Independent Auditors' Report Required by Oregon State Regulations	95

January 24, 2014

Honorable Mayor, Members of the City Council and the City Manager City of Astoria, Oregon 97103

State law requires that every general-purpose local government publish, within six months of the close of each fiscal year, a complete set of audited financial statements. This report is published to fulfill that requirement for the fiscal year ended June 30, 2013.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

As required by Generally Accepted Accounting Principles, this report includes the government and its component units, entities for which the government is considered to be financially accountable. Blended component units, although legally separate entities, are in substance, part of the government's operations and, so, data from these units are combined with data of the primary government. See Footnote 1.A for further elaboration.

Pauly, Rogers and Co., P. C., Certified Public Accounts, has issued an unmodified ("clean") opinion on the City of Astoria's financial statements for the year ended June 30, 2013. The Independent Auditors' report is located in the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the Independent Auditors' report and provides a narrative introduction, overview and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

Profile of the Government

The City of Astoria is located in Clatsop County in the northwestern corner of Oregon. Situated on the shores of Young's Bay and the Columbia River, just seven miles from the Pacific Ocean, the area is noted for its spectacular scenery, its history, natural resources and outstanding recreational opportunities.

The City is the oldest permanent American settlement west of the Rocky Mountains. It was first settled in 1811 by fur traders working for New York fur merchant John Jacob Astor, after whom the City draws its name. Astoria was first incorporated as a city in 1856. During the late 1800s, with its bustling salmon canneries, forest products and shipping industries, Astoria was known as the liveliest boom town between Seattle and San Francisco.

The City operates under the council-manager form of government. Policy-making and legislative authority are vested in a governing council consisting of the mayor and four other members. The governing council is responsible for, among other things, passing ordinances, adopting the budget, appointing committees, and hiring the government's manager, attorney and municipal judge. The government's manager is responsible for carrying out the policies and ordinances of the governing council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments.

Members of the council are elected on a non-partisan basis. The members serve four-year staggered terms, with two council members elected every two years. Each member represents a geographical ward and must live within that ward. The mayor is elected at large to serve a four-year term.

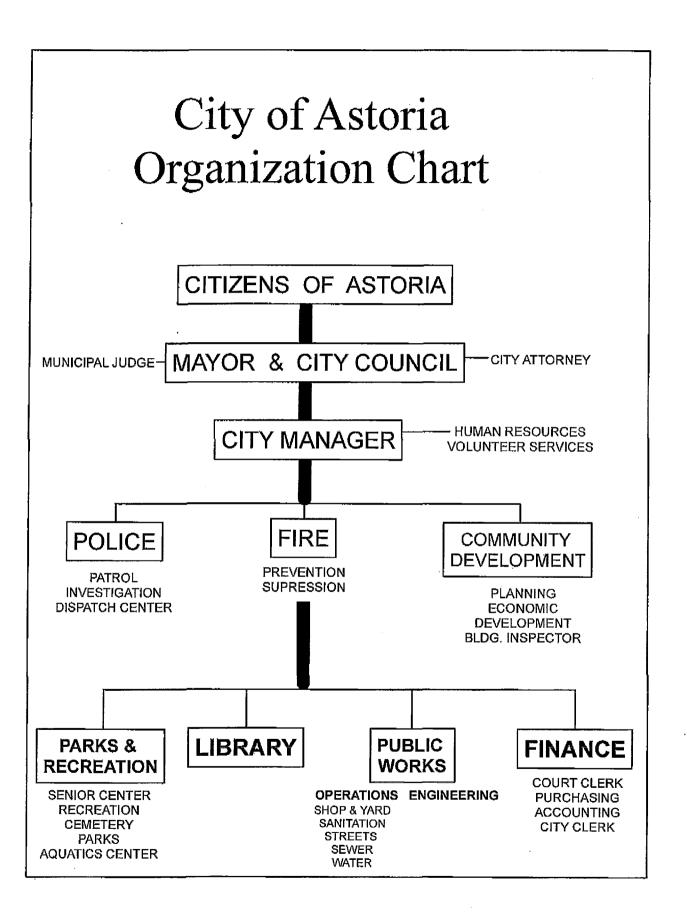

Accounting System and Budgetary Control

The accounting system was designed with consideration given to a system of internal controls that: (1) safeguard assets against loss from unauthorized use or disposition, and (2) maintain the reliability of financial records for preparation of financial statements and accountability for assets. Budgetary control is maintained at the department level, in those funds having departments, and at the object level in all other funds by the encumbrance of estimated purchase amounts prior to the release of purchase orders to vendors

The annual budget serves as the foundation for the City's financial planning and control. All departments of the City are required to submit requests for appropriation to the government's manager during February of each year. The city manager uses these requests as the starting point for developing a proposed budget. As required by Oregon Local Budget Law, the manager then presents this proposed budget to a budget committee comprised of the five members of the City Council and five residents of the City who are appointed by the Mayor. The budget committee holds a public hearing and then reviews, revises and approves the budget. The budget is then submitted to the city council. The council is required to hold a public hearing on the approved budget and to adopt a final budget before June 30, the close of the City's fiscal year. The appropriated budget is prepared by fund, function (e.g., general), and department (e.g., police). Department heads may transfer resources within a department as they see fit. Transfers between departments, however, are done by resolution of the council in accordance with Oregon Local Budget Law.

Respectfully submitted,

Mark Carlson, CPA Finance Director

INDEPENDENT AUDITORS' REPORT

To the City Council City of Astoria Clatsop County, Oregon

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Astoria, as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, and the aggregate remaining fund information of the City of Astoria, as of June 30, 2013, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the management's discussion and analysis because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The budgetary comparison schedules presented as Required Supplementary Information, as listed in the table of contents, have been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and in our opinion are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The supplementary, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information, as listed in the table of contents, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information, as listed in the table of contents, is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

The listing of board members containing their term expiration dates, located before the table of contents, and the other information and introductory section, as listed in the table of contents, have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Report on Other Legal and Regulatory Requirements

In accordance with Minimum Standards for Audits of Oregon Municipal Corporations, we have issued our report dated January 24, 2014, on our consideration of compliance with certain provisions of laws and regulations, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules. The purpose of that report is to describe the scope of our testing of compliance and the results of that testing and not to provide an opinion on compliance.

Roy R. ROGERS, CPA

MANAGEMENT'S DISCUSSION AND ANALYSIS

This discussion and analysis presents the highlights of financial activities and financial position for the City of Astoria (City). The analysis focuses on significant financial issues, major financial activities and resulting changes in financial position, budget changes, and specific issues related to funds and the economic factors affecting the City.

Management's Discussion and Analysis (MD&A) focuses on current year activities and resulting changes. Please read it in conjunction with the Transmittal Letter and the City's financial statements.

FINANCIAL HIGHLIGHTS

The City's net position totals \$47,077,911. This includes general and business-type fixed assets. Infrastructure improvements have been added for these financial statements.

Governmental revenues increased by \$1,290,990 (or 10.5%). This increase is attributable to an increase in charges for services, property tax collections and non-ad valorem taxes.

Business-type activities revenues increased by \$2,001,627 (or 28%). This is attributable to a increase for grants and loans for public works projects. Charges for services increased by \$336,216 (or 5.35%).

Overall, City expenses for both types increased by \$484,943 (or .03%). This is attributable to expenditures for capital projects.

These items are described later on in this discussion.

REPORT LAYOUT

The City's annual financial report consists of several sections. Taken together they provide a comprehensive financial look at the City. The components of the report include the following:

Management's Discussion and Analysis. This section of the report provides financial highlights, overview and economic factors affecting the City.

