

ORD. NO. 375-A

A form of ordinance entitled,

"AN ORDINANCE authorizing and directing the execution and delivery in the name and on behalf of the City of Warrenton, Oregon, of a contract with Pacific Power & Light Company, a corporation, providing for the furnishing by said Pacific Power & Light Company to said City of electric lighting service upon the streets, highways and public places within the corporate limits of said City for a period of five (5) years from and after the effective date of this ordinance, a copy of the contract so authorized being set forth in this ordinance, and declaring such service essential to the security and welfare of said City and its inhabitants."

was submitted to the Council of the City of Warrenton.

After discussion, Commissioner _____ thereupon moved that said ordinance be given its first reading; Commissioner _____ seconded said motion, and by unanimous consent the same was thereupon read at length, section by section, by the Recorder.

On motion of Commissioner _____, seconded by Commissioner _____ and unanimously adopted, said proposed ordinance was thereupon read the second time in full.

On motion of Commissioner _____, seconded by Commissioner _____, and unanimously adopted, said proposed ordinance was placed upon its third reading and was read at length, section by section, by the Recorder.

The question then being upon the passage of said ordinance, the Mayor put the question, and a vote was taken which resulted as follows:

Voting Aye: Commissioners

Voting Nay: Commissioners

The title of said ordinance, as read, was then unanimously approved, and the mayor then duly signed said ordinance, which was thereupon numbered Ordinance No. _____.

ORDINANCE NO. 375A

Quincy Robinson

AN ORDINANCE authorizing and directing the execution and delivery in the name and on behalf of the City of Warrenton, Oregon, of a contract with Pacific Power & Light Company, a corporation, providing for the furnishing by said Pacific Power & Light Company to said City of electric lighting service upon the streets, highways and public places within the corporate limits of said City for a period of five (5) years from and after the effective date of this ordinance, a copy of the contract so authorized being set forth in this ordinance, and declaring such service essential to the security and welfare of said City and its inhabitants.

THE CITY OF WARRENTON DOES ORDAIN AS FOLLOWS:

Section 1. That the City of Warrenton make and enter into a contract with Pacific Power & Light Company, a corporation, providing for the furnishing by said Pacific Power & Light Company to the City of Warrenton of electric lighting service for lighting the streets, highways, and public places within the corporate limits of the City of Warrenton, for the period of five (5) years from and after the effective date of this ordinance, which contract shall be signed by the Mayor, sealed with the corporate seal of the City and attested by the Auditor and Police Judge of the City of Warrenton, and shall be in the words and figures as follows:

Contract for Overhead Circuit Street Lighting
Service on Fixtures Attached to Wood Poles

THIS CONTRACT made and entered into this ____ day of _____, 1958, by and between the CITY OF WARRENTON, a municipal corporation of the State of Oregon, hereinafter designated as "City", and PACIFIC POWER & LIGHT COMPANY, a corporation, hereinafter designated as "Company", WITNESSETH:

WHEREAS the execution of this contract by the City of Warrenton has been duly authorized by Ordinance No. _____ of the City of Warrenton, signed by the Mayor on _____, 1958, and Company has accepted the undertakings, terms and conditions hereinafter in this contract set forth;

NOW, THEREFORE, City and Company do hereby mutually agree as follows:

1. Company shall furnish to City and City shall take and pay for, in accordance with the terms and provisions hereof, all overhead street lighting service furnished by means of street lights installed, operated and maintained by Company and mounted on Company-owned distribution wood poles which City may require for lighting the streets, highways, and other public places within said City for a term of five (5) years beginning _____, 1958, and ending _____, 1963, and from year to year thereafter unless and until this contract shall be terminated by either party at the end of said term or of any succeeding contract year by written notice thereof given to the other party at least thirty (30) days prior to the end of said term or of such year.

2. The service to be furnished hereunder and taken and paid for by City shall initially be furnished by 36 - 2500 lumen, 40 - 4000 lumen, 35 - 6000 lumen and 3 - 10,000 lumen incandescent street lights, all equipped with suitable luminaires and mounted on wood poles at the locations shown on Exhibit A attached hereto and made a part hereof.

