WHEREAS, the Common Council of the City of Lebanon deems it expedient and for the best interests of the City of Lebanon to lay and install a lateral sewer along certain streets of the City of Lebanon, and

WHEREAS, there is a petition on file with the recorder of said city praying for the laying and construction of said lateral sewer as follows: from Main Street west on North Main and Morton Streets to Second Street, north on Second Street to Mary Street, and west on Harrison Street from Second Street to Third Street, and

WHEREAS, more than fifty per cent of the property owners along the streets on which said sewer is proposed to be laid have signed said petition and have agreed to pay the cost of materials for said construction, if the city or the Civil Works Administration shall pay the other expenses thereof,

NOW, THEREFORE, BE IT RESOLVED That the Common Council if the City of Lebanon, Oregon, require the City Engineer to make plans, specifications and estimates of the total probable cost of said improvement as aforesaid.

That the cost of the tile and materials be assessed to the owners of the abutting real property especially benefitted thereby, and that the same be made a lien and charge against said property. That the balance of the cost thereof be borne by the city or Civil Works Administration as said city may arrange.

That said plans, specifications and estimates be filed with the city recorder as soon as possible.

Passed by the Council this 20th day of March, 1934.

Approved by the Mayor this 20th day of March, 1934.