Basic Financial Statements. These include Statement of Net Position, Statement of Activities, fund financial statements and the notes to the financial statements. Statements of Net Position and Activities focus on an entity-wide presentation using the accrual basis of accounting. They are designed to be more corporate-like in that all activities are consolidated into a total for the City.

- The Statement of Net Position focuses on resources available for future operations. In simple
 terms, this statement presents a snapshot view of the assets the community owns, the liabilities
 it owes and the net difference. The net difference is further separated into amounts restricted
 for specific purposes and unrestricted amounts.
- The Statement of Activities focuses on gross and net costs of city programs and the extent to
 which such programs rely upon general tax and other revenues. This statement summarizes
 and simplifies the user's analysis to determine the extent to which programs are self-supporting
 and/or subsidized by general revenues.
- Fund financial statements focus separately on major governmental funds and proprietary funds. Governmental fund statements follow the more traditional presentation of financial statements. The City's major governmental funds are presented in their own column and the remaining funds are combined into a column titled "Other Governmental Funds." Statements for the City's proprietary funds follow the governmental funds and include net position, revenues, expenses and changes in fund net position, and cash flows. The budgetary statements for the major

governmental and proprietary funds are located in the Required Supplementary Information section.

• The notes to the financial statements provide additional disclosures required by governmental accounting standards and provide information to assist the reader in understanding the City's financial condition.

Other Supplementary Information. Readers desiring additional information on non-major funds can find it in the Combining Statements of Non-major Funds and/or the Supplementary Information-Budgetary Comparison sections of this report. Components within this section include:

- Combining Statements. Non-major funds are presented here, whereas major funds are included within the Basic Financial Statements. These statements include balance sheets and statements of revenues, expenditures and changes in fund balances that are carried forward to the Basic Financial Statements.
- Budgetary Comparisons. Budgetary information for all non-major governmental and proprietary funds is presented here.
- Capital Assets and Other Financial Schedules complete the Financial Section of the report.

Reports by independent certified public accountants. Supplemental communication on city compliance and internal controls as required by Oregon statutes.

CITY AS A WHOLE GOVERNMENT-WIDE FINANCIAL STATEMENTS

STATEMENT OF NET POSITION AT JUNE 30, 2013 Governmental Activities

A comparison of governmental current assets indicates an overall increase of \$13,106.

	<u>2012</u>	<u>2013</u>	<u>Difference</u>
Total Governmental Current Assets	\$10,307,441	\$10,456,966	\$149,525

This is attributable, for the most part, to using assets of the Capital Improvement Fund for the remodel of City Hall.

Business-type Activities

The transactions of the Public Works Improvement Fund are classified as a business-type activity because this fund receives water and sewer revenues that fund public works capital improvements. Also, the City has entered into an agreement with the Department of Environmental Quality to design and construct combined sewer overflow infrastructure. The funds related to this project are added to the business-type funds. Infrastructure is included in the assets of the Public Works Fund. This increases the net position of the business-type funds.

A portion of the year-end net position is restricted for specific purposes. The restrictions represent legal or contractual limitations on how the assets may be expended. Within the governmental activities category examples are assets designated for cemetery care and collections limited to repayment of debt.

Beginning Net Position	22,701,330	23,257,529	17,207,826	18,891,996	39,909,156	42,149,525
Prior Period Adjustment	186,408		(66,751)		119,657	
Ending Net Position	\$ <u>23,257,529</u>	\$ <u>25,382,947</u>	\$ <u>18,891,996</u>	\$ <u>21,694,964</u>	\$42,149,525	<u>\$47,077,911</u>

Governmental Activities

Governmental revenues increased by \$1,290,990 (or 10.5%). The increase is attributable to increases in property tax collections, charges for services and non-ad valorem collections.

Business-type Activities

Business-type activities revenues increased by \$2,001,627 (or 28%). This increase relates to an increase in the amount of grant and loan proceeds that the City received for capital projects. Charges for services increased by \$336,216 (or 5.4%).

BUDGETARY HIGHLIGHTS

Adjustments were made to several budgets for FYE June 30, 2013, as follows: Municipal Court, \$10,000; Non and Interdepartmental, \$199,500; Capital Improvement Fund-Capital Outlay, \$85,000; Unemployment Fund, \$44,500; Astor East Urban Renewal Fund, \$156,350; Emergency Communication Fund, \$30,000; Parks and Recreation Fund, 506,350; Parks Operations Fund, \$155,000; Landfill Reserve Fund, \$41,040; 17th Street Dock fund, \$1,650,000; and, Promote Astoria Fund, 348,500.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of June 30, 2013 the City had invested \$57,953,416 in capital assets, net of accumulated depreciation, as reflected in the following table. The result of the additions and deletions for this fiscal year is an overall increase to capital assets in the amount of 8,384,290. After depreciation, the capital assets increased by \$7,736,295.

Table 3:

Assets for governmental activities were added in the amount of \$2,741,328. Final payments for the City Hall remodel were made in the amount of \$102,451. Grant financed improvements to the Public Safety Building were made in the amount of \$1,632,090. Construction for two projects were paid for, as follows: the Garden of surging Waves, \$652,891; Heritage Square, \$287,874. Grants and special revenue funds were used for equipment in the amount of \$66,022.

Business-type activities assets were added in the amount of \$7,167,124. The Combined Sewer Overflow (CSO) compliance continued with the 11th Street Separation in the amount of \$2,486,053. The 17th Street Dock project incurred expenditures of \$4,260,275. Other water and sewer improvements were made in the amount of \$377,228. Other equipment was purchased in the amount of \$43,568

Debt Outstanding

As of year-end, the City had \$22,209,256 in debt outstanding compared to \$21,166,833 last year. \$1,340,591 of the debt outstanding at June 30, 2013 is due within one year.

Total	<u>\$21,166,833</u>	<u>\$22,209,256</u>			

Governmental debt had several transactions during the year June 30, 2013. The Aquatic Facility bonds were paid off in the amount of \$180,000. \$350,000 was borrowed from Clatsop Community Bank for the Heritage Square project and ended the year with a balance of \$348,250.

The City has entered into an agreement with the Department of Environmental Quality (DEQ) to borrow money for the design and construction of combined sewer overflow infrastructure. To date the total amount borrowed from DEQ is \$13,669,070. During the year June 30, 2013 \$65,524 was borrowed for loan #11793 and \$23,248 for loan #11794.

The City is under order to ameliorate discharge from the City's sewer lagoon. The City made an initial borrowing of \$108,600 from the Oregon Infrastructure Financing Authority (IFA). The City also borrowed \$1,908,034 from IFA to finance the 11th Street CSO separation project.

A total of \$15,577,104 has been borrowed for Combined Sewer Overflow improvements.

For more detailed information on the City's debt and amortization terms refer to the notes.

ECONOMIC FACTORS

Oregon does not have a sales tax and thus property taxes are a major resource component of many communities. Property taxes are important to the City. They represent 63.8% of resources of the General Fund and 42% of governmental revenues overall. Other resources include franchise fees, motel taxes, charges for services and fines. Investment earnings decreased through 2012-13. To deal with its limited resources the City constrains unnecessary spending.

