Lebanon, Linn County, Oregon.)

R E S O L U T I O N 7/5-1935

Whereas, the Common Council of the City of Lebanon deems it expedient and for the best interest of the City to improve that portion of Maple Street above described by grading the same to a proper sub-grade, and by surfacing the roadway of said street with crushed rock, and

Whereas, there is on file with the Recorder of said City a petition praying for the improvement of said portion of said Street.

NOW, THEREFORE, be it resolved that the Common Council of said City require the City Engineer and Street Superintendent to make plans, specifications and estimates of the total probable cost of said improvement as aforesaid, the improvement to be made in the following manner:

- (1) By grading the roadway to proper sub-grade.
- (2) By surfacing the said roadway for a width of eighteen feet in the center thereof with crushed rock of proper thickness to make a permanent all weather road to bear heavy traffic.
- (3) By making proper drainage for the street.

That the grading of that portion of Maple Street above described to proper sub-grade be done at the expense of the City of Lebanon, and that the same be paid out of the General Fund or other fund of said City available.

That the cost of graveling of the said portion of said street with said crushed rock be done at the expense of the owners of the abutting real property specially benefitted thereby, and that the same be made a lien and charge against said property. That said plans and specifications be filed with the Recorder as soon as possible.

Passed by the Council this 3rd day of September, 1935.

Approved by the Mayor this 3rd day of September, 1935.
