My dear Frank:

We are enclosing herewith:

| Ordinance | No | 28 Approve | d the 6th | of April, 1905 |
|----------------|------------|---------------|------------|-------------------|
| ţ | - pt | 319- " | | of May, 1922 |
| 11 | 11 | 206- " | | of May, 1917 |
| 28 | 11 | 135A " | | of August, 1929 |
| 17 | R H | 134A " | " 16th | of July, 1929 |
| 28 | ** | 144A " | " 6 th | of Jan., 1931 |
| all pertaining | to | cattle runnin | g at large | e, either in the |
| streets and/or | on | the dikes wit | hin the C: | ity of Warrenton. |

We respectfully ask that you familiarize yourself with the features of all these ordinances and then prepare to draw up an ordinance which will simplify the method of disposing of cattle taken up by the "Chief of Police", reducing the first fee to one dollar and a half (\$1.50) per head and the feeding cost to seventy-five cents (75ϕ) per day, per head. We also want to particularly cover stock found running on dikes within the City of Warrenton as discussed at the last commission meeting.

If note that years ago we licensed cattle in the city. It may be well if we cannot maintain our pasture contract to be prepared to license cattle to pasture unimproved streets (if we can legally do so) and thus place ourselves in a position to directly deal with all persons desiring to run cattle, horses, etc. within the City of Warrenton or to definitely renew our contract with the County Court to have exclusive right to make pasture leases with individuals covering property within the City of Warrenton.

In this entire problem we desire your business judgement as well as your legal guidance.

Yours very truly. Gelefford Barlow