The City maintains a variety of governmental funds for special purposes. The Capital Improvement Fund received revenues from state taxes, the sale of City property, grants and other sources in the amount of \$1,893,134, including \$63,431 from the harvest of timber with expenditures of \$1,923,536. These expenditures included the remodel of City Hall and grant funded projects. The Building Inspection Fund received fees of \$110,175, with expenditures of \$161,618 and a transfer out for \$15,210. The Emergency Communication Fund provides dispatch services for the City and other area entities. It received 911 proceeds and other charges for services in the amount of \$708,257 with expenditures of \$925,388. The Parks Operations Fund received operating revenues in the amount of \$828,160 with expenditures of \$1,729,864. The General Fund provided a transfer of \$888,003. The Astor East and West Urban Renewal Districts are blended component units of the City. They received revenues of \$957,627 with expenditures of \$1,005,616. The majority of the expenses recorded on a budgetary basis for the Urban Renewal Funds were loans made to local businesses for capital improvements. The loans receivable for these projects was \$685,193 at June 30, 2013. Finally, the Promote Astoria Fund received \$550,255 as its allocation of motel tax collections. Distributions in the amount of \$506,781 were expended. These are the most significant of the governmental special purpose funds.

The business-type activities are funded with utility charges. During fiscal year ended June 30, 2013 the City increased the water rates by 5%. Sewer rates were increased by 5%. A sewer surcharge of 73% was dedicated to the Combined Sewer Overflow Debt Service Fund. Resources will be accumulated in this fund to payback loans incurred for the combined sewer overflow infrastructure project. A total of \$7,167,124 was expended for capital improvements, of which \$7,152,825 was for capital projects and \$14,299 for equipment.

Uncertainties about future economic changes and financial impacts are common in all cities. The City continues to constrain spending to items and personnel necessary to provide quality services for its citizens. City staff continues to investigate and initiate opportunities for economic development to provide increased resources for the City's operations.

FINANCIAL CONTACT

The City's financial statements are designed to present users (citizens, taxpayers, customers, investors, and creditors) with a general overview of the City's finances and to demonstrate the City's accountability. If you have questions about the report or need additional financial information, please contact the City's Finance Director at 1095 Duane Street, Astoria, OR 97103. Complete financial statements of the blended component unit, the Astoria Development Commission, can be obtained from the same address.

CITY OF ASTORIA, OREGON RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES For the Fiscal Year Ended June 30, 2013

Amounts reported in the statement of activities are different because:

Net change in fund balances	\$ 273,103
The statement of revenues, expenditures, and changes in fund balances report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation exceeded capital outlay in the current period.	1,943,060
Some revenue reported in the statement of activities do not provide current financial resources in the governmental funds.	(91,443)
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.	
Accrued Interest Expense	6,662
Net OPEB obligation	(29,653)
Accrued compensated absences are not due and payable in the current period and therefor are not reported in the funds. Compensated Absences	(17,428)
The issuance of long-term debt (e.g., bonds) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. This is the amount by which proceeds exceeded	
repayments.	 41,117
Change in net position of governmental activities	\$ 2,125,418

The accompanying notes are an integral part of the basic financial statements.

FUND FINANCIAL STATEMENTS Proprietary Funds

Enterprise Funds

These funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the governing body is that the costs of providing the services to the general public on a continuing basis be financed primarily through user charges.

Public Works Improvement Fund #176

This fund is designed to provide funding to plan, budget for, and accomplish major public works construction and improvement projects.

Public Works Capital Reserve Fund #178

Combined Sewer Overflow Operations

These funds are designated to provide fiscal accounting for the projects required by the Final Stipulation and Order that the City has signed with the Oregon Department of Environmental Quality (DEQ) to separate water runoff from sewer outflow into the Columbia River.

Cemetery Fund #325

This fund provides for the operation and maintenance of Ocean View Cemetery, which is owned by the City of Astoria.

Landfill Reserve Fund #305

Accounts for transfers from the General Fund from proceeds of the Western Oregon Waste franchise payments and

Public Works Fund #301

Accounts for the costs associated with operating and maintaining the City's streets, water and sewer systems.

17th Street Dock Fund #330

Accounts for payments made by the U.S. Coast Guard to lease dock space for two local Coast Guard vessels and for rent paid by tour boats that moor in downtown Astoria to be near the mouth of the Columbia River

NOTES TO BASIC FINANCIAL STATEMENTS

(1) Summary of Significant Accounting Policies

The financial statements of the City of Astoria (City) have been prepared in accordance with Generally Accepted Accounting Principles (GAAP). GAAP statements include all relevant Governmental Accounting Standards Board (GASB) pronouncements.

The Governmental Accounting Standards Board issued Statement 34, Basic Financial Statements and Management Discussion and Analysis for State and Local Governments (GASB 34). This statement requires reporting of the local government's infrastructure (roads, paths, street lights, etc.), along with other required supplementary information. The City's financial statements for the fiscal year ended June 30, 2013 comply with the requirements of GASB 34.

A. Description of Reporting Entity

The City of Astoria, Oregon (City) was incorporated October 20, 1876 under the provisions of Oregon Revised Statutes, Chapter 221.220. The City operates under a Council-Manager form of government and provides the following services, as authorized by its charter: community development, public safety (police and fire protection), culture and recreation (parks, recreation and library), public works (water, sewer, garbage and infrastructure engineering), streets maintenance, cemetery operation, and traffic and parking control.

As required by generally accepted accounting principles, these financial statements present the City and its component units, entities for which the City is considered to be financially accountable. Blended component units, although legally separate entities, are in substance, part of the City's operations and so data from these units are combined with data of the primary government. Each blended component unit has a June 30 year end.

Blended Component Unit - Astoria Development Commission (Commission)

The City's statements include all funds, agencies and boards that are in substance part of the primary government's operations, including the Commission that oversees the Astor East Urban Renewal District and the Astor West Urban Renewal District, legally separate Oregon municipal corporations. Although the Commission is responsible for its own budget and financial statements, results of its operations and its financial position are included in these statements. The Commission's capital assets and long-term debt are blended with the City's accounts and are presented in the City's Statements of Activities and Net Position. Its results of operations and current financial position are reported as a special revenue fund and the debt service portion is reported as a debt service component unit. The "blended" presentation is used, primarily, because the Commission is substantively the same as the City's elected officials. The City's Finance Director is the Commission's Treasurer who maintains sole access to the Commission's financial records, and, accordingly, pays approved invoices, invests surplus funds, files budgets and issues financial statements for the Commission. The Commission's financial statements may be obtained at City Hall, 1095 Duane, Astoria, Oregon, 97103.

The City Council has established, by resolution, several commissions, boards and committees. None of them have funds or financial considerations and are not municipal corporations, pursuant to State Law. Therefore, their activities are not included within the scope of these financial statements.

Financial statements for the City's pension plans are not included because they are administered by boards independent of the City. City management does not exert any control and the assets of the plan are not the property of the City.

B. Basic Financial Statements

Basic financial statements are presented at both the government-wide and fund financial level. Both levels of statements categorize primary activities as either governmental or business-type. Governmental activities, which are normally supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

Government-wide statements

The statement of net position and the statement of activities display information about the City as a whole. These statements include all the financial activities of the City. Eliminations have been made to minimize the double-counting of internal activities.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the statement of activities. *Program revenues* include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs, and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Fund financial statements

These statements display information at the individual fund level. Each fund is considered to be a separate accounting entity. Funds are classified and summarized as governmental or proprietary. Major individual governmental funds are reported as separate columns in the fund financial statements. Non-major funds are consolidated into a single column in the financial section of the basic financial statements and are detailed in the supplemental information.

C. Basis of Presentation

The financial transactions of the City are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The GASB 34 model sets forth minimum criteria (percentage of the assets liabilities, revenues or expenditures/expenses of either fund category or the governmental and proprietary combined) for the determination of major funds. Non-major funds are combined in a column in the fund financial statements and detailed in the combining section.

