

RESOLUTION NO. 6 FOR 1923.

PLANS FOR THE IMPROVEMENT OF ROSE STREET FROM THE WEST
LINE OF MAIN STREET TO THE EAST LINE OF FIFTH
STREET IN THE CITY OF LEBANON, COUNTY OF
LINN AND STATE OF OREGON.

WHEREAS, The Common Council of the City of Lebanon deems it expedient to improve certain streets in the City of Lebanon, Oregon, and

WHEREAS, there is on-file with the Recorder of the said City of Lebanon a petition praying for the improvement of Rose Street from the West line of Main Street to the East line of Fifth Street, and it appearing to the Council from said petition that the same is duly signed by a majority of the owners of all the abutting property on that part of said street to be improved and specially benefitted thereby, and after due investigation, the Council finds that said petition is duly signed by a majority of the owners of the property abutting on the said proposed improvement and also the property especially benefitted thereby, and

WHEREAS, the Council did on the 20th day of March, 1923, duly adopt and pass a resolution requiring the City Engineer and the City Superintendent of Streets to prepare plans and specifications and estimates of the probable total cost of the said improvement which said plans and specifications and estimates were, on the 1st day of May, 1923, duly filed with the recorder of said city.

NOW THEREFORE BE IT RESOLVED, by the Common Council of the City of Lebanon, Oregon, that the Council deems it expedient and for the best interests of the City of Lebanon to improve the above described part of Rose Street by grading the road way of said street to proper subgrade; by graveling the road way of said street with either crushed or river gravel for a width of twelve feet and to a thickness of six inches with at least two layers of gravel, the

bottom layer to be coarse gravel and the top layer to be fine gravel; and by making proper drainage for the said streets; and that said improvement be made and done in accordance with the provisions of the charter of the City of Lebanon relating to the improvement of streets, and in accordance with the laws of the State of Oregon known as the "Bancroft Bonding Act" and in accordance with the plans and specifications of the City Engineer and City Street Superintendent filed with the Recorder of said city on the 1st day of May, 1923, and marked "Plans and Specifications and Estimates for The Improvement of Rose Street from the West line of Main Street to the East line of Fifth Street."

That the cost of the grading and drainage of said streets be done by and paid by the City of Lebanon out of any funds available for that purpose, and that the cost of the graveling and the other costs of said improvement of said street be paid for by the owners of the abutting real property and the owners of the real property especially benefitted thereby.

That the City Engineer and Street Superintendent of the said City have filed with the Recorder of said City, their plans and specifications and the estimates of the probable total cost of the said improvement in the sum of \$372.50 and the sum thereof to be paid by the City of Lebanon is the sum of \$108.50 and the sum thereof to be paid by the owners of the abutting real property and the real property specially benefitted thereby is the sum of \$264.00.

That the said plans and specifications and estimates of the probable total cost of the said improvement are hereby, in all things, approved, ratified and affirmed, and

WHEREAS there is on file with the Recorder of the City of Lebanon in this matter a petition, duly signed by a majority of the owners of all the real property abutting upon the said proposed improvement and the real property specially benefitted thereby,

asking for said improvement and that the same be made without asking for any bids for the same, and that no bids be received or had for the same, and that the City of Lebanon do or cause the same to be done and made, and that no further notice be given of the intention to make the same or of the making of the same, and that each and all jointly and severally waive all further and additional notice in the matter.

IT IS THEREFORE FURTHER RESOLVED that by reason of the said petition and the matters herein set out, the city has acquired jurisdiction to make the said improvement in accordance with the said petition, and said plans and specifications and the said estimates, and

BE IT FURTHER RESOLVED that the Street Superintendent and City Engineer proceed to make the said improvement in accordance with the said petition and the charter of said city and the law governing the same, and that they make and file a report in writing, when the said work is completed, of all work done and the cost thereof to each lot and parcel of land.

Passed by the Council, this 1st. day of May, 1923.

Approved by the Mayor, this 1st day of May, 1923.

Thad Sterling
Mayor of the City of Lebanon.

Attest:
W. H. Titman
Recorder of the City of Lebanon.
