Minimum container charge = 2 x occasional collection rate

Section II: All other sections and sub-sections of Ordinance No. 711-A shall remain unchanged and in effect.

Section III: These rates set forth herein shall insure that the costs of providing garbage and landfill service to those desiring its use will be on a cost-effective basis. To continue the existing rates would result in an unfair subsidy of those using these services and an inequitable allocation of the city resources; therefore, the city finds a need exists and the rates, as set forth herein, shall go into full force and effect on 1 November 1983.

Passed by the City Commission of the City of Warrenton this 26th day of Sept. 1983.

Approved by the Mayor of the City of Warrenton this 26th day of September 1983.
