ENLARGED PLANS FOR LIBRARY

Discussion took place of the general desirability of enlarging the plans for our library to make a regional library and to qualify for Federal money to help pay for it. There was no general enthusiasm for the idea. Mr. Jensen feels that the regional library would be an advantage to The Dalles, but the ramifications and red tape hold most of us back.

RECOMMENDATION TO CITY COUNCIL

It was recommended to the City Council that we get on with the election asking the people for money to build the library.

Meeting adjourned at 9:00 P. M.

Respectfully submitted,

R. H. Rice
Secretary