The City reports the following major governmental funds:

- General Fund
- Housing Rehabilitation Loan Fund
- Astoria Road District Fund
- Capital Improvement Fund

Additionally, the City reports the following non-major governmental funds within the governmental fund type:

Special Revenue Funds

These funds account for revenues derived from specific taxes or other earmarked revenue sources, including state gas tax and state revenue sharing entitlements, which are legally restricted to expenditures for specified purposes.

Debt Service Funds

These funds are used to account for financial resources to be used for the repayment of general obligation and other long term debt.

Permanent Funds

These funds are used to account for financial resources the interest from which is to be used for a designated purpose. The principal resources of these funds are nonexpendable.

The City reports all of its proprietary funds as major funds. These funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the governing body is that the costs of providing the services to the general public on a continuing basis be financed primarily through user charges. These funds represent the following operations – Public Works, Streets, Water, Sewer, Dock and Cemetery. The City reports the following proprietary funds:

- Public Works Improvement Fund
 This fund includes public works capital improvement projects
- Public Works Capital Reserve Fund
 This fund holds proceeds for future public works capital requirements
- Combined Sewer Overflow (CSO) Operations
 The projects funds include design and construction of combined sewer overflow infrastructure
 The debt service fund receives the sewer surcharge revenues to pay for the CSO loan
- Cemetery Fund
 This fund includes the operations of the Ocean View Cemetery
- Landfill Reserve Fund
 This fund holds resources for improvements at the City's closed landfill
- Public Works Fund
 This fund includes engineering, shops, streets, sanitation, sewer and water operations
- 17th Street Dock Fund
 This fund includes construction, repairs and operations of the 17th Street Dock

D. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe which transactions are recorded with the various financial statements. Basis of accounting refers to when transactions are recorded regardless of the measurement focus.

The government-wide financial statements and the Proprietary Funds Financial Statements are reported using the *economic resources measurement focus* and the *full accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources* measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, long-term compensated absences are recorded only when payment is due.

Property taxes, franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period

is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

An unearned revenue liability arises in the Governmental Funds Balance Sheet when potential revenue does not meet both the measurable and available criteria for recognition in the current period. This unavailable unearned revenue consists primarily of uncollected property taxes and assessments not deemed available to financial operation of the current period. In the government-wide Statement of Net Position, with a full accrual basis of accounting, revenue must be recognized as soon as it is earned regardless of its availability. Thus, the liability created on the Governmental Fund Balance Sheet for unavailable unearned revenue is eliminated. Note that unearned revenues also arise outside the scope of measurement focus and bases of accounting, such as when the City receives resources before it has a legal claim to them. For instance, when grant monies are received prior to incurring qualifying expenditures.

Similar to the way its revenues are recorded, a governmental fund records only those expenditures that affect current financial resources. Principal and interest on general long-term debt are recorded as fund liabilities only when due, or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Vested compensated absences are recorded as expenditures only to the extent that they are expected to be liquidated with expendable financial resources. In the government-wide financial statements, however, with a full accrual basis of accounting, all expenditures affecting the economic resource status of the government must be recognized. Thus, the expense and related accrued liability for long term portions of debt and compensated absences must be included.

Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide statements' governmental column, a reconciliation is necessary to explain the adjustments needed to transform the fund based financial statements into the governmental column of the government-wide presentation. This reconciliation is part of the financial statements. Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services, and producing and delivering goods in connection with a proprietary fund's principle ongoing operations. The principal operating revenues of the City's Public Works, 17th Street Dock, Public Works Improvement Fund, CSO Projects, CSO Debt Service and Cemetery Fund are charges to customers for sales and services. The Public Works Fund also recognizes fees intended to recover the cost of connecting new customers to the City's utility systems as operating revenue. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses and overheads, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The basis of accounting described above is in accordance with generally accepted accounting principles.

E. Cash and Investments

For purposes of the statements of cash flows, the City considers cash equivalents as all highly liquid debt instruments purchased with maturity of three months or less.

Investments included in cash and cash equivalents are reported at fair value. The City invests in the State of Oregon Local Government Investment Pool, which is authorized by Oregon Revised Statutes. Interest earned from pooled investments is allocated based on a fund's portion of the total investment balance. The City maintains depository insurance under Federal depository insurance

funds and state and financial institution collateral pools for its cash deposits and investments, except the Local Government Investment Pool, which is exempt from statutes requiring such insurance.

F. Receivables and Payables

Activity between funds that represent lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e. the current portion of interfund loans) or "advances to/from other funds" (i.e. the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds".

Receivables of the proprietary funds are recognized as revenue when earned, including services provided but not billed. Management believes that any uncollectible accounts included in the governmental fund receivable balances are not significant, and therefore no provision for uncollectible accounts has been made. Receivables in proprietary funds are stated net of an allowance for uncollectible accounts.

G. Inventories

Inventories consist of expendable supplies held for maintenance, improvements or operations. Inventories are stated at cost on a first-in/first-out basis and charged to expenses as used.

H. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g. roads, street lights, etc.), are reported in the applicable governmental or business-type activities column in the governmental-wide financial statements. Capital assets are charged to expenditures as purchased in the governmental fund statements, and capitalized in the proprietary fund statements. Capital assets are recorded at historical cost, or estimated historical cost if actual cost is not available. Donated capital assets are recorded at their estimated fair market value at the time received.

As a practical matter, for purposes of maintaining an inventory of moveable assets, capital assets are recorded on the basis of a useful life of one year or more with a cost of \$5,000. Additions or improvements and other capital outlays that significantly extend the useful life of an asset, or that significantly increase the capacity of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

Depreciation for exhaustible assets is recorded as an allocated expense in the Statement of Activities with accumulated depreciation reflected in the Statement of Net Position and is provided on the straight-line basis over the following estimated useful lives.

Asset	<u>Years</u>
Buildings	50
Improvements	20
Utility Systems & Infrastructure	20 – 50
Vehicles	5 - 10
Furniture & Equipment	5 - 10

One-half year of depreciation is taken in the year the assets are acquired or retired. Gains or losses from sales or retirements of capital assets are included in operations of the current period.

Unearned Revenues

Unearned revenues represent uncollected property taxes and other revenues not deemed available to finance operations of the current period.

J. Compensated Absences

Vested or accumulated vacation and holiday leave of Proprietary Funds is recorded as an expense and liability of those funds as the benefits accrue to employees. For Governmental Funds, the liability is reported as current as it may be used at anytime. Sick leave does not vest and is recorded in all funds as taken.

K. Long-term Debt

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are treated as period costs in the year of issue and are shown as other financial uses.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs during the current period. The face amount of debt issued is reported as other financial sources while discounts on debt proceeds received are reported as debt service expenditures.

L. Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – non-spendable, restricted, committed, assigned and unassigned.

In February 2009, the Governmental Accounting Standards Board (GASB) issued Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. The statement enhances the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. The City implemented GASB 54 in the year ending June 30, 2011.

- Non-Spendable Includes items not immediately converted to cash, such as prepaid items and inventory.
- Restricted Includes items that are restricted by external creditors, grantors or contributors, or restricted by legal constitutional provisions.
- Committed Includes items committed by the City Council, by formal council action. Commitments of fund balance must be made prior to the end of the fiscal year.
- Assigned Includes items assigned for specific uses, authorized by the City. Assignments of fund balance can be done at any time, including after the fiscal year end date.
- Unassigned This is the residual classification used for those balances not assigned to another category.

