopted. Funds are transferred to the appropriate department/fund by resolution of the City Council.

Debt Service

Expenditures for repayment of principal and interest on bonds and loans.

Ending Fund Balance

The appropriation budgeted to remain in a fund at June 30. This amount is carried over as the Beginning Fund Balance for the next fiscal year to allow for continued operations until budgeted revenues are received.

Loan Disbursements

The loan of grant proceeds to qualified owners of low income property to make improvements to maintain and improve the housing stock available to low income residents.

Special Payments

Extraordinary expenses not normally associated with fund budgeting. Specifically, these include payments from a revolving loan program to local businesses for improvement projects.

Transfers to Other Funds

Funds transferred from one fund to another to pay for the cost of services provided by the receiving fund.
