## A RESOLUTION AMENDING FEES AND CHARGES FOR CITY SERVICES

RESOLUTION NO. 35

WHEREAS, Oregon Revised Statutes (ORS) 192.440(3) authorizes the City to charge fees associated with public records requests.

WHEREAS, it remains the policy of the City of Lebanon to require that city fees charged fully reimburse the City for the actual costs associated with the requested city services, products or information; and

WHEREAS, the City Manager has caused a review of city fees and charges in order to fully recover all reasonable fees calculated to reimburse the City for the actual cost of providing city services, products and public information requests and recommends such adjustments to the City Council.

WHEREAS, said review of all city fees and charges, as well as necessary and appropriate revisions are as provided in EXHIBIT A.

WHEREAS, the City Council has reviewed the basis for establishing such fees as described in EXHIBIT A.

WHEREAS, it is the City's policy to conserve city resources so that city staff time, copying expenses and other related expenses are not exhausted on unspecified or vague public information requests or with performing information requests that are not retrieved by the requester.

THEREFORE, THE LEBANON CITY COUNCIL RESOLVES AS FOLLOWS: Section 1: The following fees amendment attached hereto as EXHIBIT A and incorporated herein by this reference are adopted by the City and shall become effective January 1, 2009.

<u>Section 2</u>: The City Council hereby determines that the fees, rates and charges hereby adopted are not subject to the limits of Section 11 or 11b, Article XI of the Oregon Constitution.

<u>Section 3</u>: The City Council hereby finds that the fees proposed in EXHIBIT A are reasonably calculated and represents the City of Lebanon's true, reasonable and actual cost of making public records available including costs for summarizing or compiling public records in response to public information requests.

Section 4: The City Council hereby finds that in order to not exhaust city resources on unspecified public information requests, the City shall only receive public information requests in writing on a form approved by the City Clerk. Staff shall make a good faith estimate of the City's required fees and notify the requester in writing (on approved response forms) if the fees estimated exceeds \$25 prior to fulfilling the request. If the fee estimate exceeds \$100, a 50% deposit may be required before staff begins the work. Payment must be received in full before the public records are inspected or released. The City shall carefully document the City's actual expenses in obtaining the requested information and alert the City Clerk of any

document requests estimated to be over \$250.00, prior to commencing with the request. The City shall refund any funds due upon delivery of the requested information, or shall require payment for any money still owing, prior to the release of requested information.

Passed by the Lebanon City Council by a vote of \_\_\_\_\_ for and \_\_\_\_\_ against on this 12th day of November, 2008.