M. Use of Restricted Resources

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources, as they are needed. When unrestricted resources (committed, assigned, and unassigned) are available for use it is the City's policy to use committed resources first, then assigned, and then unassigned as they are needed.

N. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to future periods and so will *not* be recognized as an outflow of resources (expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to future periods and so will *not* be recognized as an inflow of resources (revenue) until that time.

O. Property Tax Calendar

Real and personal property taxes are levied in July of each fiscal year. Property taxes attach as an enforceable lien on property as of July 1, and are payable in three installments on November 15, February 15, and May 15. All property taxes are billed and collected by Clatsop County and remitted to the City. Uncollected taxes, including delinquent amounts, are considered substantially collectible or recoverable through liens, and accordingly no allowance for uncollected taxes has been established by management.

(2) Stewardship, Compliance, and Accountability

A. Budgetary Information

On or before June 30 of each year, the City enacts a resolution approving the budget, appropriating the expenditures, and levying the property taxes. Prior to enacting this resolution, the proposed budget is presented to a budget committee consisting of members of the City Council and a like number of interested citizens. The budget committee presents the budget to the City Council for budget hearings prior to enactment of the resolution. The City budgets all funds as required by Oregon Local Budget Law.

The resolution authorizing appropriations for each fund sets the legal level of control by which expenditures cannot legally exceed appropriations. Total expenditures by department as established by the resolution are the legal level of control for the General and Public Works Funds. Expenditure categories of personal services, materials and services, capital outlay, debt service transfers, and contingency are the legal level of control for all other funds. The detail budget document, however, is required to contain more specific information for the above mentioned expenditure categories. Unexpected additional resources may be added to the budget through the use of a supplemental budget. A supplemental budget requires hearings before the public, publications in newspapers, and adoption by the City Council. Management may modify original and supplemental budgets by the use of appropriation transfers between the legal levels of control within a fund. Such transfers require approval by the City Council. Management may not amend the budget without seeking the approval of the Council. The city had appropriation transfers during the year-ended June 30, 2013. Appropriations lapse as of year-end.

Expenditures for the various funds were within authorized appropriations for the year ended June 30, 2013 except: General Fund- Community Development, was over expended \$6,371, General Fund-Non & Interdepartmental, was over expended \$15,864, General Fund- Transfers Out, was over expended \$32,330, Capital Improvements- Personal Services and Capital Outlay was over expended \$9,000, and \$68,857, respectively. Revolving Loan Fund- Materials and Services was

over expended \$6,953, State Tax Street Fund- Materials and Services was over expended \$1,500, Combined Overflow Debt Service Fund- Principal and Interest was over expended \$23,220, and \$1,331, respectively. Public Works Improvement Fund- Transfers Out, was over expended \$212,550, Aquatics Facility Activity- Transfers Out, was over expended \$3,273, and Combined Sewer Overflow Projects Fund- Transfers Out, was over expended \$2,421.

B. Deficit Fund Balance

The City has four instances of funds that had a deficit in fund balance as of June 30, 2013. See footnote 11 for how the City plans to eliminate these deficit fund balances.

(3) Cash and Cash Equivalents

At June 30, 2013 investments included in cash and cash equivalents consist of the following:

	Weighted	
	Average	Fair
	Maturity (Years)	Value
Investments in the State Treasurer's Local		
Government Investment Pool	0.00	\$ 6,168,947
Certificates of deposit	1.00	1,895,756
Total cash equivalents		\$ 8,064,703

A. Interest rate risk

The City does not have a formal investment policy that limits investments maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

B. Credit risk

State statutes authorize the City to invest in general obligations of the U.S. Government and its agencies, certain bonded obligations of Oregon municipalities, bank repurchase agreements, bankers' acceptances, and the State Treasure's Oregon Local Government Investment Pool, among others. The City has no investment policy that would further limit its investment choices. The State Treasurer's Investment Pool operates in accordance with appropriate state laws and regulations, but is not regulated by other laws, organizations or regulations. The reported value of the Pool is the same as the fair value of Pool shares. Investments are regulated by the Oregon Short-Term Fund Board and approved by the Oregon Investment Council (ORS 294.805 to 294.895). The State Treasure's Oregon Local Government Investment Pool is not registered with the SEC as an investment company and is unrated.

C. Concentration of credit risk

The City does not currently have an investment policy for concentration of credit risk.

D. Custodial credit risk - deposits

This is the risk that in the event of a bank failure, the City's deposits may not be returned. The Federal Depository Insurance Corporation (FDIC) provides insurance for the City's deposits with financial institutions up to \$250,000 each for the aggregate of all non-interest bearing accounts and the aggregate of all interest bearing accounts at each institution. Deposits in excess of FDIC coverage with institutions participating in the Oregon Public Funds Collateralization Program are considered fully collateralized. As of June 30, 2013, none of the City's bank balances were exposed to credit risk.

E. Custodial credit risk - investments

For an investment, this is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The City had no investments of this kind during fiscal year 2012-13 and has no investments of this kind at June 30, 2013.

(5) Special Assessments Receivable

Special assessments receivable represent the uncollected amounts levied against benefited property for the cost of local improvements. Because the assessments are liens against the benefited property, an allowance for uncollectible amounts is not deemed necessary by management. Assessments receivable are offset by deferred revenue and, accordingly, have not been recorded as revenue.

(6) Receivables

Revenues of the Public Works Fund are reported net of uncollectible amounts. Total uncollectible amounts are as follows:

	F	mount
Uncollectibles related to water sales	\$	17,397
Uncollectibles related to sewer charges		11,598
Uncollectibles related to sewer surcharge		6,506
Total uncollectibles of the current fiscal year	\$	35,501

(7) Capital Assets

Capital asset activity for the year ended June 30, 2013 was as follows:

Governmental-type Activities	Beginning Balance	Additions	Deletions	Ending Balance
Capital assets not being depreciated	: \$ 1,466,005	\$ -	\$ -	\$ 1,466,005

Total Interfund Transfers	5,828,215	5,828,215

Interfund transfers represent operating transfers for the year ended June 30, 2013.

(9) Long Term Debt

A. Changes in General Long-term Liabilities

During the year ended June 30, 2013, long-term liability activity was as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Amounts Due within One Year
Governmental Activities					
Bonds and notes payable:					
General obligation bonds	\$180,000	\$ -	(\$180,000)	\$ -	\$ -
Loans	1,375,893	350,000	(211,117)	1,514,776	280,293
Total bonds and notes payable	1,555,893	350,000	(391,117)	1,514,776	215,148
Compensated absences	277,862	17,428	_	295,290	183,519
Total governmental activities long-term debt	\$1,833,755	\$367,428	(\$391,117)	\$1,810,066	\$398,667
Business-type Activities					
Loans	\$19,610,940	\$2,105,406	(\$1,021,866)	\$20,694,480	\$1,060,297
Total loans payable	19,610,940	2,105,406	(1,021,866)	20,694,480	1,060,297
Compensated absences	150,743		(18,459)	132,284	88,217
Total business-type activities long-term debt	\$19,761,683	\$2,105,406	(\$1,040,325)	\$20,826,764	\$1,148,514

B. Debt Payable

The following is a summary of long-term debt for governmental activities and their recognized liabilities in the Statement of Net Position at June 30, 2013:

a) East Astoria Waterline: Special Public Works Fund Loan G97005 \$865,958 from Oregon Economic Development (OEDD) on October 15, 1997 – Due in annual installments from December 1, 2000 through December 1, 2017 – interest at 5.01%

508,216

295,144

b) Urban Renewal District Columbia State Bank
 \$625,000 due in annual installments through December 15, 2016 – interest 3.4%

c)	Clatsop Community Bank 2013: \$350 000 due in annual installments through October 15, 2017 – interest at 4.55%	348,250
d)	7 th Street Dock Reconstruction Loan: \$180,000 due in annual installments through December 2023 – interest at 6%	111,054
e)	CIF Safeway Loan Portion: \$483,075 due in annual installments through December 2019 – interest at 3%	252,112
f)	Accumulated Unused Compensated Absences: Amounts that exceed a normal one year accumulation and are not expected to be liquidated with available expendable resources.	295,290

Total <u>\$1,810,066</u>

The following is a summary of long-term debt for principal and interest payments for governmental activities and the outstanding obligations at June 30, 2013:

Loans Payable

\$103,970 is available in the East Astoria Water Line Debt Service Fund for the OEDD loan. The debt will be satisfied from assessments to property owners and appropriations made by the City of Astoria.

