WORKSHOP SESSION
OCTOBER 25, 1995

The session was held from 6:30 p.m. to 10:00 p.m. in the City Council Chambers.

Malcolm Boswell, Employment Department, Leslea Smith with the Oregon Legal Services and Diana Hedin from Clackamas County Public Health were present to request input on "goal setting" the City Council and staff might be pursuing. Mr. Boswell briefly addressed the Council asking that they consider the needs of minorities in the community when setting goals for the future. Prior to leaving, the three presented Mr. Jordan with a hand-written list of concerns.

The group was divided into two groups, the Council and staff. Mike Swanson facilitated the staff group and Noel Klein facilitated the Council group. The purpose of the sessions were to review and discuss Council/Staff relations. The entire group inter-mingled and discussed the comments generated from the "mini-group" discussions.

The same group of people will meet again on November 8, to continue the process started this evening.