3. For the street lighting service to be furnished by Company, as hereinbefore provided, City will pay Company in accordance with the following schedule of rates:

For All Overhead Circuit Street
Lighting Service to be Supplied From Fixtures Attached
to Distribution Wood Poles Owned by the Company

<u>Lamp Rating in Lumens</u>	<u>Rate Per Month Per Lamp</u>
2,500 Incandescent	\$1.55
4,000 "	1.85
6,000 "	2.25
10,000 "	3.00

Should City desire mercury vapor street lights, such lights will be installed, owned, maintained, and operated by Company at such rates as are proper, based upon the cost of labor and materials at the time such lamps are installed.

The above rates are based on the use for street lighting purposes of poles bearing other distribution circuits of Company. In addition to the rates above specified, a monthly charge will be made by Company for each wood pole which Company is now or hereafter required to install, own, and maintain solely for the purpose of supporting street lighting fixtures or street lighting circuits and which Company would not otherwise install. A similar charge will be made for each pole owned by others on which Company rents space to install and maintain street lighting fixtures or circuits.

Company's rates and charges for street lighting service are, and at all times shall be, subject to the lawful orders and regulations of the Public Utility Commissioner of the State of Oregon or any other governmental authority having jurisdiction thereof, and Company's rates for street lighting service hereunder are subject to change from time to time by a superseding schedule or by lawful order of said regulatory authority.

4. Company at all times hereunder, except when prevented by accident or other cause beyond its reasonable control, will supply the necessary electric energy, and the necessary service for switching on and off such energy, for continuous dusk to daylight operation of all lights or lamps of the street lighting services provided for hereunder, and will promptly replace all such lights or lamps which shall have burned out or ceased to function efficiently.

5. Payment for service furnished each month under this contract shall be made by City to Company at Company's office in Astoria, Oregon, within fifteen (15) days after receipt of bill for the service furnished during such month.

6. Company, upon receipt of written order from City, and subject to availability of manpower and required materials and equipment, will install on distribution wood poles and serve by overhead circuits at the locations specified in such orders, such lamps of any of the standard lumen ratings as City may from time to time direct.

7. Company, at any time upon receipt of written order from City, will discontinue the operation of any light or lamp then in service hereunder as may be specified in such order; and no further payment shall be required of City in respect of the operation of any such light or lamp after Company's receipt of such order of discontinuance.

8. Each order for a change in the lighting service to be furnished by Company hereunder, as provided in the foregoing Sections 6 and 7 hereof, shall be executed in duplicate, substantially in the form indicated on the attached Exhibit B hereof, and shall be signed by the Mayor or by the City Auditor and Police Judge. Company, upon receipt of the duplicate of any such order, shall endorse thereon the date of its receipt over the signature of Company's authorized representative, and shall

return to City one counterpart of such order so endorsed. When and as any change specified in such order shall have been completed, Company shall report the fact to City in writing, identifying the work with the particular order of City directing such change and showing the date of such completion.

9. All previous agreements between the parties hereto having reference to the furnishing of street lighting service by Company are hereby terminated as of the effective date hereof.

10. This contract and all of the terms and provisions hereof shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto, respectively.

(End of Form of Contract except testimonium
clause, signatures, and seals)

Section 2. It is hereby determined by the Commission of the City of Warrenton that the lighting service provided for in the contract hereby authorized is necessary to enable said City to provide proper protection for itself and the inhabitants thereof, and is essential to the security and welfare of said City and its inhabitants.

Section 3. The Mayor of the City of Warrenton is hereby authorized and directed to execute and deliver such contract with Pacific Power & Light Company in the name and on behalf of the City of Warrenton, and the City Auditor and Police Judge is hereby authorized and directed to affix the seal of said City to said contract and to attest the same, upon execution thereof by the Mayor as herein provided.

Passed by the Commission this 7 day of April, 1958.

Signed by the Mayor this 7 day of April, 1958.