\$278,996 is available in the Astor East Urban Renewal Fund for the Columbia State Bank loan. The debt will be satisfied from tax increment proceeds and appropriations made by the Urban Renewal District.

\$409,894 is available in the Promote Astoria Fund for the Clatsop Community Bank loan. The debt will be satisfied from motel tax proceeds and appropriations made by the City.

\$25,782 is available in the 7th Street Dock Debt Service Fund for the OEDD loan. The debt will be satisfied from funds collected from assessments to property owners and appropriations made by the City of Astoria.

Oregon Community Incentive Fund Safeway Loan Portion is satisfied by payments budgeted from special revenues.

Annual debt service requirements to maturity for governmental loans payable are as follows:

Year	Principal	Interest	Total	
2014	\$280,294	\$57,847	\$338,141	
2015	288,042	47779	335,821	
2016	302,335	36,165	338,500	
2017	312,037	23,887	335,924	
2018	185,400	12,965	198,365	
2019-2023	133,384	17,949	151,333	
2024-2028	13,284	797	14,080	
Total	\$1,514,776	\$197,389	\$1,712,164	
Accumulated Unused Compensated Absences	295,290		111,771	
Total Governmental	\$1,810,066	\$197,389	\$1,823,935	

The following is a summary of long-term debt and their recognized liabilities in the Proprietary Funds at June 30, 2013:

<u>Description</u>	Amount	Totals
a) Special Public Works Fund Loan: \$1,025,000 from Oregon Economic Development (OEDD) on October 15, 1997 - Due in annual installments from December 1, 2000 through December 1, 2017at 5.01% interest.)	
b) Energy Trust (SELP) Loan: \$224,028 on October 15, 2003 - Due in monthly payments from November 15, 2003 through October 15, 2018 at 5.40% interest	100,243	
c) Special Public Works Fund Loan: \$146,823 from Oregon Economic Development (OEDD) Due in annual installments from December, 2001 through December, 2020 at 6.00% interest.	79,489	
d) Clean Water State Revolving Loan Fund: \$14,768,778 from the Oregon Department of Environmental Quality (DEQ). Interest-only payment six months after project completion date and semi-annual payments at interest ranging from 2.85 to 3.14%.	13,749,276	
e) Skyline Water Tank Loan: \$1,158,000 from Oregon Economic Development (OEDD). Loan payments are due from December 1, 2008 through December 1, 2026 at 4.62% interest.	964,126	
f) Reservoir 3 Cover Loan: \$3,473,000 from Oregon Business. Loan is in process, including a provision to forgive \$250,000 for a net due at closing of \$3,223,000 for 20 years at 1% interest.		
g) Bear Creek Waterline Loan: \$601,574 from Oregon Business. Loan payments are due from December 1, 2011 through December 1, 2031 at 4.04% interest.	654,160	
h) State of Oregon Infrastructure Division. Loans Y12004, and Y12006 are currently available for draws. The first payment date to occur after the earlier of the project completion date or the financing availability termination date. Interest rate 1.94%.	2,016,634	
 Accumulated Unused Compensated Absences: Amounts that exceed a normal one year accumulation and are not expected to be liquidated with available expendable resources. 	132,284	

\$20,826,764 Total

Year	Principal	Interest	Total
2014	\$1,061,130	\$474,182	\$1,535,312
2015	1,086,947	447,125	1,534,072
2016	1,118,362	417,740	1,536,102
2017	1,145,882	387,217	1,533,099
2018	1,158,734	355,782	1,514,516
2019-2023	5,707,835	1,327,175	7,035,010
2024-2028	5,744,895	554,559	6,299,454
2029-2033	1,654,061	60,137	1,714,198
Total	18,677,846	4,023,917	22,701,763
Accumulated Unused Compensated Absences	132,284		132,284
Total Enterprise	\$18,810,130	\$4,023,917	\$22,745,830

In addition to the amounts listed above, the following two loans were obtained with the Oregon Infrastructure Financing Authority: Waste Water Treatment Plant Upgrades, \$108,600; Combined Sewer Overflow 11th Street Project, \$1,908,034. There is no amortization schedule set as these loans are available for future draws. The total of business-type loans outstanding at June 30, 2013 is \$20,694,480.

(10) Pension Plans

A. Defined Benefit Pension Plan

a) Plan Description

The City contributes to two pension plans administered by the Oregon Public Employees Retirement System (PERS). The Oregon Public Employees Retirement Fund (OPERF) applies to the City's contribution for qualifying employees who were hired before August 29, 2003, and is a cost-sharing multiple-employer defined benefit pension plan. The Oregon Public Service Retirement Plan (OPSRP) is a hybrid successor plan to the OPERF and consists of two programs: The Pension Program, the defined benefit portion of the plan, applies to qualifying City employees hired after August 29, 2003, and to inactive employees who return to employment following a six-month or greater break in service. Benefits are calculated by a formula for members who attain normal retirement age. The formula takes into account final average salary and years of service. Beginning January 1, 2004, all PERS member contributions go into the Individual Account Program (IAP), the defined contribution portion of the plan. PERS members retain their existing PERS accounts, but any future member contributions are deposited into the member's IAP, not the member's PERS account.

Both PERS plans provide retirement and disability benefits, post employment healthcare benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. PERS is administered under Oregon Revised Statute Chapter 238, which establishes the Public Employees Retirement Board as the governing body of PERS. PERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to PERS, PO Box 23700, Tigard, OR, 97281-3700 or by calling 503-598-7377.

b) Funding Policy

Members of PERS are required to contribute 6.00% of their salary covered under the plan, which is invested in the OPSRP Individual Account Program. The City is required by ORS 238.225 to contribute at an actuarially determined rate for the qualifying employees under the OPERF plan, and a general service rate for the qualifying employees under the OPSRP plan. The annual pension cost was \$855,717. The contribution requirements for plan members are established by ORS Chapter 238 and may be amended by an act of the Oregon Legislature.

c) Annual Pension Cost

Contribution information for the years ended June 30, 2013, 2012, and 2011 were as follows:

Fiscal Year Ended	Annual Pension <u>Cost (APC)</u>	% of APC Contributed	Net Pension Obligation
6/30/11	670,846	100%	-
6/30/12	902,590	100%	-
6/30/13	855,717	100%	-

B. Defined Contribution Pension Plan

The City provides pension benefits for employees who have completed one year of service, except PERS Pension Plan members, through a defined contribution plan. In a defined contribution plan, pension benefits depend solely on amounts contributed to the plan, plus defined earnings on contributions. Six (6) employees participated in this plan at June 30, 2013.

The defined contribution pension plan is the City of Astoria Retirement Plan administered by Standard Insurance. The plan is amended by action of the city council.

