RESOLUTION NO. 9

FOR 1952

WHEREAS, a tract of land is now being developed for the purpose of building homes adjacent to the proposed sewer line hereinafter mentioned and no sewer line, either main or lateral, has been constructed through said tract of land and the Council deems it necessary that a sewer be laid through said land for the purpose of disposing of the sewage which will result from the building of homes on said tract of land and the subsequent use thereof for dwelling purposes, and,

WHEREAS, the City Engineer has filed herein his plans, specifications and estimated cost of constructing a sewer line through said tract of land which will, in the judgment of the Council, be sufficient to take care of the sewage from such dwellings houses as may hereafter be built thereon. The line over which said sewer is to be built, according to said plans, specification and estimates is to be as set forth in the title of this Resolution.

NOW, THEREFORE, BE IT RESOLVED, That said plans, specifications and estimates, including the probable total cost of said sewer, and the amount thereof to be borne and paid by the owners of the adjacent or abutting property, or the property to be served by said sewer, such being the property especially benefited thereby, be and it is hereby in all respects approved, ratified and affirmed.

BE IT FURTHER RESOLVED that said sewer line be and it is hereby declared to be necessary and proper and for the best interest of the City of Lebanon.

BE IT FURTHER RESOLVED, That the City Recorder shall cause such notice of intention to make said construction of sewer to be given as provided by the Charter of the City of Lebanon, said notice to be given by posting notices thereof in five public places in the City of Lebanon, Oregon, for a period of ten days, or by publication of said notice in a newspaper in the City of Lebanon, Oregon for a period of ten days.

Passed by the Council and approved by the Mayor this 3rd day of June, 1952.
