

RESOLUTION APPROVING TELEVISION)
CABLE RATES AND CHARGES.)

RESOLUTION NO. 17
for 1970

WHEREAS, Ordinance No. 1206 (Indexed 11-6) provides in Section 12 thereof that the City Council shall review proposed rate schedules to be charged by the Grantee of the television franchise, and that the charges shall not become effective without approval of the City Council; and

WHEREAS, Liberty Television, the Grantee, has proposed the rate schedule set forth below and shown good reason thereof;

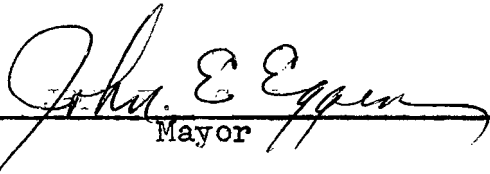

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL

OF THE CITY OF LEBANON AS FOLLOWS:

Section 1. That the television cable rate schedule, set forth as follows:

is deemed to be reasonable and is approved by the Council.

Passed by the Council and approved by the Mayor this 1st day of September, 1970.

Mayor

Re: Lebanon TV Cable Co. rate schedule

Bill

	<u>Connection Charges</u>	<u>Monthly Service Charges</u>
1. Standard single-family residence, one outlet	\$ 9.95	\$ 5.50
NOTE: At company's discretion, discounts or waivers of connection charges or waiver of monthly service charges may be used as promotional devices.		
Transfers or re-connections, same as new connections.		
Second outlet in a single-family residence	10.00	1.00
Third or more outlet in a single-family residence	5.00	.50

Underground Installation

Cable company's Time (presently \$6.00 per man-hour),
plus Materials at unit list prices plus 10%.

Maximum per single-family dwelling, \$75.00 extra
charge. Commercial: on quotation.

2. Multiple-family residential buildings (such as apartment
houses, trailer or mobile home parks):

2 units	30.00	10.00
3 units	45.00	13.50
4 units	60.00	16.00
5 units	75.00	18.00

For any number of units over 5, add \$15.00 to the
connection charge and add \$2.00 to the monthly
service charge, for each unit in excess of 5.

NOTE: The foregoing rates apply only if the owner
or landlord is responsible for all payments,
and the cable company installs the entire
distribution system in the building. If the
building owner has his own internal distribu-
tion system, or hires someone else to install
one, the cable company technicians must approve
the installation; and the cable company
reserves the right to refuse to connect to any
distribution system that will degrade the
cable company's signals. In the event the
cable company agrees to use such a distribution
system, a reduction of the connection charge
will be negotiated on a case-by-case basis, but
the monthly service charge will be the same as
if the cable company itself had installed the
distribution system.

If the building owner prefers not to invest in
a distribution system, and the cable company
wires the building at its own expense, the cable

Connection
Charges

Monthly
Service
Charges

company (with the permission of the building owner) will contract individually with the tenants, and the charges for each tenant will be.....

\$9.95

\$5.50

(Extra outlets, same as in single-family residences)

3. Motels (defined as a group of units serving only tourists or other transient guests, and having at least 6 units, one of which may be occupied by the owner or manager)

6 units

90.00

13.50

For any number of units over 6, add \$15.00 to the connection charge and add \$1.50 to the monthly service charge, for each unit in excess of 6.

Connection to an existing distribution system subject to same qualifications as for apartment houses.

4. Offices, clubs, lodges, taverns, lounges, etc. (places where the public can view the set) 9.95 7.50
5. FM-radio tap-off (available only with TV-cable service) 10.00 .75
6. Television Dealers and Repairmen None 5.50
 (Dealer must have a permanent place of business other than a home).
 (One outlet only. Dealer may install his own distribution system, or company will do so at its then prevailing rate for Time and Materials, as above).
7. Other, or unusual services or equipment: by negotiation of individual contracts, compatible with above.
8. Unwarranted complaint calls:

First such call.....No charge

Subsequent calls.....\$3.00 per call

9. Schools:

The cable company will furnish service to any public or parochial school, on the school's request, as follows:

- (a) For initial installation to one classroom, no charge for either installation or continued service.
- (b) For expansion into additional rooms, the company's Time (presently \$6.00 per man-hour) plus Materials (at unit list prices plus 10%); and for service, \$25 per year per school, regardless of the number of outlets. The school, however, will also pay for Time and Materials for repair or replacement of damage to the system.
