**Resolution No. 3
for 1998**

Whereas, the City of Lebanon has adopted the State of Oregon Mechanical Specialty Code and Mechanical Fire Life Safety Code; and

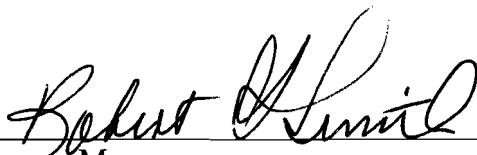

Whereas, the Lebanon Municipal Code, Section 15.04.040, requires the City Council to set fees associated with the administration of said Code by resolution; and

Whereas, the City Council finds that the setting of such fees does not replace funds limited in the general fund because said fees are paid only by those persons who avail themselves of services contemplated by the Code;

NOW, THEREFORE, the City of Lebanon resolves as follows:

- Section 1.** Pursuant to the provisions of the Lebanon Municipal Code, Section 15.04.040, Exhibit "A", which is attached hereto and incorporated by this reference, is hereby adopted by the city as fees to be paid for permits as required by the Mechanical Code.
- Section 2.** Any resolutions which have heretofore been adopted by the city which contradict this resolution are hereby repealed.

PASSED by the City Council for the City of Lebanon by a vote of 5 for and 0 against this 25th day of February, 1998.
