

**A RESOLUTION OF THE CITY OF LEBANON)
RECOMMENDING RESTORING)
RECREATIONAL IMMUNITY RIGHTS)**

RESOLUTION NO. 2017-5

WHEREAS, in 1995, the Legislative Assembly declared it to be the public policy of the State of Oregon to encourage landowners to make their land available to the public for recreational purposes by limiting their liability towards persons entering thereon for such purposes; and

WHEREAS, recreations purposes include, but are not limited to, outdoor activities such as hunting, fishing, swimming, boating, camping, picnicking, hiking, nature study, outdoor educational activities, water sports, winter sports, viewing or enjoying historical, archaeological, scenic or scientific sites or volunteering for any public purpose project, including the above mentioned activities, as well as: gardening, woodcutting and for the harvest of special forest products; and

WHEREAS, the Public Use of Lands Act has increased the availability of land for free recreation by citizens and visitors alike by limiting liability to cities, counties, park districts, irrigation districts, schools and private landowners, including property-owner associations, farmers and timber companies that, by virtue of this act, allow members of the public to use or traverse their lands at no charge for recreation purposes; and

WHEREAS, for twenty years, the Public Use of Lands Act has been broadly interpreted to extend this immunity from liability to apply not only to landowners but also to the landowner's employees' agents, and volunteers; and

WHEREAS, in *Johnson v. Gibson*, the Oregon Supreme Court held that when the Legislature passed the Public Use of Lands Act, it intended to immunize only the landowner, otherwise the Legislative Assembly would have included employees, agents and volunteers in the Act; and

WHEREAS, this ruling effectively undermines a landowner's recreational immunity from tort liability under the Act because public employers are statutorily required to represent and indemnify their employees and most, if not all, landowners who allow access to their lands free of charge will ultimately be responsible for the negligence of their employees that results in injury to a member of the public or property; and

WHEREAS, landowners will likely face substantially increased insurance premiums for this new risk exposure and/or have to close their property or amenities to Oregonians trying to recreate due to the result of this decision.

NOW, THEREFORE, let it be known that the City of Lebanon supports legislation in the 2017 Oregon Legislative Assembly promulgated to restore recreational immunity to landowners and their officers, employees, agents or volunteers who are acting within the scope of their employment or duties so to allow Oregonians to access their lands for recreational use and enjoyment.

ADOPTED BY THE LEBANON CITY COUNCIL and executed by the Mayor on this 8th day of March, 2017 by a vote of 5 yeas and 0 nays.