Employer contributions are contractually defined at 9.2% of each participant's basic compensation; these contributions (and interest earned on them) are fully vested after five years of continuous service. Contributions and interest forfeited by employees who leave employment prior to five years of service are used to reduce the City's current-period contribution requirement. Employer contributions of \$ 32,245 were based on total basic compensation of \$350,490, 6.21% of total subject payroll of \$5,639,595. Effective September 1994, employee contributions are established at 6% of basic compensation and are paid by the employees. Employee-paid contributions totaled \$21,030 for the current year.

As of June 30, 2013, total plan assets (valued at market) were \$2,258,823.

C. Deferred Compensation Plan

The City offers its employees a deferred compensation plan, created in accordance with Internal Revenue Code Section 457. The plan, available to all employees, permits them to defer up to 25% of their salary, or \$17,500 per year, whichever is less. Deferred income is not included for federal or state tax calculations. The deferred compensation is not available to participants until termination, death, retirement or unforeseeable emergency.

The funds accumulated are held and invested, in trust, by a third party.

D. Other Post Employment Benefits (OPEB)

The City implemented GASBS No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions for FYE June 30, 2009 on a prospective basis. The City is participating in a program provided by City County Insurance Services (CIS) to engage Milliman, Inc., a Portland, Oregon based actuarial service, to calculate the Annual Required Contribution (ARC) and the financial disclosures required by GASBS No.45. Milliman's valuation process includes: 1) projected payouts for the next 10 years; 2) the present value of

total benefits; 3) the actuarial liability; 4) the actuarial results for August 1, 2008; 5) a determination of the ARC and annual OPEB cost under GASBS No. 45 for FYE June 30, 2010; and, 6) the financial statement disclosures required by GASBS No. 45, as presented in this footnote. As of August 1, 2008, the City had 38 eligible individuals to factor into Milliman's calculations.

The City's post-employment healthcare plan is administered by CIS, an agent multiple-employer healthcare plan provider. The City's post-employment healthcare plan administrator issues a publicly available financial report that includes financial statements and required supplementary information for CIS. This report may be obtained by writing to the CIS Main Office, 1212 Court Street NE, Salem, OR 97301, or by accessing the CIS website at www.cisservices.com.

Eligibility for OPEB is limited to City employees hired prior to certain dates in the early 1990s who meet certain requirements. These requirements are specified in the City's personnel manual and union contracts. Employees hired after the specified dates are not eligible. Participants are eligible for five years of coverage unless they are eligible for Medicare. The plan provides eligible retirees and their dependents under age 65 the same health care coverage at the same premium rates as offered to active employees. The retiree is responsible for any portion of the premiums not paid by the City.

The City makes the contributions for this post-employment benefit on a year-to-year basis from funds available. Eligible employees receiving post-employment benefits are responsible for any portion of the healthcare premiums not paid by the City.

The City's annual OPEB cost (expense) is calculated based on the *annual required contribution* of the employer (ARC), an amount actuarially determined in accordance with the guidance of GASBS No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed fifteen years. The following table shows the components of the City's annual OPEB cost for the fiscal year ending June 30, 2012, the amount actually contributed to the plan and changes in the City's net OPEB.

Fiscal Year <u>Ended</u>	Annual OPEB Cost	Percentage Of OPEB Cost <u>Contributed</u>	Net OPEB Obligation
2011-12	\$101,465	94%	\$186,353
2010-11	\$132,029	64%	\$180,464
2009-10	\$126,217	52%	\$133,544

The City's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan and the net OPEB obligation for 2012 is as follows:

Determination of Annual Required Contribution Normal Cost at Year End	<u>2013</u> \$26,307	<u>2012</u> \$24,481	2011 \$37,062
Amortization of Unfunded Actuarial Accrued Liability	91,485	88,634	102,750
Annual Required Contribution (ARC)	\$117,792	\$113,115	\$139,812
Determination of Net OPEB Obligation			
Annual Required Contribution (ARC)	\$117,792	\$113,475	\$193,812
Interest on prior year Net OPEB Obligation	7,454	7,219	6,009
Adjustment to ARC	21,272	19,229	13,792
Annual OPEB Cost	103,974	101,465	\$132,029
Explicit Benefit Payments	72,379	95,576	85,109
Implicit Benefit Payments	<u> </u>	<u>-</u>	-
Increase in Net OPEB Obligation	\$31,595	\$5,889	\$46,920
Net OPEB Obligation – beginning of year	\$186,353	\$180,464	\$133,544
Net OPEB Obligation – end of year	\$217,948	\$186,353	\$180,464

As of August 1, 2012, the most recent actuarial valuation date, the plan was zero percent funded. The actuarial accrued liability for benefits was \$774,747, and the actuarial value of assets was zero, resulting is an unfunded accrued liability of \$774,747.

(11) Deficit Fund Balances / Net Position

The Public Works Improvement Fund had a deficit net position at June 30, 2013 of (\$4,119,299). The Combined Sewer Overflow Operations had deficit net position at June 30, 2013 of (\$15,573,193). These deficits are the result of transferring the assets acquired during the fiscal year ended June 30, 2013 from these funds to the Public Works Fund where the assets of Public Works operations reside. The Public Works Fund had net position at June 30, 2013 of \$37,505,681. The Capital Improvements Fund had a deficit ending fund balance of (\$11,907); Parks Operation Fund had a deficit ending fund balance of (\$13,701); Combined Sewer Overflow Fund had a deficit ending fund balance of (\$1,903,213).

(12) Risk Management

The City is exposed to various risks of loss related to torts: theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City carries commercial insurance for risks of loss including workers' compensation, property damage, general liability, automobile liability, boiler and machinery, inland marine, public official bond, and employee dishonesty coverage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three years.

(13) Contingent Liabilities

Amounts received from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of the expenditures which may be disallowed by the grantor cannot be determined at this time, although the City of Astoria expects such amounts, if any, to be immaterial.

The City entered into an intergovernmental agreement for payment of a potential tax refund with Clatsop County on August 17, 2009. The intergovernmental agreement was entered into based on a property tax appeal by Georgia-Pacific Consumer Projects, owner of Wauna Mill. The County reached

a \$2,500,000 settlement with Wauna Mill in Spring 2012. This payment will be paid off with a 10-year loan with an interest rate of 3.4%. The City of Astoria share is estimated at \$250,000. This indicates that future tax disbursements may be withheld of which the City's share, including the component unit Urban Renewal Districts, is approximately \$25,000 per year.

(14) Property Tax Limitation

The State of Oregon has a constitutional limit on property taxes for schools and nonschool government operations. The limitation provides that property taxes for nonschool operations are limited to \$10.00 for each \$1,000 of property market value. Local government taxes in the City currently do not exceed the \$10.00 rate limit; however, this limitation may affect the availability of future tax revenues for the City. This limitation does not apply to taxes levied for principal and interest on general obligation bonded debt.

An additional limit reduces the amount of operating property tax revenues available. This reduction was accomplished by rolling property values for 1997-98 back to their 1995-96 values less 10% and limiting future tax value growth of each property to no more than 3% per year, subject to certain exceptions. Taxes levied to support bonded debt are exempted from the reductions. The Constitution also sets restrictive voter approval requirements for most tax and many fee increases and new bond issues.

SUPPLEMENTARY INFORMATION

SUPPLEMENTARY INFORMATION

Other supplementary information includes financial statements and schedules not required by the GASB, nor a part of the basic financial statements, but are presented for purposes of additional analysis.

