FOR REPAIRS AT THE WASTEWATER )  
TREATMENT PLANT AND )  
DECLARING AN EMERGENCY )

Resolution No. 84  
for 1995

Whereas, an emergency condition exists, caused by the failure of the flow matcher on pump #3, requiring execution of a contract for the replacement of the flow matchers at the Lebanon Wastewater Treatment Plant, and

Whereas, the City engineer has found it necessary to enter into a contract without formal competitive bidding due to the timing of events resulting in the need to have the influent pumps fully operational, and

Whereas, competitive quotes were obtained for the required repairs.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LEBANON AS FOLLOWS:

Section 1. The City Council declares an emergency and finds that it is in the public interest to pursue the execution of a contract authorizing repairs.

Section 2. The City Council hereby authorizes the Mayor and City Administrator to sign a contract for the repairs to the Wastewater Treatment Plant influent pump controls and dispense with the formal competitive bidding requirements.

Passed by the Council by a vote of 5 for and 0 against and approved by the Mayor this 8th day of November, 1995.
