Municipal Court Judge Jon Henricksen addressed the City Council to give his annual court review. Judge Henricksen noted that the City of Canby did quite well in the revenue area with \$12,441 in reserve after all expenses were accounted for, including salaries. Judge Henricksen referred to the Oregon Supreme Court reviews stating that the City of Canby, for our population category inclusive of 23 cities, was number 7 in volume of cases and number one (1) in the State of Oregon in efficiency for having the least amount of pending cases. Canby has only 70 cases in the back-log area. Judge Henricksen informed the Council that he had attended the National Judicial College for two weeks in Nevada and learned a great deal of valuable information and to express his thanks to the City for sending him to this College he presented the City with the Oregon State Seal mounted on oak to display in the Council/Court Chambers. The Judge noted that the

reason for such an outstanding Court standing was due to the City's staff, Attorney, Court Clerk and Police Department. Mayor Kopelk thanked Judge Henricksen and expressed the City's appreciation for his outstanding performance as our Judge. Councilor's Carroll and Taylor also expressed their thanks. Councilor Taylor requested that the Court research the possibility of holding night court on occasions.
