

RESOLUTION NO. 15 for 1925.

RESOLUTION OF INTENTION TO IMPROVE SECOND STREET FULL WIDTH
FROM THE SOUTH LINE OF GRANT STREET TO THE NORTH LINE
OF TANGENT STREET IN LEBANON, LINN COUNTY, ORE.

Be it resolved ~~that~~ the Council of the City of Lebanon, Linn County, Oregon, deems it expedient and necessary, and ~~proposes~~ and does hereby declare its intention to improve Second Street ~~from~~ the South line of Grant Street North to the North line of Tangent Street in the City of Lebanon, Linn County, Oregon, in the following manner, to-wit:

1. By grading said street to proper subgrade.
2. By paving said part of said street full width from curb line to curb line with either:
 - (a) Asphaltic concrete 2" top on 4" crushed rock or crushed gravel base;
 - (b) Portland cement concrete, 6" thick;
 - (c) Portland cement concrete, 7" thick;
 - (d) Warrenite-Bitulithic 2" top, 4" crushed rock base;
 - (e) Warrenite-Bitulithic 1½" top 3½" Bituminous base.
3. By constructing curbs.
4. By paving headers.
5. By constructing inlets.
6. By laying vitrified sewer pipes.
7. By tapping sewers, and such other work as may be necessary for the proper improvement of said street.

Be it further resolved that said improvement be made in accordance with the charter and ordinances of the City of Lebanon, Linn County, Oregon, and in accordance with the plans, specifications and estimates made and prepared by K. A. Sinclair, Engineer for the said City of Lebanon, which said plans and specifications are on file with the City Recorder of Lebanon, Linn County, Oregon, and endorsed as follows:

"Plans, specifications and estimates of cost for the improvement of Second Street from the South line of Grant Street to the North line of Tangent Street in Lebanon, Linn County, Oregon."

Be it further resolved that the cost of improving the intersections of said part of said street, above described, shall be paid by the City of Lebanon, Linn County, Oregon, out of the general fund of said city, and the remainder of the cost of said improvement of said Grant Street shall be assessed to the real property adjacent thereto and especially and particularly benefited thereby, as provided by the charter of said city.

The engineer's estimate of the probable total cost of said improvement of said part of said street is as follows:

| | |
|--|------------|
| For Asphaltic concrete 4" crushed rock or crushed gravel base with 2" top..... | \$27468.20 |
| For Six inch Portland cement concrete..... | 27468.20 |
| For Seven inch Portland cement concrete..... | 29706.92 |
| For Warrenite-Bitulithic, 2" top, 4" crushed rock base..... | 27468.20 |
| For Warrenite-Bitulithic, 1½" top, 2½" Bituminous base..... | |
| For Warrenite-Bitulithic, 1½" top, 3½" Bituminous base... | 29706.92 |

The Council therefore hereby estimates and determines the total probable cost of making such improvement of said part of said Second Street for the several different types of improvement to be as herein above set out and as set out in full in the Engineer's report.

Be it further resolved that the plans, specifications and estimates of Engineer K. A. Sinclair of said city for the improvement of said Second Street from the South line of Grant Street to the North line of Tangent Street, are hereby, in all things, ratified, approved and adopted as the same now appear on file in the office of the Recorder of said city of Lebanon, Linn County, Oregon.

Be it further resolved that the Recorder of the City of Lebanon, Linn County, Oregon, be and he is hereby ordered and directed to give notice of said proposed improvement of said part of Second Street from the South line of Grant Street to the North line of Tangent Street in Lebanon, Linn County, Oregon, as provided by the charter of the said City.

Adopted this 2nd day of June, 1925.

Approved by the Mayor this 2nd day of June, 1925.

Thad Sterling
Mayor.