Such statements and schedules include:

- ➤ Combining Statements Non-major Governmental Funds
- ➤ Combining Statements Proprietary Funds
- Budgetary Comparison Schedules
- > Other Financial Schedules

COMBINING STATEMENTS

Nonmajor Governmental Funds

Special Revenue Funds

These funds account for revenue derived from specific taxes or other earmarked revenue sources, which are legally restricted to expenditures for specified purposes. Funds included in this category are:

Unemployment Fund #104

Accounts for payment of unemployment claims under a self-insured plan.

Revolving Loan Fund #122

Accounts for a revolving loan program for business development.

Building Inspection Fund #128

Accounts for the activity of the City's building inspection program.

Emergency Communication Fund #132

Accounts for a Regional Communications Center, which provides emergency and non-emergency call answering and dispatching services for north Clatsop County.

Community Policing Fund #136

Accounts for grants and donations made to the Astoria Police Department for the acquisition of equipment or programs that enhance the city's commitment to community policing.

Parks and Recreation Fund #146

Accounts for money, donated as gifts or in memory of a person, specifically for parks related programs.

Maritime Memorial Fund #148

Accounts for donations from private citizens, businesses, and organizations to commemorate someone who either died in a local maritime accident or who had strong ties to the Columbia River and Pacific Ocean.

Senior Center Fund #150

Accounts for donations from citizens, businesses and organizations who wish to support the ongoing maintenance of the building used for senior citizen activities.

Astoria Column Restoration Fund #152

Accounts for resources to be used for the restoration and preservation of the Astoria Column, a monument of unique design listed on the National Register of Historic Places.

Aquatics Facility Activity #156

Accounts for the operational costs of the indoor Astoria Aquatic Center.

Parks Operation Fund #158

Accounts for the operational costs of all Parks Related Activities

State Tax Street Fund #172

Accounts for the City's portion of a state gasoline tax for street and highway maintenance and improvement.

Trails Reserve Fund #174

Accounts for 1% of the City's portion of a state gasoline tax designated for the improvement of trails and pedestrian access adjacent to highways.

Urban Renewal Agency

Accounts for receipt of property tax increments for activities of the Astor East Urban Renewal District.

Promote Astoria Fund #410

Accounts for portions of the transient room tax designated for activities that promote the region as a visitor destination, and for specific projects.

Logan Memorial Library Trust Fund #412

Accounts for a bequest from Lorens F. Logan estate designated for new library construction.

Debt Service Funds

These funds are used to account for revenues and expenditures related to the servicing of general long-term debt:

Local Improvement Debt Service Fund #250

Accounts for debt service requirements of a bond issue made for the financing of several local improvement projects.

Aquatics Facility Debt Service Fund #260

Accounts for debt service requirements of a bond issue made to finance construction of the Astoria Aquatic Center.

7th Street Dock Debt Service Fund #267

Accounts for debt service requirements of a State of Oregon Economic Development Department loan that was used to finance the reconstruction of the 7th Street Dock, the main access to two businesses on the waterfront.

Urban Renewal District Bond Fund #114

Accounts for debt service requirements of a bond issue made for loan to the Liberty Theatre Restoration Group to purchase and restore this historic building.

East Astoria Waterline Debt Service Fund #265

Accounts for debt service requirements of a State of Oregon Economic Development Department loan that was used to finance waterline improvements serving the Tongue Point industrial area and the Blue Ridge and Emerald Heights housing areas on the eastern edge of the City.

Permanent Funds

These funds are used to report resources that are legally restricted to the extent that only earning, not principal, may be used for purposes that support the reporting government's programs.

Aquatic Facility Trust Fund #401

Accounts for a gift of \$10,000 to be used specifically to ensure that underprivileged youth have access to the Astoria Aquatic Center.

Astoria Public Library Endowment Fund #403

Accounts for the gift given by Mr. Don A. Goodall to establish an endowment fund for library needs in memory of his parents, Harris Allen and Mabel Mae Goodall.

Senior Citizen Endowment Fund #406

Accounts for gifts made to build an endowment fund to continue the senior center program.

Cemetery Irreducible Fund #408

Accounts for a portion of each grave sale to be invested for perpetual care of the Ocean View Cemetery when it becomes full.

BUDGETARY COMPARISON SCHEDULES

Non-Major Governmental Funds

(This page intentionally left blank.)

BUDGETARY COMPARISON SCHEDULES

Nonmajor Governmental Funds

Pursuant to the provisions of Oregon Revised Statute, an individual schedule of revenues, expenditures, and changes in fund balances - budget and actual is required to be displayed for each fund where legally adopted budgets are required.

Nonmajor Governmental Budgetary Comparison schedules included the following:

Special Revenue Funds

- Unemployment Fund #104
- Revolving Loan Fund #122
- Building Inspection Fund #128
- Emergency Communication Fund #132
- Community Policing Fund #136
- Parks and Recreation Fund #146
- Maritime Memorial Fund #148
- Senior Center Fund #150
- Astoria Column Restoration Fund #152
- Aquatics Facility Activity #156
 Parks Operation Fund #158
- State Tax Street Fund #172
- Trails Reserve Fund #174
- Urban Renewal Agency
- Promote Astoria Fund #410
- Logan Memorial Library Trust Fund #412

Debt Service Funds

- Local Improvement Debt Service Fund #250
- Aquatics Facility Debt Service Fund #260
- 7th Street Dock Debt Service Fund #267
- Urban Renewal District Bond Fund #114
- East Astoria Waterline Debt Service Fund #265

Permanent Funds

- Aquatic Facility Trust Fund #401
- Astoria Public Library Endowment Fund #403
- Senior Citizen Endowment Fund #406
- Cemetery Irreducible Fund #408

January 24, 2014

Independent Auditors' Report Required by Oregon State Regulations

We have audited the basic financial statements of the City of Astoria as of and for the year ended June 30, 2013, and have issued our report thereon dated January 24, 2014. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Compliance

As part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statues as specified in Oregon Administrative Rules 162-10-000 through 162-10-320 of the Minimum Standards for Audits of Oregon Municipal Corporations, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

We performed procedures to the extent we considered necessary to address the required comments and disclosures which included, but were not limited to the following:

- Deposit of public funds with financial institutions (ORS Chapter 295)
- Indebtedness limitations, restrictions and repayment.
- Budgets legally required (ORS Chapter 294).
- Insurance and fidelity bonds in force or required by law.
- Highway revenues used for public highways, roads, and streets.
- Authorized investment of surplus funds (ORS Chapter 294).
- Public contracts and purchasing (ORS Chapters 279A, 279B, 279C).
- Programs funded from outside sources.

In connection with our testing nothing came to our attention that caused us to believe the City of Astoria was not in substantial compliance with certain provisions of laws, regulations, contracts, and grants, including the provisions of Oregon Revised Statutes as specified in Oregon Administrative Rules 162-10-000 through 162-10-320 of the Minimum Standards for Audits of Oregon Municipal Corporations Except as follows:

- 1. Statement of indebtedness section on the advertised notice of budget hearing was not completed.
- 2. Expenditures exceeded appropriations as noted on page 28.

OAR 162-10-0230 Internal Control

In planning and performing our audit, we considered the internal controls over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the internal controls over financial reporting.

We noted matters involving the internal control structure and its operation that we consider to be significant deficiencies under standards established by the American Institute of Certified Public Accountants, which are noted in our management letter dated January 24, 2014.

This report is intended solely for the information and use of the council members and management and the Oregon Secretary of State and is not intended to be and should not be used by anyone other than these parties.

Roy R. ROGERS, CPA
