

Resolution No. 1 for 1924.

A resolution declaring assessment for the improvement of the Alley running North and South in Block Three of the original town of Lebanon, Oregon.

WHEREAS, on the 2nd day of January, 1923, there was filed in the office of the City Recorder a petition signed by a majority of the owners of the property abutting upon the alley in Block three of Lebanon, Oregon, asking that the same be improved by grading and graveling, and

WHEREAS, the Council of said City of Lebanon, on the 2nd day of January, 1923, duly adopted and passed a resolution No. 1 for 1923 requiring the City Engineer and Street Superintendent to prepare plans, specifications and estimates of the probable total cost of making said improvement as asked for in said petition, and

WHEREAS, on the 2nd day of January, 1923, the said City Engineer and Superintendent of Streets filed with the Recorder of said city plans, specifications and estimated of the probable total cost of said improvement as asked for in said petition and the estimates so made of the probable total cost of said improvement was the sum of One Hundred Five and 60/100 Dollars and that the estimates of the probable total cost of said improvement to be paid by the City of Lebanon was the sum of Ten Dollars, and the probably total cost of said improvement to be paid by the owners of the abutting real property and the real property specially benefitted thereby was the sum of One Hundred Five and 60/100 Dollars, and

WHEREAS, on the 2nd day of January, 1923, the said Council duly adopted a resolution ratifying and approving the said plans and specifications so prepared and filed and authorized the work to be done by the City without advertising for bids for the same, as prayed for in the said petition, and

WHEREAS, the City Engineer and Superintendent of Streets have made and filed herein their report, in writing, showing that the said improvements have been fully completed according to the said petition and in accordance with the plans and specifications adopted therefor and that the total cost of making said improvement is the sum of Fifty-four and 74/100 Dollars and that the sum to be paid by the City of Lebanon is the sum of Seven Dollars and that the sum to be paid by the owners of the abutting real property and the real property specially benefitted thereby is the sum of Forty-seven and 74/100 Dollars, and

WHEREAS, the report of said improvement, as filed by the said City Engineer and Street Superintendent, shows that said report did not cost more than the said estimate and that in no case is the total cost more than the estimate against any lot or tract of land.

THEREFORE, be it resolved by the Common Council of the City of Lebanon, Oregon, that the report of the City Engineer and Street Superintendent be and the same is hereby ratified, approved and in all things confirmed, and

BE IT FURTHER RESOLVED, that the total cost of said improvement of said alley is the sum of Fifty-four and 74/100 Dollars and that the portion thereof to be paid by the City of Lebanon is the sum of Seven Dollars and that the portion thereof to be paid by the owners of the real property and the real property specially benefitted thereby is the sum of Forty-seven and 74/100 Dollars, and

BE IT FURTHER RESOLVED, that the amount assessed to and against each separate lot and tract of land be and the same is hereby fixed as follows:
