

SPECIAL LIBRARY BOARD MEETING - OCTOBER 31, 1966

Present - Irma Matthew; Bob Rice; Les Jensen; Bea Dick; Mary Francis Gilbert, Librarian; Chuck Willming; C. Dean Smith, City Manager.

Dean Smith presented plaque for Library for our approval. Moved and seconded that we accept it. Passed. Also told us of matching funds (Federal through State) for furniture. The County has said they will pay half of the salary for another staff member -- a teacher from 7:00 to 9:00 to keep order. Mr. Paul Moses, a high school teacher, came down to meet us, and to talk over the ground rules. Dean said for any incorrigibles, the Police Department is ready to assist. Mr. Moses' salary will be \$7 per night.

Les will look into smoking receptacles for the outside entrance and deck.

Leaks in the roof over the meeting room were noted. This matter should be brought to the attention of the contractor so that necessary corrective measures may be taken.

The meeting adjourned with levity at 9:24 P.M.

Respectfully submitted,
Bea Dick and Chuck Willming
