

RESOLUTION NO. 13 FOR 1946

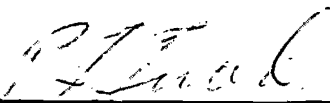

RESOLVED that the enforcement of the Building and Plumbing Codes of the City of Lebanon shall be suspended during the shortage of soil pipe and fittings in the following respects:

1. That a 3" horizontal drain may be used for not more than 1 toilet, 1 lavatory, 1 bath, 1 sink, 1 laundry tray.

2. That a 3" vertical stack may be used for not more than 2 toilets, 2 lavatories, 2 baths, 2 sinks, 2 laundry trays.

3. That the use of said pipe and fittings shall be permitted only upon written application to the Building and Plumbing Inspector and said Inspector shall not grant further permits when the present shortage of materials is alleviated.

Passed by the Council and approved by the Mayor this 19th day of November, 1946.
