Resolution No. 27
for 1992

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LEBANON AS FOLLOWS:

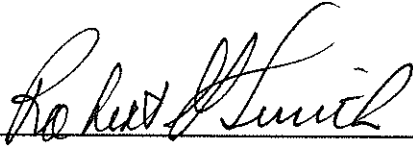

Section 1. Whereas the City Engineer has found it necessary to develop an alternative groundwater supply source for the City of Lebanon, and

Section 2. Whereas Federal funding, through the Environmental Protection Agency's Wellhead Demonstration Grant Program, is available to aid in identifying a high quality groundwater source, and

Section 4. Whereas the City Council hereby finds that it is in the public interest to pursue the grant funding,

Section 4. Therefore the City Council hereby authorizes the Director of Public Works to sign applications for the grant funding.

Passed by the Council by a vote of 5 for and 0 against and approved by the Mayor this 22 day of July, 1992.
